

Center Licensing Inspection Full Report

All licensed child care programs are inspected at least once each year. Non-compliances are documented and grouped as Serious, Moderate or Low risk violations. Documenting statements and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the child care website at http://jfs.ohio.gov/CDC/childcare.stm. This includes complaint investigation reports with substantiated allegations. For any other child care records, please contact the Child Care Help Desk at 1-877-302-2347, option 4.

Summary of Non-Compliances

If a program disagrees with a licensing finding, the program may request a review of the finding(s). Ohio Administrative Code 5101:2-12-03 and 5101:2-13-03 detail the process for submitting a request for review. The request for review must be submitted within seven business days from the receipt of the licensing report. In addition, if the program is star rated, the rating may be impacted if a serious or moderate risk non-compliance is cited.

Serious Risk Non-Compliances

Domain: 01 Ratio & Supervision

Rule: 5180:2-12-19 Supervision

<u>Code</u>: The program staff are not permitted to leave children unattended.

<u>Finding</u>: An Incident/Illness Injury report was submitted that a child was not supervised while outside the program. A child was left unattended on the outdoor play area when the class was brought indoors. Children must be supervised and within sight and hearing of a childcare staff member at all times. It was stated that training was provided to the childcare staff members regarding conducting name-to-face checks as children are transitioned from indoors to outdoors and from outdoors to indoors. Other training procedures were discussed. Rule 5180:2-12-03 requires the program to notify parents when a serious risk non-compliance is cited. The notification must inform parents of the serious risk non-compliance and include the Department of Children and Youth website and location of further information regarding the determination. Submit the program's corrective action plan, which includes a statement if additional training was provided and a copy of the written parent notification, to the Department to verify compliance with the requirements of this rule.
