

Center Complaint Inspection Summary Report

All licensed child care programs are inspected at least once each year. Non-compliances are documented and grouped as Serious, Moderate or Low risk violations. Documenting statements and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the child care website at <http://jfs.ohio.gov/CDC/childcare.stm>. This includes complaint investigation reports with substantiated allegations. For any other child care records, please contact the Child Care Help Desk at 1-877-302-2347, option 4.

Complaint Allegations

If a program disagrees with a licensing finding, the program may request a review of the finding(s). Ohio Administrative Code 5101:2-12-03 and 5101:2-13-03 detail the process for submitting a request for review. The request for review must be submitted within seven business days from the receipt of the licensing report. In addition, if the program is star rated, the rating may be impacted if a serious or moderate risk non-compliance is cited.

Domain:01 Ratio & Supervision

Rule: 5101:2-12-19 Supervision

Code: The program staff is required to supervise children in their assigned group by sight and hearing. Supervision includes being near enough to respond and reach children immediately and protecting them from harm.

Allegation: An infant was left unsupervised in the classroom.

Determination: Substantiated

Findings: During the inspection, it was determined that children were left unattended while inside the program as noted in number 1 below:

1. A child was left unattended once.
2. Child(ren) were left unattended more than once.
3. Child(ren) left the group and were unattended.
4. Child care staff were using a baby monitor to supervise children.
5. Child care staff were using a walkie talkie to supervise children.
6. Child care staff were using mirrors to view children in another room.
7. Child care staff were using a video camera instead of physically being present in the room.
8. Other [].

Children must be supervised and within sight and hearing of a child care staff member at all times. Provide staff training. Submit the program's corrective action plan, which includes a statement that training was provided, to the Department to verify compliance with the requirements of this rule.

Domain:05 Health & Safety

Rule: 5101:2-12-16 Incident/Injury Reporting

Code: The program is required to submit notification of a serious incident in OCLQS by the next business day.

Findings: During the inspection, it was determined that a Serious Incident was not reported in the Ohio Child Licensing and Quality System (OCLQS), as required, by the program administrator or designee for an incident as listed in number 2 below:

1. An incident, injury or illness that required professional medical consultation or treatment.
2. An unusual or unexpected incident which jeopardizes the safety of a child, child care staff member or employee of the program.
3. An incident defined as a serious risk non-compliance in appendix A to rule 5101:2-12-03 of the Administrative Code.
4. The program did not submit the report in OCLQS by the next business day as required by rule.

Submit the program's corrective action plan, which includes a statement that the program administrator or designee has completed the Serious Incident Report in OCLQS, to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 04/29/2023
