### Complaint Allegations

*If a program disagrees with a licensing finding, the program may request a review of the finding(s). Ohio Administrative Code 5101:2-12-03 and 5101:2-13-03 detail the process for submitting a request for review. The request for review must be submitted within seven business days from the receipt of the licensing report. In addition, if the program is star rated, the rating may be impacted if a serious or moderate risk non-compliance is cited.*

#### Domain:01 Ratio & Supervision

Rule: 5180:2-12-19 Supervision

Code: The program staff are not permitted to leave children unattended.

**Allegation:** The complainant alleged the program did not properly supervise children on a field trip.

**Determination:** Substantiated

**Findings:** During the inspection, it was determined that children were not supervised while outside the program as noted in number 7 below:

1. Child(ren) left unattended outside the facility building.
2. Child(ren) left unattended outside the facility building more than once.
3. Child(ren) left unattended off the program's premises.
4. Child(ren) left unattended during a swimming activity.
5. Child(ren) left unattended in a vehicle.
6. Child(ren) left unattended inside the building and no adults were present in the building.
7. Other: Children were allowed to use a public restroom at the park in pairs of two without supervision by sight and sound while on a field trip. The restroom was not checked by childcare staff to ensure it was empty prior to children using it and the program did not have exclusive use of the restroom.

Children must be supervised and within sight and hearing of a child care staff member at all times. Provide staff training.

Rule 5180:2-12-03 requires the program to notify parents when a serious risk non-compliance is cited. The notification must inform parents of the serious risk non-compliance and include the Department of Children and Youth website and location of further information regarding the determination. Submit the program's corrective action plan, which includes a statement that training was provided and a copy of the written parent notification, to the Department to verify compliance with the requirements of this rule.
