Complaint Inspection Summary Report

All licensed early care and education programs are inspected at least once each year. Non-compliances are documented and grouped by risk level. Documenting statements, technical assistance provided and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the Department of Children & Youth website at https://childcaresearch.ohio.gov/ . This includes complaint investigation reports with substantiated allegations. For any other early care and education records, please contact the Family and Customer Support Center at 1-844-234-5437.

Complaint Allegations

If a program disagrees with a licensing finding, the program may request a review of the finding(s). Ohio Administrative Code 5180:2-12-03, 5180:2-13-03, 5180:2-19-10 and 5180:2-20-02 detail the process for submitting a request for review. The request for review must be submitted within ten business days from the receipt of the licensing report. In addition, if the program is Step Up To Quality rated, the rating may be impacted if a serious or moderate risk non-compliance is cited.

Domain: 01 Ratio & Supervision

Rule: 5180:2-12-19 Supervision
Code: The program is to ensure that child care staff members provide supervision of the children in care.

Allegation: Lack of supervision in that, staff were unaware of how a child was injured.

Determination: Substantiated

Findings: During the inspection, it was determined that children were left unattended while inside the program. The following was observed: Staff were not aware of an activity a child was engaged in and near enough to protect from harm, meet their basic needs and respond to emergent circumstances.

Provide staff training. Submit the program's corrective action plan, which includes a statement that training was provided, to the Department to verify compliance with the requirements of this rule.

Risk Level: Moderate

Corrective Action Plan Due: 12/20/2026

Domain: 02 Safe & Sanitary Environment

Rule: 5180:2-12-12 Safe Environment
Code: The program is required to store chemicals and machinery in a place that is inaccessible to children. The program is required to provide an outdoor play area away from machinery in operation.

Allegation: Chemicals were in reach of children.

Determination: Substantiated

Findings: During the inspection, a potentially toxic substance was stored in an unlocked cabinet where children had access to it. The following was observed: bleach.
Provide staff training. Submit the program's corrective action plan, which includes a statement that the potentially hazardous substance or item is no longer accessible to children and/or children will not be outside when machinery is in use and a statement that training was provided, to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 12/20/2026
