

Center Complaint Inspection Summary Report

All licensed child care programs are inspected at least once each year. Non-compliances are documented and grouped as Serious, Moderate or Low risk violations. Documenting statements and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the child care website at <http://jfs.ohio.gov/CDC/childcare.stm>. This includes complaint investigation reports with substantiated allegations. For any other child care records, please contact the Child Care Help Desk at 1-877-302-2347, option 4.

Complaint Allegations

If a program disagrees with a licensing finding, the program may request a review of the finding(s). Ohio Administrative Code 5101:2-12-03 and 5101:2-13-03 detail the process for submitting a request for review. The request for review must be submitted within seven business days from the receipt of the licensing report. In addition, if the program is star rated, the rating may be impacted if a serious or moderate risk non-compliance is cited.

Domain:07 Diapering & Infant Care

Rule: 5101:2-12-23 Infant Bottle and Food Preparation

Code: The program staff is required to follow the practices preferred by the parents.

Allegation: Caller alleged parents instructions were not followed by the program.

Determination: Substantiated

Findings: During the inspection, it was determined that the feeding practices used by child care staff members were not in accordance with parental preferences, in that parent preferences were not followed by the program and were not available to the infant room teaching staff. Technical assistance was provided at the time of the inspection, and as discussed, please correct this rule noncompliance by ensuring all infant room staff receive copies of infant records. A written response for this rule noncompliance is required at this time.

Risk Level: Low

Corrective Action Plan Due: 01/11/2023
