Department of Children & Youth

Licensing Inspection Full Report

All licensed early care and education programs are inspected at least once each year. Non-compliances are documented and grouped by risk level. Documenting statements, technical assistance provided and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the Department of Children & Youth website at https://childcaresearch.ohio.gov/ . This includes complaint investigation reports with substantiated allegations. For any other early care and education records, please contact the Family and Customer Support Center at 1-844-234-5437.

Summary of Non-Compliances

If a program disagrees with a licensing finding, the program may request a review of the finding(s). Ohio Administrative Code 5180:2-12-03, 5180:2-13-03, 5180:2-19-10 and 5180:2-20-02 detail the process for submitting a request for review. The request for review must be submitted within ten business days from the receipt of the licensing report. In addition, if the program is Step Up To Quality rated, the rating may be impacted if a serious or moderate risk non-compliance is cited.

Serious Risk Non-Compliances

A serious risk non-compliance is a licensing rule violation that has the potential to lead to a great risk of harm to a child and is observable and/or based on facts.

No serious risk non-compliances were observed during this inspection

Moderate Risk Non-Compliances

A moderate risk non-compliance is a licensing rule violation that has the potential to lead to a great risk of harm to a child and is observable and/or based on facts.

Rule: 5180:2-12-04 Fire Inspection

Requirement: The program is required to have all spaces used for child care inspected by the fire department or the state fire marshal's office prior to serving children. The program is required to obtain a fire inspection without any uncorrected violations within 12 months from the date of the last fire inspection. If violations are noted during the inspection, the program is required to have all violations corrected and have the program re-inspected to obtain a completed fire form.

Finding: During the inspection, it was determined the program did not meet the requirements for fire inspection.

The following was observed:

• An updated fire inspection was not completed.

Submit the program's corrective action plan, which includes an updated fire inspection without any uncorrected violations, to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 11/07/2026

Domain: **09 Children's Files**

Rule: 5180:2-12-15 Child Health Care Plans

Requirement: The program is required to have a completed DCY 01236 or equivalent form on file at the program for any child having a health condition and must implement and/or follow instructions on the plan. The program is required to have staff trained to perform the procedures on the form present at the program when the child requiring the procedure is onsite. Only staff who have been trained shall be permitted to perform the procedures listed on the form.

Finding: In review of the children's records, it was determined the program did not meet the requirements for caring for at least one child, indicated on the Children's Records Review, with a condition that requires a DCY 01236 "Health Care Plan Documentation & Permission to Administer Medication" or equivalent form.

The following was observed: indication if medication or medical food is required was missing; signs, symptoms or situations that require staff to take action were missing; training instructions for procedures for staff to follow were missing or incomplete; dosage of medication/medical food to be administered was missing or not attached; time for medication/medical food to be administered was missing or not attached; expiration date for medication/medical food was missing or not attached; symptoms that require staff to administer medication/medical food were missing or not attached; specific instructions to administer the medication/medical food were missing or not attached; physician's signature was missing or not attached; the date of the physician's signature was missing or not attached; printed name(s) of child care staff member(s) who received instructions or were trained to perform the procedure were missing; signature(s) of child care staff member(s) who received instructions or were trained to perform the procedure were missing; date of staff signature was missing; administrator/Provider signature was missing; date of Administrator/Provider signature was missing; child's name was missing; name of medication or medical food was missing

Provide staff training. Submit the program's corrective action plan, which includes a copy of the completed DCY 01236 or equivalent form, to the Department to verify compliance with the requirements of this rule.

Rule: 5180:2-12-25 2026 Medication Storage

Requirement: The program is required to store medication out of the reach of children.

Finding: During the inspection, it was determined that a medication, Albuterol Inhaler, was within the reach of children in the Toddler room. All medications must be stored out of the reach of children. Create procedures that assure medications will always be inaccessible to children. Provide staff training. Submit the program's corrective action plan, which includes a statement that training was provided, to the Department to verify compliance with the requirements of this rule.

Other Non-Compliances

This section includes other rule violations that are observable and/or based on facts.

Domain: **00 License & Approvals**

Rule: 5180:2-12-02 Current Information

Requirement: The rule requires the program to keep their information current in the Ohio statewide licensing system.

Finding: During the inspection, it was determined that information was not up to date in the Ohio statewide licensing system.

The following information was not current: private pay rates

Submit the program's corrective action plan to the Department to verify compliance with the requirement of the rule.

Corrective Action Plan Due: 11/07/2026

Domain: **01 Ratio & Supervision**

Rule: 5180:2-12-19 Supervision

Requirement: The program staff is required to supervise children in their assigned group by sight and hearing. Supervision includes being near enough to respond and reach children immediately including responding to the child's basic needs and protecting them from harm.

Finding: During the inspection, it was determined that children were not being properly supervised.

The following was observed: staff were not near enough to observe, respond, and anticipate reasonably foreseeable hazards and threats

Provide staff training. Submit the program's corrective action plan, which includes a statement that training was provided, to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 11/07/2026

Domain: **02 Safe & Sanitary Environment**

Rule: 5180:2-12-20 Cots and Napping - Equipment and Environment

Requirement: The program is required to provide sufficient lighting when the children rest, nap, or sleep.

Finding: During the inspection, it was determined that the area used when children rest, nap or sleep was not lighted sufficiently to allow child care staff visual supervision of the children at all times. Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 11/07/2026

Domain: **03 Postings & Equipment**

Rule: 5180:2-12-16 Emergency Postings

Requirement: The program is required to post the fire and weather plans.

Finding: During the inspection, it was determined that the fire and/or weather alert plans did not meet the requirement of the rule.

The following was observed:

• Fire alert plan was missing written evacuation instructions.

• Weather alert plan was missing written evacuation instructions.

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 11/07/2026

Domain: **08 Staff Files**

Rule: 5180:2-12-10 Health Training Requirements

Requirement: The program is required to have all child care staff members complete training in child abuse and neglect recognition and prevention within sixty days of hire. Staff must complete training in first aid and CPR within the first ninety days of hire.

Finding: In review of the staff records, it was determined that at least one child care staff member had not completed required health and safety training.

The following was observed: the child abuse and neglect recognition and prevention training was expired

Refer to the Employee Record Chart for the name(s) of the child care staff member(s) who must complete the required health and safety training(s). Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 11/07/2026

Domain: **08 Staff Files**

Rule: 5180:2-12-10 Professional Development Requirements

Requirement: The program is required to ensure child care staff members, including substitutes used more than ninety days annually, obtain at least 6 hours of professional development each state fiscal year.

Finding: In review of the staff records, it was determined that at least one child care staff member did not meet the annual professional development requirement.

The following was observed: the child care staff member(s) had not completed at least six hours of professional development.

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 11/07/2026

Domain: **09 Children's Files**

Rule: 5180:2-12-15 Child Enrollment Records

Requirement: The program is required to have a completed and updated DCY 01234 "Child Enrollment and Health Information For Child Care" or equivalent form on file for each child enrolled.

Finding: In review of 25% of the children's records, it was determined that information had not been secured from the parent/guardian on the DCY 01234 “Child Enrollment Form for Early Care and Education Programs” or equivalent form as required.

The following was observed as missing: [FTO-C61]

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 11/07/2026

Domain: **09 Children's Files**

Rule: 5180:2-12-15 Child Health Care Plans

Requirement: The program is required to ensure that there is at least one child care staff member who has signed the DCY 01236 or equivalent form caring for the child at all times when a child with a health condition is present.

Finding: During the inspection, it was determined a child with a condition that required a DCY 01236 "Health Care Plan Documentation & Permission to Administer Medication" or equivalent form had been present and the program did not ensure there was at least one child care staff member caring for the child at all times who had signed the form on the child's condition. Provide staff training. Submit the program’s corrective action plan, which includes a statement that training was provided, to the Department to verify compliance with the requirements of this rule.
