

Licensing Inspection Full Report

All licensed early care and education programs are inspected at least once each year. Non-compliances are documented and grouped by risk level. Documenting statements, technical assistance provided and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the Department of Children & Youth website at <https://childcaresearch.ohio.gov/>. This includes complaint investigation reports with substantiated allegations. For any other early care and education records, please contact the Family and Customer Support Center at 1-844-234-5437.

Summary of Non-Compliances

If a program disagrees with a licensing finding, the program may request a review of the finding(s). Ohio Administrative Code 5180:2-12-03, 5180:2-13-03, 5180:2-19-10 and 5180:2-20-02 detail the process for submitting a request for review. The request for review must be submitted within ten business days from the receipt of the licensing report. In addition, if the program is Step Up To Quality rated, the rating may be impacted if a serious or moderate risk non-compliance is cited.

Serious Risk Non-Compliances

A serious risk non-compliance is a licensing rule violation that has the potential to lead to a great risk of harm to a child and is observable and/or based on facts.

No serious risk non-compliances were observed during this inspection

Moderate Risk Non-Compliances

A moderate risk non-compliance is a licensing rule violation that has the potential to lead to a great risk of harm to a child and is observable and/or based on facts.

Domain: 09 Children's Files

Rule: 5180:2-12-15 Child Health Care Plans

Requirement: The program is required to have a completed DCY 01236 or equivalent form on file at the program for any child having a health condition and must implement and/or follow instructions on the plan. The program is required to have staff trained to perform the procedures on the form present at the program when the child requiring the procedure is onsite. Only staff who have been trained shall be permitted to perform the procedures listed on the form.

Finding: In review of the children's records, it was determined the program did not meet the requirements for caring for at least one child, indicated on the Children's Records Review, with a condition that requires a DCY 01236 "Health Care Plan Documentation & Permission to Administer Medication" or equivalent form.

The following was observed: The plan was not able to be implemented due to conflicting information, medication equipment was not onsite.

Provide staff training. Submit the program's corrective action plan, which includes a copy of the completed DCY 01236 or equivalent form, to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 08/14/2026

Other Non-Compliances

This section includes other rule violations that are observable and/or based on facts.

Domain: 01 Ratio & Supervision

Rule: 5180:2-12-19 Supervision

Requirement: The program staff is required to supervise children in their assigned group by sight and hearing. Supervision includes being near enough to respond and reach children immediately including responding to the child's basic needs and protecting them from harm.

Finding: During the inspection, it was determined that children were not being properly supervised.

The following was observed: Situational awareness was not maintained by a staff member during indoor play.

Provide staff training. Submit the program's corrective action plan, which includes a statement that training was provided, to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 08/14/2026

Domain: 02 Safe & Sanitary Environment

Rule: 5180:2-12-12 Safe Equipment

Requirement: The program is required to use equipment, that is safe and hazard free, according to the manufacturer's guidelines. Fans, air conditioners, heat pumps, and space heaters must be inaccessible to children. The program is required to refrain from using trampolines, ball pits and inflatable equipment intended for climbing and bouncing, including but not limited to slides and bounce houses.

Finding: During the inspection, equipment was determined to be unsafe, hazardous to children, or in need of repair.

The following was observed: The straps were attached but were not used on the highchair in the infant room.

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 08/14/2026

Domain: 03 Postings & Equipment

Rule: 5180:2-12-16 Emergency Postings

Requirement: The program is required to post the fire and weather plans.

Finding: During the inspection, it was determined that the following information was not posted for item number 1 and 2 below:

1. Fire alert plan, including a diagram indicating evacuation routes.
2. Weather alert plan was not posted.

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 08/14/2026

Domain: 07 Diapering & Infant Care

Rule: 5180:2-12-23 2026 Diapering and Toilet Training - Supplies

Requirement: The program staff is required to have adequate supplies for diapering available.

Finding: During the inspection, it was determined the required supplies were not available for diaper changing. It was determined that the program was not storing soiled diapers according to the rule, in that the program did not meet the following condition: Kept out of reach of children

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 08/14/2026

Domain: 08 Staff Files

Rule: 5180:2-12-10 Health Training Requirements

Requirement: The program is required to have all child care staff members complete training in child abuse and neglect recognition and prevention within sixty days of hire. Staff must complete training in first aid and CPR within the first ninety days of hire.

Finding: In review of the staff records, it was determined that at least one child care staff member had not completed required health and safety training.

The following was observed:

- Child abuse and neglect recognition and prevention training was not completed within sixty days of hire
- First aid training was not completed within ninety days of hire
- Cardiopulmonary resuscitation (CPR) training was not completed within ninety days of hire
- The child abuse and neglect recognition and prevention training was expired
- The first aid training was expired
- The CPR training was expired

Refer to the Employee Record Chart for the name(s) of the child care staff member(s) who must complete the required health and safety training(s). Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Technical Assistance Provided

This section documents technical assistance provided to the program when the program demonstrated an overall level of compliance with a rule requirement.

Domain: 03 Postings & Equipment

Rule: 5180:2-12-17 Materials and Equipment

Requirement: The program is required to have quiet areas available.

Findings: During the inspection, it was determined the program did not have a designated quiet area as required. Technical assistance was offered to support compliance. As discussed, please make the necessary corrections. A written response is not required at this time.

Domain: 07 Diapering & Infant Care

Rule: 5180:2-12-23 Infant Bottle and Food Preparation

Requirement: The program staff is required to follow the practices preferred by the parents.

Findings: During the inspection, it was determined the program does not have feeding preferences/instructions from parents or does not update them. Technical assistance was offered to support compliance. As discussed, please make the necessary corrections. A written response is not required at this time.

Domain: 10 Written Policies & Procedures

Rule: 5180:2-12-07 Written Program Policies and Procedures

Requirement: The program's policies and procedures are required to include all topics outlined in rule.

Findings: During the inspection, it was determined the program's policies and procedures handbook does not contain all items as required. Technical assistance was offered to support compliance (• Social media policy including, but not limited to, addressing publication of child photos or other identifying information, if applicable. • Usage of emergency medical devices and emergency medications, including but not limited to Automated External Defibrillators (AED) and Naloxone, if applicable.).

As discussed, please make the necessary corrections. A written response is not required at this time.
