Summary of Non-Compliances

If a program disagrees with a licensing finding, the program may request a review of the finding(s). Ohio Administrative Code 5180:2-12-03 and 5180:2-13-03 detail the process for submitting a request for review. The request for review must be submitted within seven business days from the receipt of the licensing report. In addition, if the program is star rated, the rating may be impacted if a serious or moderate risk non-compliance is cited.

Serious Risk Non-Compliances

Domain: 01 Ratio & Supervision

Rule: 5180:2-12-19 Child Guidance

Code: The program staff shall use developmentally appropriate techniques when managing children's behavior and shall not abuse, endanger or neglect children.

Finding: During the inspection, it was determined that a child-care staff member had abused, endangered, or neglected a child. Childcare staff members, administrators, and owners must always use appropriate guidance and management methods with children and ensure that children are safe at all times. The individual needs to be released from employment immediately.

Rule 5180:2-12-03 requires the program to notify parents when a serious risk non-compliance is cited. The notification must inform parents of the serious risk non-compliance and include the Department of Children and Youth website and location of further information regarding the determination. Submit the program's corrective action plan, which includes a statement that the individual is no longer employed and a copy of the written parent notification, to the Department to verify compliance with the requirements of this rule.
