

Center Licensing Inspection Full Report

All licensed child care programs are inspected at least once each year. Non-compliances are documented and grouped as Serious, Moderate or Low risk violations. Documenting statements and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the child care website at http://jfs.ohio.gov/CDC/childcare.stm. This includes complaint investigation reports with substantiated allegations. For any other child care records, please contact the Child Care Help Desk at 1-877-302-2347, option 4.

Summary of Non-Compliances

If a program disagrees with a licensing finding, the program may request a review of the finding(s). Ohio Administrative Code 5101:2-12-03 and 5101:2-13-03 detail the process for submitting a request for review. The request for review must be submitted within seven business days from the receipt of the licensing report. In addition, if the program is star rated, the rating may be impacted if a serious or moderate risk non-compliance is cited.

Moderate Risk Non-Compliances

Domain: 08 Staff Files

Rule: 5101:2-12-09 Background Check Requirements

<u>Code</u>: The program is required to have all staff request background checks as required and receive a JFS 01176 or preliminary approval from ODJFS prior to allowing an individual to engage in assigned duties or be near children.

<u>Finding</u>: In review of the staff records, it was determined that background checks did not meet the requirements of the rule for the person(s) listed on the Employee Record Chart as noted in number(s) 1 below:

- 1. The request for a background check for child care was not submitted in the OPR.
- 2. The fingerprints were not submitted electronically according to the process established by BCI.
- 3. The individual(s) had engaged in assigned duties or were near children and preliminary approval from ODJFS was not on file.
- 4. Background checks were not updated every five years.

Submit the program's corrective action plan, which includes a copy of the JFS 01176, or a copy of the preliminary approval or a statement that the individual(s) are no longer engaged in assigned duties and are not near children until the preliminary approval has been received, to the Department to verify compliance with the requirements of this rule.

Low Risk Non-Compliances

Domain: 08 Staff Files

Rule: 5101:2-12-08 Medical Statement

Code: The program staff's medical statements are required to be completed and on file at the program.

<u>Finding</u>: In review of the staff records, it was determined that the medical statements for the employees listed on the Employee Record Chart did not meet the requirements as listed in number(s) 4,5 below.

- 1. A medical statement was not on file for at least one employee;
- 2. The medical statement(s) on file did not have a date of examination within 12 months of the employee's first day of employment;
- 3. Date of examination was missing;
- 4. Signature, business address, or telephone number of the licensed physician, physician assistant, advanced practice nurse, certified midwife, or certified nurse practitioner who completed the examination was missing;
- 5. A statement was missing that verifies the employee is:
- a. Physically fit for employment in a program caring for children;
- b. Immunized against Tetanus, Diphtheria, Pertussis (Tdap);
- c. Immunized against Measles, Mumps, and Rubella (MMR);
- 6. Tuberculosis (TB) screening/test information was missing:
- a. Documentation of the screening process to determine if the employee resided in a country identified by the world health organization as having a high burden of TB and arrived in the United States within the five years preceding the date of application for employment.
- b. Results of a TB test for employees meeting both criteria in 6a.
- c. Results of additional testing for employees with a positive TB test.
- d. Written statement, signed by a representative of the TB control unit, that the employee's TB is no longer infectious or the individual is receiving a TB treatment regimen for employees with a positive TB test.

Submit the program's corrective action plan, which includes a copy of the completed employee medical statement, or TB results/documentation, to the Department to verify compliance with the requirements of this rule.

Rule: 5101:2-12-08 Orientation Training & Whistle Blower Protection

<u>Code</u>: The program is required to have staff complete the online staff orientation training. Additionally, the training must be completed before they are permitted to have sole responsibility of children.

<u>Finding</u>: In review of the staff records, it was determined that child care staff member(s) did not meet the requirements for completing the online orientation training as noted in number(s) 1 below:

- 1. The training was not completed within 30 days of starting employment at the program as a child care staff member.
- 2. Documentation of completing the training after December 31, 2016 was not on file.
- 3. Completion of the training was not verified in the OPR.
- 4. A child care staff member had sole responsibility of children and had not completed the online orientation.

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Rule: 5101:2-12-08 Child Care Staff Member Educational Requirements

<u>Code</u>: The program staff is required to have educational verification on file at the program.

<u>Finding</u>: In review of the staff records, it was determined that verification of a high school education for the child care staff member(s) listed on the Employee Record Chart, did not meet the requirements as listed in number(s) 3 below:

- 1. Verification of completion of a high school education was not on file.
- 2. Documentation was incomplete or not on file for a high school junior or senior who is enrolled in a career-technical program.
- 3. Documentation was not on file for a high school junior or senior who is also enrolled in a college credit program in child development or early childhood education.
- 4. Documentation was not on file for a high school junior or senior who is enrolled in a Child Development Associate (CDA) training program.

Submit the program's corrective action plan, which includes a copy of the education verification, to the Department to verify compliance with the requirements of this rule.

Rule: 5101:2-12-10 Professional Development Requirements

<u>Code</u>: The program is required to ensure child care staff members, including substitutes used more than ninety days annually, obtain at least 6 hours of professional development each state fiscal year.

<u>Finding</u>: In review of the staff records, it was determined that at least one child care staff member did not meet the annual professional development requirement as noted in number(s) 1,2 below:

- 1. The child care staff member(s) had not completed at least six hours of professional development.
- 2. Documentation did not demonstrate the person who provided the training met the trainer qualifications as stated in the rule.
- 3. Training topic did not meet the requirements listed in appendix A of this rule.
- 4. Documentation of training did not meet the requirements of this rule.
- 5. The substitute(s) had been used more than ninety days annually between July first and June thirtieth and had not completed at least six hours of professional development

6. Other [].

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Rule: 5101:2-12-10 Health Training Requirements

<u>Code</u>: The program is required to have all child care staff members complete training in child abuse and neglect recognition and prevention within sixty days of hire. Staff must complete training in first aid and CPR within the first ninety days of hire.

<u>Finding</u>: In review of the staff records, it was determined that at least one child care staff member had not completed required health and safety training as noted in number(s) 1-4 below:

- 1. Child abuse and neglect recognition and prevention training was not completed within sixty days of hire.
- 2. First aid training was not completed within ninety days of hire.
- 3. Cardiopulmonary resuscitation (CPR) training was not completed within ninety days of hire.
- 4. The child abuse and neglect recognition and prevention training was expired.
- 5. The first aid training was expired.
- 6. The CPR training was expired.

Refer to the Employee Record Chart for the name(s) of the child care staff member(s) who must complete the required health and safety training(s). Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.
