

## Center Licensing Inspection Full Report

All licensed child care programs are inspected at least once each year. Non-compliances are documented and grouped as Serious, Moderate or Low risk violations. Documenting statements and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the child care website at <http://jfs.ohio.gov/CDC/childcare.stm>. This includes complaint investigation reports with substantiated allegations. For any other child care records, please contact the Child Care Help Desk at 1-877-302-2347, option 4.

### Summary of Non-Compliances

*If a program disagrees with a licensing finding, the program may request a review of the finding(s). Ohio Administrative Code 5101:2-12-03 and 5101:2-13-03 detail the process for submitting a request for review. The request for review must be submitted within seven business days from the receipt of the licensing report. In addition, if the program is star rated, the rating may be impacted if a serious or moderate risk non-compliance is cited.*

### Serious Risk Non-Compliances

**No Serious Risk Non-Compliances were observed during this inspection**

### Moderate Risk Non-Compliances

**Domain: 06 Program Information**

Rule: 5180:2-12-14 Transportation - Vehicle Requirements

Code: The program is required to use the correct vehicle type as specified in rule. The program is also required to have all vehicles used to transport children inspected by an ASE certified mechanic, FMCSA inspector or the State Highway patrol annually, and correct all repairs that are listed on the vehicle inspection report.

Finding: During the inspection, it was determined the program used a vehicle (Ford bus with VIN ending in 4922) to transport children during the week of the inspection that did not have a current annual vehicle inspection indicating the vehicle was mechanically safe as noted in number 4 below:

1. The program used a converted cargo van or passenger vans designed to carry ten or more passengers. The program must cease the use of this vehicle immediately.
2. The vehicle was not inspected.
3. The vehicle was inspected by someone other than an ASE certified mechanic, federal motor carrier safety administration (FMCSA) safety inspector or the Ohio State Highway Patrol.
4. The vehicle inspection was not updated annually.
5. The vehicle inspection completed from the Ohio Highway Patrol did not meet the rule requirement.
6. The annual safety check of the vehicle(s) used by the program to transport children noted repairs or corrections that had not been completed and/or documented. The safety violations need to be corrected immediately.

Submit the program's corrective action plan, which includes either discontinuing the use of the vehicle, documentation for any new vehicle now being used to transport children, or a copy of the JFS 01230 "Vehicle Inspection Report for Child Care Centers", to the Department to verify compliance with the requirements of this rule.

Rule: 5180:2-12-15 Medical/Physical Care Plans

Code: The program is required to have a completed JFS 01236 "Child Medical/Physical Care Plan for Child Care" on file at the program for any child having a health condition and must implement and/or follow instructions on the plan. The program is required to have staff trained to perform the procedures on the JFS 01236 "Child Medical/Physical Care Plan for Child Care" present at the program when the child requiring the procedure is onsite. Only staff who have been trained shall be permitted to perform the procedures listed on the JFS 01236.

Finding: In review of the children's records, it was determined the program did not meet the requirements for caring for at least one child, indicated on the Children Records Review, with a condition that requires a JFS 01236 "Child Medical/Physical Care Plan" as noted in number 39 below:

1. No plan was on file.

13. Time for medication/medical food to be administered was missing or not attached.

14. Expiration date for medication/medical food was missing or not attached.

15. Symptoms that require staff to administer medication/medical food were missing or not attached.

16. Specific instructions to administer the medication/medical food were missing or not attached.

17. Actions to be taken if the symptoms do not subside were missing or not attached.

18. Physician's signature was missing or not attached.

19. The date of the physician's signature was missing or not attached.

(Page 3)

20. Child's name was missing.

21. Instructions regarding emergency evacuation, if applicable, were missing.

22. Signature of parent granting permission to implement the plan and verifying training was missing.

23. Date of parent signature was missing.

24. Certified Professional Trainer information was missing.

25. Signature of certified professional who trained the program staff was missing, if parent was not the trainer.

26. Date of trainer signature was missing.

27. Printed name(s) of child care staff member(s) who have received instructions for care and/or have been trained to perform the procedure were missing.

28. Signature(s) of child care staff member(s) who have received instructions for care and/or have been trained to perform the procedure were missing.

29. Date of staff signature was missing.

30. Administrator/Provider signature was missing

31. Date of administrator/Provider was missing.

(Page 4)

32. Child's name was missing.

33. Name of medication or medical food was missing.

34. Date the medication/medical food was administered was missing.

35. Time medication/medical food was administered was missing.

36. Dosage of medication/medical food that was administered was missing.

37. Signature of person administering medication/medical food was missing.

38. The plan was not followed or implemented.

39. The plan was not able to be implemented due to conflicting information regarding medication dosage.

40. None of the child care staff members trained in the procedures on the JFS 01236 were onsite when a child requiring the plan was present.

41. Child care staff members trained in the procedures on the JFS 01236 were not scheduled to be present the entire the time the child requiring the plan was onsite.

42. None of the child care staff members trained in the procedures on the JFS 01236 accompanied the child requiring the plan during a trip.

43. A child care staff member who had not been trained in the procedures on the JFS 01236 performed the procedure.

44. Medication listed in the procedures to follow was not onsite available to administer as instructed and alternate instructions for this situation were not included on the plan.

Provide staff training. Submit the program's corrective action plan, which includes a copy of the completed JFS 01236, to the Department to verify compliance with the requirements of this rule.

Rule: 5180:2-12-25 Medication Administration

Code: The program staff is required to administer medication following the instructions on the JFS 01217 "Request for Administrator of Medication for Child Care" form or attached prescription label.

Finding: During the inspection, it was determined the program had administered medication to a child and the written instructions on the JFS 01217 "Request for Administration of Medication for Child Care" form or attached prescription label were not followed as noted in numbers 1 & 6 below:

1. Medication had been administered to a child at the center at a different time than directed (not spaced out enough from the previous dose).
2. Medication was administered to a child for a longer or shorter period of time than directed.
3. The dose administered did not match the dosage required by the manufacturer's directions.
4. The dose administered did not match the dosage required by the written physician's instructions or the prescription label.
5. A child was administered the wrong medication provided to the program for that child.
6. Other: The prescription label had expired.

Provide training to the staff designated to administer medication that the parent's and physician's instructions on the prescribed form, as well as instructions on the prescription label, must be followed to avoid over or under medicating a child. Submit the program's corrective action plan, which includes a statement that training was provided, to the Department to verify compliance with the requirements of this rule.

### Low Risk Non-Compliances

#### Domain: 03 Postings & Equipment

**Rule:** 5180:2-12-17 Materials and Equipment

**Code:** The program is required to have enough equipment for all children in care.

**Finding:** During the inspection, it was determined that equipment and materials in the following categories were not provided in sufficient quantities for children in the Toddlers classroom, as required: 1,2, 3 & 7

1. Art supplies (excludes infants)
2. Manipulative materials and equipment
3. Blocks
4. Science-nature equipment (excludes infants)
5. Language arts and auditory materials and equipment
6. Pretend or dramatic play materials
7. Music equipment
8. Transportation materials and equipment
9. Gross motor equipment
10. Sensory motor equipment
11. School age children were not provided sufficient equipment and materials in at least five of the first nine categories above.

Technical assistance was provided at the time of the inspection, and as discussed, please correct this rule noncompliance. A written response for this rule noncompliance is not required at this time.
