

## Center Licensing Inspection Full Report

All licensed child care programs are inspected at least once each year. Non-compliances are documented and grouped as Serious, Moderate or Low risk violations. Documenting statements and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the child care website at <http://jfs.ohio.gov/CDC/childcare.stm>. This includes complaint investigation reports with substantiated allegations. For any other child care records, please contact the Child Care Help Desk at 1-877-302-2347, option 4.

### Summary of Non-Compliances

*If a program disagrees with a licensing finding, the program may request a review of the finding(s). Ohio Administrative Code 5101:2-12-03 and 5101:2-13-03 detail the process for submitting a request for review. The request for review must be submitted within seven business days from the receipt of the licensing report. In addition, if the program is star rated, the rating may be impacted if a serious or moderate risk non-compliance is cited.*

### Serious Risk Non-Compliances

**No Serious Risk Non-Compliances were observed during this inspection**

### Moderate Risk Non-Compliances

#### Domain: 06 Program Information

Rule: 5101:2-12-14 Transportation and Field Trip Procedures

Code: The program is required to have an additional adult accompany on the trip.

Finding: During the inspection, it was determined that an additional adult did not accompany the school-age group of children and Child Care Staff Member on a walk during a routine trip. To ensure the safety of children, an additional adult must be present on all trips for every five infants; any combination of seven or more toddlers, preschool and school children; and every ten school children if the group includes only school children on a walking trip. Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 08/19/2023

### Low Risk Non-Compliances

#### Domain: 00 License & Approvals

Rule: 5101:2-12-04 Building Department Inspection

Code: The program is required to maintain a copy of the certificate of occupancy on file at the center for review.

Finding: During the inspection, it was determined the program did not have a copy of the certificate of occupancy available on-site for review. Submit the program's corrective action plan, which includes a copy of the certificate of occupancy, to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 08/25/2023

#### Domain: 01 Ratio & Supervision

Rule: 5101:2-12-18 Attendance Records

Code: The program is required to have a method for tracking the children in each group. The tracking method must be updated throughout the day and kept with the group at all times.

Finding: During the inspection, it was determined that the method for tracking children in each group did not meet the requirements of the rule as noted in numbers 2, 3 and 5 below:

1. There was no method in place;
2. The method did not include each child's name;
3. The method did not include each child's date of birth;
4. The tracking method did not remain with the group at all times;
5. The tracking method was not updated throughout the day as children entered or left the group.

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.
