

Center Licensing Inspection Full Report

All licensed child care programs are inspected at least once each year. Non-compliances are documented and grouped as Serious, Moderate or Low risk violations. Documenting statements and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the child care website at <http://jfs.ohio.gov/CDC/childcare.stm>. This includes complaint investigation reports with substantiated allegations. For any other child care records, please contact the Child Care Help Desk at 1-877-302-2347, option 4.

Summary of Non-Compliances

If a program disagrees with a licensing finding, the program may request a review of the finding(s). Ohio Administrative Code 5101:2-12-03 and 5101:2-13-03 detail the process for submitting a request for review. The request for review must be submitted within seven business days from the receipt of the licensing report. In addition, if the program is star rated, the rating may be impacted if a serious or moderate risk non-compliance is cited.

Serious Risk Non-Compliances

No Serious Risk Non-Compliances were observed during this inspection

Moderate Risk Non-Compliances

Domain: 00 License & Approvals

Rule: 5101:2-12-04 Fire Inspection

Code: The program is required to have all spaces used for child care inspected by the fire department or the state fire marshal's office prior to serving children. The program is required to obtain a fire inspection without any uncorrected violations within 12 months from the date of the last fire inspection. If violations are noted during the inspection, the program is required to have all violations corrected and have the program re-inspected to obtain a completed fire form.

Finding: During the inspection, it was determined the program did not meet the requirements for fire inspection as noted in number(s) 1 below:

1. The program did not have documentation on file for a fire inspection without any uncorrected violations within 12 months from the date of the last fire inspection and the request for the new inspection was not made at least 30 days prior to the expiration of the previous fire inspection.
2. The documentation for the most recent fire inspection contained violations that had not been corrected.
3. The [] space was being used and had not been approved by the fire department or the state fire marshal's office for child care.

Submit the program's corrective action plan, which includes an updated fire inspection without any uncorrected violations, to the Department to verify compliance with the requirements of this rule.

Low Risk Non-Compliances

Domain: 05 Health & Safety

Rule: 5101:2-12-22 Fluid Milk Requirements

Code: The program is required to serve age-appropriate fluid milk or obtain written documentation when serving substitutions for fluid milk.

Finding: During the inspection, it was determined that required documentation for substitutions for fluid milk was not on file as noted in number(s) 5 below:

1. Written instructions from a licensed physician, physician's assistant, or certified nurse practitioner when infants up to 12 months of age are served anything other than formula or breast milk.
2. Written instructions from a licensed physician, physician's assistant, or certified nurse practitioner when infants and toddlers 12 months of age up to 24 months of age are served anything other than unflavored whole homogenized vitamin D fortified cow's milk, breast milk, or non-cow milk substitution that is nutritionally equivalent to milk.
3. Written instructions from a licensed physician, physician's assistant, or certified nurse practitioner when toddlers and children 24 months of age and older are served anything other than unflavored one per cent milk that is vitamin A and D fortified, unflavored fat free or skim milk that is vitamin A and D fortified, or non-cow milk substitutions that are nutritionally equivalent to milk.
4. Written parental consent for non-cow milk substitutions that are nutritionally equivalent to milk for children 12 months of age and older.
5. The program did not have the type of milk on-site to ensure that all children were served age-appropriate fluid milk in that whole milk was served to a child over the age of 24 months and only whole milk and chocolate milk were available.

Technical assistance was provided at the time of the inspection, and as discussed, please correct this rule noncompliance. A written response for this rule noncompliance is not required at this time.

Domain: 08 Staff Files

Rule: 5101:2-12-07 Administrator Responsibilities/Requirements

Code: The program administrator is required to maintain current employee records in the Ohio Professional Registry.

Finding: During the inspection, it was determined employment records in the Ohio Professional Registry (OPR) were not created or maintained as noted in number(s) 3, 5, 6 below:

1. At least one administrator, employee or child care staff member (including substitutes) had not created a profile.
2. At least one administrator, employee or child care staff member had not created an employment record for the program on or before their first day of employment.
3. At least one administrator, employee or child care staff member had not updated changes to positions or roles within five calendar days of the change (add lead teacher role for the one employee who serves as lead and admin).
4. The administrator had not assigned at least one employee or child care staff member to the program's organization dashboard.
5. At least one individual's schedule was not current.
6. At least one individual's position or role did not include an applicable group assignment.
7. At least one individual's employment had not been end dated.
8. Other: []

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Rule: 5101:2-12-15 Child Medical and Enrollment Records

Code: The program is required to use the updated JFS 01234 "Child Enrollment and Health Information For Child Care" .

Finding: In review of 25% of the children's records, it was determined that information had not been secured from the parent/guardian on the JFS 01234 "Child Enrollment and Health Information For Child Care", as required, for the items in number(s) 13 below.

1. No enrollment form was completed for at least one child
2. The current JFS 01234 was not completed for at least one child
3. Complete child information
4. Complete parent information

5. Complete emergency contact information
6. Complete physician information
7. Information regarding the parent list
8. Health information
9. Additional information for all boxes checked "yes"
10. Emergency transportation information
11. Parent/guardian's signature
12. Diapering Statement
13. Acknowledgement of Policies and Procedures
14. Enrollment form for at least one child was not updated by either the parent or the administrator
15. Enrollment form for at least one child was not signed by the administrator
16. Other []

Technical assistance was provided at the time of the inspection, and as discussed, please correct this rule noncompliance. A written response for this rule noncompliance is not required at this time.

Domain: 10 Written Policies & Procedures

Rule: 5101:2-12-07 Written Program Policies and Procedures

Code: The program's policies and procedures are required to include all topics outlined in rule.

Finding: During the inspection, it was determined the program's written policies and procedures provided to the parents/guardians and employees was missing item number(s) 17, 19, 20, 23, 24, 28, 29 below:

General Information

1. Program name, address, email address and telephone number.
2. Description of the program's program philosophy.
3. Days and hours of operation, scheduled closings and basic daily schedule.
4. Staff/child ratios and group size.
5. Opportunities for parent involvement in program activities.
6. Opportunities for parents to meet with teachers regarding their child.
7. Payment schedule, overtime charges and registration fees as applicable.
8. Supports for onsite breastfeeding or pumping for mothers who wish to do so (if the program serves infants or toddlers).

Program Policies and Procedures

9. Enrollment including required enrollment information.
10. Care of children without immunizations.
11. Attendance including procedures for arrival and departure, the program's absent day policy, releasing child to persons other than the parent, releasing a child according to a custody agreement and follow up when a child scheduled to arrive from another program or activity does not arrive.
12. Supervision of children, including a separate supervision policy for school-age children, if applicable.

13. Child guidance.
14. Suspension and expulsion.
15. Compliance with the Americans with Disabilities Act (ADA), including administering medication to children with disabilities and administering care procedures to children with disabilities.
16. Outdoor play, including limitations placed on outdoor play due to weather or safety issues (considerations may include but are not limited to temperature, humidity, wind chill, ozone levels, pollen count, lightning, rain or ice.)
17. Food and dietary policy, including, information regarding meeting one-third of the child's recommended daily dietary allowance, policy regarding formula, breast milk, meals and snacks, and a policy on providing supplemental food. (The handbook states that formula and jar food will be provided but in the next sentence it states that the parent must bring bottles prepared. Clarify in handbook who is providing formula and jar food.)
18. Management of illness including isolation precautions, symptoms for discharge and return and notification of parent of ill child.
19. Summary of procedures taken in the event of an emergency, serious illness or injury. (Update: All incident reports must be provided to the parent on the day of the incident. ODJFS may be notified within 24 hours.)
20. Administration of medication and topical products including medical foods, modified diets and whether school age children are permitted to carry their own medication and ointments. (Update: medication may be administered with the JFS 1217 or the JFS 1236 if the child has a health condition. Update: Topical products do require parent permission.)
21. Transportation for fieldtrips, routine trips (if applicable) and emergencies, including if the center will provide child care services to children whose parents refuse to grant consent for transportation to the source of emergency treatment.
22. Water activities/swimming.
23. Infant care, if applicable, including feeding, frequency of diaper checks and information about daily activities. (Update: Handbook indicates that blankets and toys may be brought for cribs for sleeping which contradicts rule. Update: Handbook indicates that open jar food can be kept for 24 hours but rule requires food to be disposed-of or sent home daily.)
24. Sleeping, Napping and Resting. (Update: Handbook indicates that if infant fall asleep out side of the crib, the child will be moved to the crib within 10 minutes but rule requires infant to be moved immediately.)
25. Evening and overnight care, if applicable.
26. Policy on hours of operation including closing due to weather, school delays or closings and any other factors.
27. Situations that may require disenrollment of a child, if applicable.
28. Problem or issue resolution for parents or employees to follow when needing assistance in resolving problems related to the child care program. (Add policy for employees needing assistance resolving problems.)
29. Formal screenings and assessments on enrolled children and if the program reports child level data to ODJFS pursuant to 5101:2-17-02 of the Administrative Code. (Update: The handbook indicates that the program does not do formal assessments but the program is three star rated and is required to conduct formal assessments and share the data with ODJFS.)

Revise the program's written policies and procedures to include the missing information. Submit the program's corrective action plan, which includes the revised written policies and procedures, to the Department to verify compliance with the requirements of this rule.
