

Center Complaint Inspection Summary Report

All licensed child care programs are inspected at least once each year. Non-compliances are documented and grouped as Serious, Moderate or Low risk violations. Documenting statements and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the child care website at <http://jfs.ohio.gov/CDC/childcare.stm>. This includes complaint investigation reports with substantiated allegations. For any other child care records, please contact the Child Care Help Desk at 1-877-302-2347, option 4.

Complaint Allegations

If a program disagrees with a licensing finding, the program may request a review of the finding(s). Ohio Administrative Code 5101:2-12-03 and 5101:2-13-03 detail the process for submitting a request for review. The request for review must be submitted within seven business days from the receipt of the licensing report. In addition, if the program is star rated, the rating may be impacted if a serious or moderate risk non-compliance is cited.

Domain:02 Safe & Sanitary Environment

Rule: 5101:2-12-12 Safe Environment

Code: The program is required to provide ventilation to protect from rodents, insects, and other hazards.

Allegation: It was alleged that the ventilation methods used did not protect from paint fumes.

Determination: Substantiated

Findings: Adequate, safe ventilation is necessary to provide protection from rodents, insects, and other hazards. During the inspection, it was determined that methods of ventilation used did not provide protection from paint fumes, or other hazards. Technical assistance was provided at the time of the inspection, and as discussed, please correct this rule noncompliance. A written response for this rule noncompliance is not required at this time.

Risk Level: Low
