

## Center Complaint Inspection Summary Report

All licensed child care programs are inspected at least once each year. Non-compliances are documented and grouped as Serious, Moderate or Low risk violations. Documenting statements and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the child care website at <http://jfs.ohio.gov/CDC/childcare.stm>. This includes complaint investigation reports with substantiated allegations. For any other child care records, please contact the Child Care Help Desk at 1-877-302-2347, option 4.

### Complaint Allegations

If a program disagrees with a licensing finding, the program may request a review of the finding(s). Ohio Administrative Code 5101:2-12-03 and 5101:2-13-03 detail the process for submitting a request for review. The request for review must be submitted within seven business days from the receipt of the licensing report. In addition, if the program is star rated, the rating may be impacted if a serious or moderate risk non-compliance is cited.

#### Domain:01 Ratio & Supervision

Rule: 5101:2-12-18 Ratio

Code: The program staff used in ratio are to refrain from other duties that would not allow them to provide appropriate care and supervision of the children in their group.

Allegation: It was alleged that staff members were on their phones when they were counted in ratio with the children.

Determination: Substantiated

Findings: During the inspection, it was determined that Child Care Staff Members who were used in the staff/child ratio were engaged in other duties such as noted in number(s) 6 below and, therefore, were unable to provide appropriate care and supervision to the children:

1. Cooking;
2. Cleaning that interferes with supervision;
3. Paperwork;
4. Talking on the phone for extended time;
5. Engaging in a conversation with a parent for an extended period of time;
6. Other :using cell phones.

Provide staff training. Submit the program's corrective action plan, which includes a statement that training was provided, to the Department to verify compliance with the requirements of this rule.

**Domain:01 Ratio & Supervision**

Rule: 5101:2-12-18 Ratio

Code: The program is required to maintain the appropriate staff to child ratio for each group served.

Allegation: It was alleged that the program had been out of ratio.

Determination: Substantiated

Findings: During the inspection, a ratio that was out of compliance was determined to have occurred for when the situation in number(s) 4 below occurred:

1. A child care staff member stepped out of the room.
2. A child care staff member had not arrived at work on time.
3. Children were present who were not scheduled to be there.
4. A child care staff member was unable to work.
5. A child was injured in that group.
6. A child arrived in the group before a second staff member was scheduled to arrive with the group.
7. Two groups were combined, and the program did not follow the ratio for the youngest child in the group.
8. A child was transitioning to the next older age group, and the program did not follow the ratio for the youngest child in the group.
9. Ratio was doubled for more than two hours while children were napping.
10. Ratio was doubled while children were napping for a group that included at least one infant.
11. Ratio was doubled while children were napping and there were not enough staff members in the building to meet staff/child ratio.
12. Ratio was doubled in the school age group to allow access to the program, however, the program does not serve only school age children.
13. Both child care staff members did not have a working communication device when one staff member left the group to allow access to the school age only program.
14. The child care staff member did not return to the group after allowing access to the school age only program.
15. Other [ ].

Additional child care staff members must be hired or current child care staff members must be rescheduled to maintain compliance. Provide staff training.
