

Center Licensing Inspection Full Report

All licensed child care programs are inspected at least once each year. Non-compliances are documented and grouped as Serious, Moderate or Low risk violations. Documenting statements and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the child care website at <http://jfs.ohio.gov/CDC/childcare.stm>. This includes complaint investigation reports with substantiated allegations. For any other child care records, please contact the Child Care Help Desk at 1-877-302-2347, option 4.

Summary of Non-Compliances

If the program is star rated, the rating may be impacted if a serious or moderate risk non-compliance is cited. Ohio Administrative Code 5101: 2-12-03 details the process for submitting a request for a review if a program disagrees with a licensing finding. The request for review must be submitted within seven days from the receipt of the licensing report.

Serious Risk Non-Compliances

No Serious Risk Non-Compliances were observed during this inspection

Moderate Risk Non-Compliances

Domain: 01 Ratio & Supervision

Rule: 5101:2-12-18 Ratio

Code: The program is required to maintain the appropriate staff to child ratio for each group served.

Finding: During the inspection, a ratio of 1 child care staff member(s) for 21 children was determined to have occurred for the SA group when the situation in number(s) 1 below occurred:

1. A child care staff member stepped out of the room.
2. A child care staff member had not arrived at work on time.
3. Children were present who were not scheduled to be there.
4. A child care staff member was unable to work.
5. A child was injured in that group.
6. A child arrived in the group before a second staff member was scheduled to arrive with the group.
7. Two groups were combined, and the program did not follow the ratio for the youngest child in the group.
8. A child was transitioning to the next older age group, and the program did not follow the ratio for the youngest child in the group.
9. Ratio was doubled for more than two hours while children were napping.
10. Ratio was doubled while children were napping for a group that included at least one infant.
11. Ratio was doubled while children were napping and there were not enough staff members in the building to meet staff/child ratio.

12. Ratio was doubled in the school age group to allow access to the program, however, the program does not serve only school age children.
13. Both child care staff members did not have a working communication device when one staff member left the group to allow access to the school age only program.
14. The child care staff member did not return to the group after allowing access to the school age only program.
15. Other [].

Additional child care staff members must be hired or current child care staff members must be rescheduled to maintain compliance. Provide staff training. Submit the program's corrective action plan, which includes a statement that training was provided, to the Department to verify compliance with the requirements of this rule.

Domain: 09 Children's Files

Rule: 5101:2-12-25 Medication Administration

Code: The program is required to use the appropriate form and retain current documentation to administer medications. The program is also required to obtain separate documentation for each medication and child, and retain on file each JFS 01217 "Request for Administration of Medication for Child Care" for at least one year. The program is required to administer medication only if it has the prescription label attached or has written instructions from a licensed physician. The program is also required to have each medication to be administered stored in its original container.

Finding: During the inspection, it was determined the program did not meet the requirement(s) for administering a medication or medical food that is not required by a JFS 01236 "Child Medical/Physical Care Plan for Child Care" or a prescription topical product to a child as noted in number(s) 1 below:

1. No JFS 01217 "Request for Administration of Medication for Child Care" was on file.
2. The child's name was missing on the JFS 01217.
3. The child's date of birth was missing on the JFS 01217 and was needed to determine the correct dosage.
4. The child's weight was missing on the JFS 01217 and was needed to determine the correct dosage.
5. The name of the medication was missing on the JFS 01217.
6. The exact dose was missing on the JFS 01217.
7. The time to administer was missing on the JFS 01217.
8. The time period to administer was missing on the JFS 01217.
9. The medication's expiration date was missing on the JFS 01217.
10. The Parent/Guardian's dated signature was missing on the JFS 01217.
11. Physician instructions were missing on the JFS 01217.
12. Possible side effects were missing on the JFS 01217.
13. Physician's dated signature was missing on the JFS 01217.
14. Physician's phone number was missing on the JFS 01217.
15. Date medication was administered was missing on the JFS 01217.
16. Time medication was administered was missing on the JFS 01217.
17. Dosage administered was missing on the JFS 01217.
18. Staff member's signature was missing on the JFS 01217.

19. A prescription label was not attached to the prescription medication.
20. The medication or product, [], was not brought to the program in its original container.
21. Parent instructions conflict with either the manufacturer or physician instructions.

Submit the program's corrective action plan, which includes the completed JFS 01217 for each child needed, verification that the prescription label is now attached, and/or verification that the medication or product is now in its original container, and a statement that training was provided, to the Department to verify compliance with the requirements of this rule.

Rule: 5101:2-12-15 Medical/Physical Care Plans

Code: The program is required to have a completed JFS 01236 "Child Medical/Physical Care Plan for Child Care" on file at the program for any child having a health condition. The program is required to implement and/or follow instructions on the JFS 01236 for a child with a health condition.

Finding: A written, signed and dated JFS 01236 "Child Medical/Physical Care Plan for Child Care" must be on file for any child having health conditions which require monitoring for symptoms, or a medical procedure be performed, or ongoing administration of medication or medical foods at the program. In review of the children's records, it was determined that the required written information was either not on file, implemented or followed, for at least one child indicated on the Children Records Review, as noted in number(s) 25 below:

1. No plan was on file.
2. Child's name was missing.
3. Child's date of birth was missing.
4. Name of the condition was missing.
5. Indication if medication is required was missing.
6. Symptoms to watch for were missing.
7. Directions for when should the medication or medical food be administered were missing.
8. Instructions for administration were missing.
9. Conditions that trigger the need for medication or medical foods were missing.
10. Expected results of the medication or medical food were missing.
11. Actions to be taken if the symptoms do not subside were missing.
12. Activities, foods, environmental conditions to avoid were missing.
13. Training instructions were missing.
14. Directions for action to be taken if expected result of medication or medical food does not occur were missing.
15. Instructions regarding emergency evacuation, if applicable, were missing.
16. Dated signature of parent was missing.
17. Dated signature of certified professional who trained the program staff was missing, if parent was not the trainer.
18. Printed name(s)/Dated signature(s) of child care staff member(s) trained to perform the procedure were missing.
19. Dated signature(s) of administrator was missing.

20. Name of any applicable medication was missing.
21. Date medication was administered was missing.
22. Time medication was administered was missing.
23. Dosage administered was missing.
24. Signature of staff member who administered the medication was missing.
25. Medication listed in the procedures to follow was not onsite available to administer as instructed and alternate instructions for this situation were not included on the plan.
26. The plan was not implemented.
27. The plan was not able to be implemented due to conflicting information.
28. The plan was not followed.

Submit the program's corrective action plan, which includes a copy of the completed JFS 01236, to the Department to verify compliance with the requirements of this rule.

Domain: 03 Postings & Equipment

Rule: 5101:2-12-17 Materials and Equipment

Code: The program is required to have an area for children to store their belongings.

Finding: During the inspection, it was determined that the program did not have designated storage areas for children's personal belongings. The rule requires that an area be designated where children can individually store their personal belongings. This area shall not block walkways or evacuation routes. Technical assistance was provided at the time of the inspection, and as discussed, please correct this rule noncompliance. A written response for this rule noncompliance is not required at this time.

Domain: 05 Health & Safety

Rule: 5101:2-12-22 Meal and Snack Requirements

Code: The program is required to refrain from using televisions, computers, and other screens during meals and snacks.

Finding: During the inspection it was determined that children's computers were on during meals and snacks. Technical assistance was provided at the time of the inspection, and as discussed, please correct this rule noncompliance. A written response for this rule noncompliance is not required at this time.

Domain: 05 Health & Safety

Rule: 5101:2-12-22 Meal and Snack Requirements

Code: The program is required to post the current weekly menu in a noticeable location that is accessible to parents and note any substitutions at the time of the change.

Finding: During the inspection, it was determined that the program's weekly menu did not meet the requirement as noted in number(s) 1 below.

1. The menu was not posted.
2. The posted menu was not in a visible place readily accessible to parents.
3. The menu was not currently dated.
4. The entire menu was substituted.
5. At least one item on menu did not match what was served.
6. The meal or snack served did not match the posted menu.

Technical assistance was provided at the time of the inspection, and as discussed, please correct this rule noncompliance. A written response for this rule noncompliance is not required at this time.

Domain: 08 Staff Files

Rule: 5101:2-12-07 Administrator Responsibilities/Requirements

Code: The program is required to maintain documentation onsite at the program for each employee.

Finding: During the inspection, it was determined that required staff record documentation was not on file at the program, and was not verified in the OPR, for the employee(s) listed on the Employee Record Chart. The documentation was able to be verified as noted in number(s) 2 below:

1. The information had been verified at the previous inspection.
2. The information was provided from another location during the inspection.

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.
