

Center Complaint Inspection Summary Report

All licensed child care programs are inspected at least once each year. Non-compliances are documented and grouped as Serious, Moderate or Low risk violations. Documenting statements and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the child care website at <http://jfs.ohio.gov/CDC/childcare.stm>. This includes complaint investigation reports with substantiated allegations. For any other child care records, please contact the Child Care Help Desk at 1-877-302-2347, option 4.

Complaint Allegations

If a program disagrees with a licensing finding, the program may request a review of the finding(s). Ohio Administrative Code 5101:2-12-03 and 5101:2-13-03 detail the process for submitting a request for review. The request for review must be submitted within seven business days from the receipt of the licensing report. In addition, if the program is star rated, the rating may be impacted if a serious or moderate risk non-compliance is cited.

Domain:01 Ratio & Supervision

Rule: 5101:2-12-19 Supervision

Code: The program staff is required to supervise children in their assigned group by sight and hearing. Supervision includes being near enough to respond and reach children immediately and protecting them from harm.

Allegation: There was a lack of supervision when a child swallowed a coin.

Determination: Substantiated

Findings: During the inspection, it was determined that children were left unattended while inside the program as noted in number 8 below:

1. Child(ren) were left unattended once.
2. Child(ren) were left unattended more than once.
3. Child(ren) left the group and were unattended.
4. Child care staff were using a baby monitor to supervise children.
5. Child care staff were using a walkie talkie to supervise children.
6. Child care staff were using mirrors to view children in another room.
7. Child care staff were using a video camera instead of physically being present in the room.
8. Other: children were not in both sight and hearing when a child found a coin and swallowed it during nap time.

Children must be supervised and within sight and hearing of a child care staff member at all times. Provide staff training. Submit the program's corrective action plan, which includes a statement that training was provided, to the Department to verify compliance with the requirements of this rule.

Domain:09 Children's Files

Rule: 5101:2-12-15 Child Medical and Enrollment Records

Code: The program is required to have a completed medical on file at the program for each child enrolled.

Allegation: Child files do not meet the requirement.

Determination: Substantiated

Findings: In review of 25% of the children's records, it was determined that completed medical statements were not on file, as required, for children listed on the JFS Children's Record Review For Child Care as indicated in number 1 & 2 below:

1. No medical was on file for at least one child
2. Medicals on file was not updated every 13 months
3. Medical(s) were missing child's name and date of birth
4. Medical(s) were missing the date of the medical examination
5. The date of the exam was more than 13 months prior to the date the form was signed.

6. Medical(s) were missing a statement that the child has been examined and is in suitable condition for participation in group care
7. Medical(s) were missing the signature, business address and telephone number of the physician, physician's assistant(PA), advance practice nurse (APN) or certified nurse practitioner (CNP) who examined the child
8. Medical(s) were missing a record of immunizations the child has had specifying month, day and year
9. Medical(s) were missing a statement from the physician, PA, APN, or CNP that the child has been immunized or is in the process of being immunized against the diseases required by division 5104.014 of the Revised Code and found in appendix A to this rule
10. Medical(s) were missing a statement from the child's parent or guardian that he or she has declined to have the child immunized against the disease for reasons of conscience, including religious convictions
11. Other []

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Risk Level: Low

Corrective Action Plan Due: 02/15/2024

Domain:09 Children's Files

Rule: 5101:2-12-25 Medication Administration

Code: The program staff is required to administer medication following the instructions on the JFS 01217 "Request for Administrator of Medication for Child Care" form or attached prescription label.

Allegation: Medication forms are not meeting the requirements.

Determination: Substantiated

Findings: During the inspection, it was determined the program had administered medication to a child and the written instructions on the JFS 01217 "Request for Administration of Medication for Child Care" form or attached prescription label were not followed as noted in number 4 below:

1. Medication had been administered to a child at the center at a different time than directed.
2. Medication was administered to a child for a longer or shorter period of time than directed.
3. The dose administered did not match the dosage required by the manufacturer's directions.
4. The dose administered did not match the dosage required by the written physician's instructions or the prescription label.
5. A child was administered the wrong medication provided to the program for that child.
6. Other: [].

Provide training to the staff designated to administer medication that the parent's and physician's instructions on the prescribed form, as well as instructions on the prescription label, must be followed to avoid over or under medicating a child. Submit the program's corrective action plan, which includes a statement that training was provided, to the Department to verify compliance with the requirements of this rule.
