

Center Licensing Inspection Full Report

All licensed child care programs are inspected at least once each year. Non-compliances are documented and grouped as Serious, Moderate or Low risk violations. Documenting statements and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the child care website at <http://jfs.ohio.gov/CDC/childcare.stm>. This includes complaint investigation reports with substantiated allegations. For any other child care records, please contact the Child Care Help Desk at 1-877-302-2347, option 4.

Summary of Non-Compliances

If a program disagrees with a licensing finding, the program may request a review of the finding(s). Ohio Administrative Code 5101:2-12-03 and 5101:2-13-03 detail the process for submitting a request for review. The request for review must be submitted within seven business days from the receipt of the licensing report. In addition, if the program is star rated, the rating may be impacted if a serious or moderate risk non-compliance is cited.

Serious Risk Non-Compliances

No Serious Risk Non-Compliances were observed during this inspection

Moderate Risk Non-Compliances

Domain: 01 Ratio & Supervision

Rule: 5101:2-12-18 Ratio

Code: The program is required to maintain the appropriate staff to child ratio for each group served.

Finding: During the inspection, a ratio of 1 child care staff member for 8 children was determined to have occurred for the Infant group when the situation in number 6 below occurred:

1. A child care staff member stepped out of the room.
2. A child care staff member had not arrived at work on time.
3. Children were present who were not scheduled to be there.
4. A child care staff member was unable to work.
5. A child was injured in that group.
6. Children arrived in the group before a second staff member was scheduled to arrive with the group.
7. Two groups were combined, and the program did not follow the ratio for the youngest child in the group.

8. A child was transitioning to the next older age group, and the program did not follow the ratio for the youngest child in the group.
9. Ratio was doubled for more than two hours while children were napping.
10. Ratio was doubled while children were napping for a group that included at least one infant.
11. Ratio was doubled while children were napping and there were not enough staff members in the building to meet staff/child ratio.
12. Ratio was doubled in the school age group to allow access to the program, however, the program does not serve only school age children.
13. Both child care staff members did not have a working communication device when one staff member left the group to allow access to the school age only program.
14. The child care staff member did not return to the group after allowing access to the school age only program.
15. Other [].

Additional child care staff members must be hired or current child care staff members must be rescheduled to maintain compliance. Provide staff training. Submit the program's corrective action plan, which includes a statement that training was provided, to the Department to verify compliance with the requirements of this rule.

Domain: 08 Staff Files

Rule: 5101:2-12-09 Background Check Requirements

Code: The program is required to have staff update their background checks every five years as required.

Finding: In review of the staff records, it was determined that background checks were not updated every five years for the individual(s) listed on the Employee Record Chart as noted in number 2 below:

1. Owner
2. Administrator
3. Child care staff member, employee

Submit the program's corrective action plan, which includes a copy of the JFS 01176, to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 03/09/2023

Low Risk Non-Compliances

Domain: 01 Ratio & Supervision

Rule: 5101:2-12-18 Attendance Records

Code: The program is required to have a method for tracking the children in each group. The tracking method must be updated throughout the day and kept with the group at all times.

Finding: During the inspection, it was determined that the method for tracking children in each group did not meet the requirements of the rule as noted in number 4 below:

1. There was no method in place;
2. The method did not include each child's name;
3. The method did not include each child's date of birth;
4. The tracking method did not remain with the group at all times (it was not taken with the groups when they left the room for restroom breaks);
5. The tracking method was not updated throughout the day as children entered or left the group.

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 03/09/2023

Domain: 07 Diapering & Infant Care

Rule: 5101:2-12-20 Cribs

Code: The program is required to provide a safe and sufficient barrier to separate the play and sleeping space.

Finding: During the inspection, it was determined that the barrier between the play and sleeping space did not meet the requirements as noted in number 1 below:

1. No barrier had been provided
2. The barrier did not prevent the infants from entering the sleeping area.
3. The barrier was not safe.
4. The barrier was not sturdy.
5. The barrier impaired staff's ability to see and hear all sleeping infants in their cribs.
6. The barrier was inadequate.
7. Other [].

Technical assistance was provided at the time of the inspection, and as discussed, please correct this rule noncompliance. A written response for this rule noncompliance is not required at this time.

Domain: 07 Diapering & Infant Care

Rule: 5101:2-12-23 Infant Bottle and Food Preparation

Code: The program is required to obtain written instructions from parents regarding feeding their infant.

Finding: During the inspection, it was determined that written instructions for feeding the infants noted on the Children Record Review were missing information as noted in numbers 1 & 5 below:

1. Written instructions were not on file.
2. Type of food and/or formula/breast milk was missing.
3. Amount of food and/or formula/breast milk was missing.
4. Feeding times or frequency of feedings was missing.
5. The written instructions on file had not been updated.

Technical assistance was provided at the time of the inspection, and as discussed, please correct this rule noncompliance. A written response for this rule noncompliance is not required at this time.

Domain: 08 Staff Files

Rule: 5101:2-12-08 Child Care Staff Member Educational Requirements

Code: The program staff is required to have educational verification on file at the program or in the Ohio Professional Registry.

Finding: In review of the staff records, it was determined that verification of a high school education was not on file nor verified in the Ohio Professional Registry for Child Care Staff Member(s) listed on the Employee Record Chart, as required. Submit the program's corrective action plan, which includes a copy of the verification of a high school education, to the Department to verify compliance with the requirements of this rule.
