

Center Complaint Inspection Summary Report

All licensed child care programs are inspected at least once each year. Non-compliances are documented and grouped as Serious, Moderate or Low risk violations. Documenting statements and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the child care website at <http://jfs.ohio.gov/CDC/childcare.stm>. This includes complaint investigation reports with substantiated allegations. For any other child care records, please contact the Child Care Help Desk at 1-877-302-2347, option 4.

Complaint Allegations

If a program disagrees with a licensing finding, the program may request a review of the finding(s). Ohio Administrative Code 5101:2-12-03 and 5101:2-13-03 detail the process for submitting a request for review. The request for review must be submitted within seven business days from the receipt of the licensing report. In addition, if the program is star rated, the rating may be impacted if a serious or moderate risk non-compliance is cited.

Domain:02 Safe & Sanitary Environment

Rule: 5180:2-12-13 Smoke Free Environment
Code: The program is required to prohibit smoking on the premises.

Allegation: A staff person was vaping in the classroom where children were present.

Determination: Substantiated

Findings: During the inspection, smoking was determined to be on the premises of the program, and the program did not have an indoor area that was separately ventilated. A staff person was in a classroom with infants. In a written statement, a staff person reported that during a moment of stress, they did use their vape pen in the closet of the classroom. Technical assistance was provided at the time of the inspection, and as discussed, please correct this rule noncompliance. A written response for this rule noncompliance is required at this time. Please submit a written statement verifying staff have been trained on this rule.

Risk Level: Low
