Department of Children & Youth

# Licensing Inspection Full Report

All licensed early care and education programs are inspected at least once each year. Non-compliances are documented and grouped by risk level. Documenting statements, technical assistance provided and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the Department of Children & Youth website at https://childcaresearch.ohio.gov/ . This includes complaint investigation reports with substantiated allegations. For any other early care and education records, please contact the Family and Customer Support Center at 1-844-234-5437.

## Summary of Non-Compliances

*If a program disagrees with a licensing finding, the program may request a review of the finding(s). Ohio Administrative Code 5180:2-12-03, 5180:2-13-03, 5180:2-19-10 and 5180:2-20-02 detail the process for submitting a request for review. The request for review must be submitted within ten business days from the receipt of the licensing report. In addition, if the program is Step Up To Quality rated, the rating may be impacted if a serious or moderate risk non-compliance is cited.*

## Serious Risk Non-Compliances

A serious risk non-compliance is a licensing rule violation that has the potential to lead to a great risk of harm to a child and is observable and/or based on facts.

**Domain**: **01 Ratio & Supervision**

Rule: 5180:2-12-19 Supervision

Requirement: The program staff is required to protect or remove a child from a situation and/or person that are determined to be unsafe and keep children safe from a potential serious incident or injury.

Finding: During the inspection, it was determined the administrator, child-care staff, and/or employees of the program did not protect or remove a child from a situation and/or person determined to be unsafe, which resulted in a serious incident or injury to a child.

The following was observed: the program self-reported that a child found an aspirin and put it in their mouth.

All program employees must take actions to protect children in care. Provide staff training

Rule 5180:2-12-03 requires the program to notify parents when a serious risk non-compliance is cited. The notification must inform parents of the serious risk non-compliance and include the Department of Children and Youth website and location of further information regarding the determination. Submit the program's corrective action plan, which includes a statement that training was provided and a copy of the written parent notification, to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 10/21/2026

Ohio Department of Children & Youth

## Moderate Risk Non-Compliances

A moderate risk non-compliance is a licensing rule violation that has the potential to lead to a great risk of harm to a child and is observable and/or based on facts.

**No moderate risk non-compliances were observed during this inspection**

## Other Non-Compliances

This section includes other rule violations that are observable and/or based on facts.

**No other non-compliances were observed during this inspection**

## Technical Assistance Provided

This section documents technical assistance provided to the program when the program demonstrated an overall level of compliance with a rule requirement.

Department of Children & Youth

## In Compliance/Not Verified/Previously Verified/Not Applicable

This section documents rule requirements that were assessed as fully compliant, previously verified, not verified during this inspection or not applicable to the program.
