Department of Children & Youth

Licensing Inspection Full Report

All licensed early care and education programs are inspected at least once each year. Non-compliances are documented and grouped by risk level. Documenting statements, technical assistance provided and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the Department of Children & Youth website at https://childcaresearch.ohio.gov/ . This includes complaint investigation reports with substantiated allegations. For any other early care and education records, please contact the Family and Customer Support Center at 1-844-234-5437.

Summary of Non-Compliances

If a program disagrees with a licensing finding, the program may request a review of the finding(s). Ohio Administrative Code 5180:2-12-03, 5180:2-13-03, 5180:2-19-10 and 5180:2-20-02 detail the process for submitting a request for review. The request for review must be submitted within ten business days from the receipt of the licensing report. In addition, if the program is Step Up To Quality rated, the rating may be impacted if a serious or moderate risk non-compliance is cited.

Serious Risk Non-Compliances

A serious risk non-compliance is a licensing rule violation that has the potential to lead to a great risk of harm to a child and is observable and/or based on facts.

No serious risk non-compliances were observed during this inspection

Moderate Risk Non-Compliances

A moderate risk non-compliance is a licensing rule violation that has the potential to lead to a great risk of harm to a child and is observable and/or based on facts.

Rule: 5180:2-12-25 Medication Documentation

Requirement: The program is required to obtain parent permission and retain current documentation to administer medications. The program is required to administer medication only if it has the prescription label attached or had written instructions from a licensed physician. The program is also required to have each medication to be administered stored in its original container.

Finding: During the inspection, it was determined the program did not meet the requirement(s) for administering a medication or medical food or a prescription topical product to a child.

The following was observed: physician instructions were expired on the prescription label as required by rule

Submit the program's corrective action plan, which includes the completed written parent permission for each child needed, record of medication administration, verification that the prescription label is now attached, and/or verification that the medication or product is now in its original container, and a statement that training was provided, to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 12/20/2026

Other Non-Compliances

This section includes other rule violations that are observable and/or based on facts.

Domain: **01 Ratio & Supervision**

Rule: 5180:2-12-18 Attendance Records

Requirement: The program is required to maintain a record of the arrival and departure of each child. The program is also required to retain the original attendance record at the center for a period of one year.

Finding: During the inspection, it was determined the program did not meet the requirements for keeping an attendance record.

The following was observed: Child was not signed in at arrival in PK.

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 12/20/2026

Domain: **02 Safe & Sanitary Environment**

Rule: 5180:2-12-13 Sanitary Equipment and Environment

Requirement: The program is required to follow the cleaning schedule for equipment.

Finding: During the inspection, it was determined that the environment, furniture, materials, and/or equipment were not kept in a sanitary condition at all times.

The following was observed: diaper changing stations were not cleaned and sanitized between use, the changing pad in Tod B was stuck to the equipment.

Toddler A was reusing a washcloth for wiping sanitizer from tables.

The center shall be cleaned daily. Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 12/20/2026

Domain: **02 Safe & Sanitary Environment**

Rule: 5180:2-12-13 Sanitary Equipment and Environment

Requirement: The program is required to provide equipment and materials that are easy to clean.

Finding: During the inspection, it was determined that at least one piece of equipment, furnishings, or material at the program was not constructed of materials to facilitate cleaning.

The following was observed: the material had a tear, green chairs in SA.

Equipment, furnishings, and furniture shall be constructed of materials to facilitate cleaning. Submit the program's corrective action plan to the Department to verify compliance with the requirement of this rule.

Corrective Action Plan Due: 12/20/2026

Domain: **04 Indoor/Outdoor Space**

Rule: 5180:2-12-11 Outdoor Play Fall Zones

Requirement: The program is required to provide fall zones around equipment to prevent injury if a child were to fall.

Finding: During the inspection, it was determined the fall zone under and around equipment designated for climbing, swinging, balancing and sliding did not meet the requirements.

The following was observed: there was not a fall zone of 6 feet in all directions from the perimeter of the equipment used by children 24 months of age and older. (slide)

The program is required to provide adequate fall zones under and around outdoor play equipment at all times. Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.
