

Center Licensing Inspection Full Report

All licensed child care programs are inspected at least once each year. Non-compliances are documented and grouped as Serious, Moderate or Low risk violations. Documenting statements and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the child care website at <http://jfs.ohio.gov/CDC/childcare.stm>. This includes complaint investigation reports with substantiated allegations. For any other child care records, please contact the Child Care Help Desk at 1-877-302-2347, option 4.

Summary of Non-Compliances

If the program is star rated, the rating may be impacted if a serious or moderate risk non-compliance is cited. Ohio Administrative Code 5101: 2-12-03 details the process for submitting a request for a review if a program disagrees with a licensing finding. The request for review must be submitted within seven days from the receipt of the licensing report.

Serious Risk Non-Compliances

No Serious Risk Non-Compliances were observed during this inspection

Moderate Risk Non-Compliances

Domain: 00 License & Approvals

Rule: 5101:2-12-04 Fire Inspection

Code: The program is required to have all spaces used for child care inspected by the fire department or the state fire marshal's office prior to serving children. The program is required to obtain a fire inspection without any uncorrected violations within 12 months from the date of the last fire inspection. If violations are noted during the inspection, the program is required to have all violations corrected and have the program re-inspected to obtain a completed fire form.

Finding: During the inspection, it was determined the program did not meet the requirements for fire inspection as noted in number(s) 1 below:

1. The program did not have documentation on file for a fire inspection without any uncorrected violations within 12 months from the date of the last fire inspection and the request for the new inspection was not made at least 30 days prior to the expiration of the previous fire inspection.
2. The documentation for the most recent fire inspection contained violations that had not been corrected.

3. The [] space was being used and had not been approved by the fire department or the state fire marshal's office for child care.

Submit the program's corrective action plan, which includes an updated fire inspection without any uncorrected violations, to the Department to verify compliance with the requirements of this rule.

Low Risk Non-Compliances

Domain: 07 Diapering & Infant Care

Rule: 5101:2-12-23 Infant Bottle and Food Preparation

Code: The program is required to obtain written instructions from parents regarding feeding their infant.

Finding: During the inspection, it was determined that written instructions for feeding the infants noted on the Children Record Review were missing information as noted in number(s) 1 below:

1. Written instructions were not on file.
2. Type of food and/or formula/breast milk was missing.
3. Amount of food and/or formula/breast milk was missing.
4. Feeding times or frequency of feedings was missing.
5. The written instructions on file had not been updated.

Technical assistance was provided at the time of the inspection, and as discussed, please correct this rule noncompliance. A written response for this rule noncompliance is not required at this time.

Domain: 07 Diapering & Infant Care

Rule: 5101:2-12-23 Diapering and Toilet Training

Code: The program staff is required to follow diaper changing procedures.

Finding: During this inspection, it was determined that proper diaper changing procedures were not followed as the contents of the common container became contaminated (restroom). Technical assistance was provided at

the time of the inspection, and as discussed, please correct this rule noncompliance. A written response for this rule noncompliance is not required at this time.

Domain: 07 Diapering & Infant Care

Rule: 5101:2-12-23 Infant Bottle and Food Preparation

Code: The program staff is required to label bottles containing formula or breast milk.

Finding: During the inspection, it was determined that bottles containing formula for a particular infant were not labeled with the child's name and date of preparation (date was missing). Technical assistance was provided at the time of the inspection, and as discussed, please correct this rule noncompliance. A written response for this rule noncompliance is not required at this time.

Domain: 08 Staff Files

Rule: 5101:2-12-07 Administrator Responsibilities/Requirements

Code: The program administrator is required to maintain current employee records in the Ohio Professional Registry.

Finding: During the inspection, it was determined employment records in the Ohio Professional Registry (OPR) were not created or maintained as noted in number(s) 4 and 5 below:

1. At least one administrator, employee or child care staff member (including substitutes) had not created a profile.
2. At least one administrator, employee or child care staff member had not created an employment record for the program on or before their first day of employment.
3. At least one administrator, employee or child care staff member had not updated changes to positions or roles within five calendar days of the change.
4. The administrator had not assigned at least one employee or child care staff member to the program's organization dashboard.
5. At least one individual's schedule was not current.
6. At least one individual's position or role did not include an applicable group assignment.
7. At least one individual's employment had not been end dated.
