Department of Children & Youth

Licensing Inspection Full Report

All licensed early care and education programs are inspected at least once each year. Non-compliances are documented and grouped by risk level. Documenting statements, technical assistance provided and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the Department of Children & Youth website at https://childcaresearch.ohio.gov/ . This includes complaint investigation reports with substantiated allegations. For any other early care and education records, please contact the Family and Customer Support Center at 1-844-234-5437.

Summary of Non-Compliances

If a program disagrees with a licensing finding, the program may request a review of the finding(s). Ohio Administrative Code 5180:2-12-03, 5180:2-13-03, 5180:2-19-10 and 5180:2-20-02 detail the process for submitting a request for review. The request for review must be submitted within ten business days from the receipt of the licensing report. In addition, if the program is Step Up To Quality rated, the rating may be impacted if a serious or moderate risk non-compliance is cited.

Serious Risk Non-Compliances

A serious risk non-compliance is a licensing rule violation that has the potential to lead to a great risk of harm to a child and is observable and/or based on facts.

No serious risk non-compliances were observed during this inspection

Moderate Risk Non-Compliances

A moderate risk non-compliance is a licensing rule violation that has the potential to lead to a great risk of harm to a child and is observable and/or based on facts.

No moderate risk non-compliances were observed during this inspection

Other Non-Compliances

This section includes other rule violations that are observable and/or based on facts.

Domain: **02 Safe & Sanitary Environment**

Rule: 5180:2-12-12 Safe Environment

Requirement: The program is required to store chemicals and cleaning and sanitizing supplies in a place that is inaccessible to children. Cleaning agents, aerosol cans and chemical substances must be stored in their original container or clearly labeled. School-age children may use cleaning supplies and equipment with adult supervision.

Finding: During the inspection, a potentially hazardous substance, which was determined to not present a serious risk to a child, was not used or stored properly

The following was observed: fish food was accessible to children on top of the Preschool cubby area

Provide staff training. Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 12/23/2026

Domain: **08 Staff Files**

Rule: 5180:2-12-08 Orientation Training & Whistle Blower Protection

Requirement: The program is required to have staff complete the online staff orientation training.

Finding: In review of the staff records, it was determined that child care staff member(s) did not meet the requirements for completing the online orientation training.

The following was observed: the training was not completed within 30 days of starting employment at the program as a child care staff member

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 12/23/2026

Domain: **08 Staff Files**

Rule: 5180:2-12-08 Staff Immunization Records

Requirement: The program is required to have every employee provide immunization records.

Finding: In review of the staff records, it was determined that the immunization records for employees, including child care staff members, did not meet the requirement.

The following was observed: the immunization record did not have written evidence that the employee is immunized against measles, mumps, and rubella (MMR)

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 12/23/2026

Domain: **09 Children's Files**

Rule: 5180:2-12-15 Child Health Care Plans

Requirement: The program is required to use a health care plan form that is equivalent to content to the DCY 01236

Finding: In review of the children's records, it was determined that the DCY 01236 "Health Care Plan Documentation & Permission to Administer Medication" or equivalent form did not meet the requirements of the rule.

The following was observed: the form had not been updated as needed and at least annually

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 12/23/2026

Domain: **09 Children's Files**

Rule: 5180:2-12-25 Medication Storage

Requirement: The program is required to remove all medication, medical foods and topical products that are no longer being administered or have expired. The program is also required to maintain current documentation to administer medications, medical foods and topical products.

Finding: During the inspection, it was determined that medication, medical foods and/or topical products did not meet the requirement(s) for administering medication, medical foods, and/or medical products.

The following was observed: the medication had expired

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 12/23/2026

Technical Assistance Provided

This section documents technical assistance provided to the program when the program demonstrated an overall level of compliance with a rule requirement.
