

Center Licensing Inspection Full Report

All licensed child care programs are inspected at least once each year. Non-compliances are documented and grouped as Serious, Moderate or Low risk violations. Documenting statements and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the child care website at <http://jfs.ohio.gov/CDC/childcare.stm>. This includes complaint investigation reports with substantiated allegations. For any other child care records, please contact the Child Care Help Desk at 1-877-302-2347, option 4.

Summary of Non-Compliances

If the program is star rated, the rating may be impacted if a serious or moderate risk non-compliance is cited. Ohio Administrative Code 5101: 2-12-03 details the process for submitting a request for a review if a program disagrees with a licensing finding. The request for review must be submitted within seven days from the receipt of the licensing report.

Serious Risk Non-Compliances

No Serious Risk Non-Compliances were observed during this inspection

Moderate Risk Non-Compliances

Domain: 00 License & Approvals

Rule: 5101:2-12-04 Food Service Requirements

Code: The program is required to obtain and maintain a valid food license if they prepare and/or serve food. The program is required to correct any food service violations to maintain their food service license.

Finding: During the inspection, it was determined that the program failed to obtain or maintain a valid food service license as noted in number(s) 3 below:

1. The program was unable to obtain the food service license due to violations.
2. The program was unable to maintain the food service license due to violations.
3. The program prepared and/or served food without obtaining a valid food service license for the new location of the kitchen. The local health department must be contacted so the health official may determine if the new location of the kitchen meets the requirements for a Food Service License.

Submit the program's corrective action plan, which includes a copy of the food service license for the location of the new kitchen or exemption status, to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 02/06/2022

Domain: 01 Ratio & Supervision

Rule: 5101:2-12-18 Ratio

Code: The program is required to maintain the appropriate staff to child ratio for each group served.

Finding: During the inspection, a ratio of 1 child care staff member(s) for 8 children was determined to have occurred for the infant group when the situation in number(s) 1 below occurred:

1. A child care staff member stepped out of the room.
2. A child care staff member had not arrived at work on time.
3. Children were present who were not scheduled to be there.
4. A child care staff member was unable to work.
5. A child was injured in that group.
6. A child arrived in the group before a second staff member was scheduled to arrive with the group.
7. Two groups were combined, and the program did not follow the ratio for the youngest child in the group.
8. A child was transitioning to the next older age group, and the program did not follow the ratio for the youngest child in the group.
9. Ratio was doubled for more than two hours while children were napping.
10. Ratio was doubled while children were napping for a group that included at least one infant.
11. Ratio was doubled while children were napping and there were not enough staff members in the building to meet staff/child ratio.
12. Ratio was doubled in the school age group to allow access to the program, however, the program does not serve only school age children.
13. Both child care staff members did not have a working communication device when one staff member left the group to allow access to the school age only program.
14. The child care staff member did not return to the group after allowing access to the school age only program.
15. Other [].

Additional child care staff members must be hired or current child care staff members must be rescheduled to maintain compliance. Provide staff training. Submit the program's corrective action plan, which includes a statement that training was provided, to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 02/06/2022

Domain: 07 Diapering & Infant Care

Rule: 5101:2-12-20 Cribs

Code: The program is required to provide cribs that meet the standards specified by the United States Consumer Product Safety Commission for all infants in attendance. Cribs must be stable and have bars that meet the spacing and size requirements listed in rule. The program is required to refrain from stacking cribs that are used for sleeping infants.

Finding: During the inspection, it was determined that at least one crib in the infant area did not meet the standards set forth in the rule and the United States Consumer Product Safety Commission (CPSC) safety standards as noted in number(s) 1 below:

1. The crib was manufactured prior to June 28, 2011 and the program did not have a certificate of compliance on file.
2. The crib was broken.
3. The crib was missing hardware.
4. The crib was leaning and/or not stable.
5. The crib had corner posts that exceeded more than one sixteenth of an inch above the top of the end panel.
6. The spaces between the bars of the crib, or between the bars and end panels of a crib, exceeded two and three-eighths inches.
7. Stacked cribs were used for a sleeping infant. Repair or replace the crib(s).

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 02/06/2022

Low Risk Non-Compliances

Domain: 03 Postings & Equipment

Rule: 5101:2-12-16 Medical, Dental, and General Emergency Plan

Code: The program is required to post the fire and weather plans.

Finding: During the inspection, it was determined that the following information was not posted for item number(s) 2 below:

1. Fire alert plan, including a diagram indicating evacuation routes.
2. Weather alert plan was missing details for all the details listed in paragraph (H) of this rule
3. Weather alert plan was missing a diagram indicating evacuation routes.

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 02/06/2022

Domain: 08 Staff Files

Rule: 5101:2-12-10 Health Training Requirements

Code: The program is required to have staff complete training in child abuse and neglect recognition and prevention within sixty days of hire.

Finding: In review of the staff records, it was determined that at least one child care staff member had not completed training in child abuse and neglect recognition and prevention as noted in number(s) 2 below:

1. The training was not completed within sixty days of hire.
2. The training was expired, as it is only valid for two years.

Refer to the Employee Record Chart for the name(s) of the child care staff member(s) who must complete training in child abuse and neglect recognition and prevention. Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 02/06/2022

Domain: 08 Staff Files

Rule: 5101:2-12-07 Administrator Responsibilities/Requirements

Code: The program is required to have the current rules available in a noticeable area.

Finding: During the inspection, it was determined the current licensing rules were not available or available in a noticeable area on the premises. Technical assistance was provided at the time of the inspection, and as discussed, please correct this rule noncompliance. A written response for this rule noncompliance is not required at this time.

Domain: 10 Written Policies & Procedures

Rule: 5101:2-12-16 Written Disaster Plan

Code: The program is required to have a written disaster plan.

Finding: During the inspection, it was determined the program's written disaster plan did not meet the requirement or was missing the information in number(s) 1 below:

Procedures:

1. The written disaster plan had not been completed
2. The plan was not provided to all child care staff and employees
3. The plan was not used to respond to an emergency or disaster situation
4. Weather emergencies and natural disasters which include severe thunderstorms, tornadoes, flash flooding, major snowfall, blizzards, ice storms or earthquakes
5. Emergency outdoor and indoor lockdown or evacuation due to threats of violence which includes active shooter, bioterrorism or terrorism
