

Center Complaint Inspection Summary Report

All licensed child care programs are inspected at least once each year. Non-compliances are documented and grouped as Serious, Moderate or Low risk violations. Documenting statements and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the child care website at <http://jfs.ohio.gov/CDC/childcare.stm>. This includes complaint investigation reports with substantiated allegations. For any other child care records, please contact the Child Care Help Desk at 1-877-302-2347, option 4.

Complaint Allegations

If a program disagrees with a licensing finding, the program may request a review of the finding(s). Ohio Administrative Code 5101:2-12-03 and 5101:2-13-03 detail the process for submitting a request for review. The request for review must be submitted within seven business days from the receipt of the licensing report. In addition, if the program is star rated, the rating may be impacted if a serious or moderate risk non-compliance is cited.

Domain:02 Safe & Sanitary Environment

Rule: 5101:2-12-12 Safe Environment

Code: The program is required to provide an environment that protects the children in care from any items and conditions that may threaten their health, safety, and well-being.

Allegation: The program had a fire in the administrator's office due to a lit candle. There is a concern that the environment may not be safe to care for children, due to the office being adjacent to children's classrooms.

Determination: Substantiated

Findings: During the inspection, it was determined that children were not protected from conditions which may threaten their health, safety, or well-being. A plaster wall in the infant room was buckled, cracked and chipped in several areas. The program recently had a fire in the administrator's office which is adjacent to the infant room. The damage occurred as a result of the fire department extinguishing the flames. Submit the program's corrective action plan, which includes a statement that the wall has been repaired, to verify compliance with the requirements of this rule.

Risk Level: Low

Summary of Additional Non-Compliances

Serious Risk Non-Compliances

Domain:08 Staff Files

Rule: 5101:2-12-09 Background Check Requirements

Code: The program is required to refrain from employing an individual who is not eligible to be employed in child care.

Findings: During the inspection, it was determined that an owner, owner's representative, administrator, employee or child care staff member, listed on the Employee Record Chart, was not eligible to be employed as noted in number 1 below:

1. The individual had a JFS 01176 "Program Notification of Background Check Review for Child Care" on file stating the individual was not eligible for employment and the program allowed the individual to be on-site.
2. The JFS 01178 "Request for Review of Background Check Decision for Child Care" had been submitted for the individual and the program allowed the individual to be on-site during the review by ODJFS.

The Program Notification of Background Check Review for this individual was authorized on 12/13/2023 and submitted to the registry for the program to review. The individual must be immediately released from the program. Submit the program's corrective action plan, which includes a statement the individual is no longer employed or a copy of the updated JFS 01176, to the Department to verify compliance with the requirements of this rule.

Moderate Risk Non-Compliances

Domain:00 License & Approvals

Rule: 5101:2-12-04 Fire Inspection

Code: The program is required to have all spaces used for child care inspected by the fire department or the state fire marshal's office prior to serving children. The program is required to obtain a fire inspection without any uncorrected violations within 12 months from the date of the last fire inspection. If violations are noted during the inspection, the program is required to have all violations corrected and have the program re-inspected to obtain a completed fire form.

Findings: During the inspection, it was determined the program did not meet the requirements for fire inspection as noted in number 1 below:

1. The program did not have documentation on file for a fire inspection without any uncorrected violations within 12 months from the date of the last fire inspection and the request for the new inspection was not made at least 30 days prior to the expiration of the previous fire inspection.
2. The documentation for the most recent fire inspection contained violations that had not been corrected.
3. The [] space was being used and had not been approved by the fire department or the state fire marshal's office for child care.

The fire department was contacted for additional information. Submit the program's corrective action plan, which includes an updated fire inspection without any uncorrected violations, to the Department to verify compliance with the requirements of this rule.
