

Center Licensing Inspection Full Report

All licensed child care programs are inspected at least once each year. Non-compliances are documented and grouped as Serious, Moderate or Low risk violations. Documenting statements and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the child care website at <http://jfs.ohio.gov/CDC/childcare.stm>. This includes complaint investigation reports with substantiated allegations. For any other child care records, please contact the Child Care Help Desk at 1-877-302-2347, option 4.

Summary of Non-Compliances

If the program is star rated, the rating may be impacted if a serious or moderate risk non-compliance is cited. Ohio Administrative Code 5101: 2-12-03 details the process for submitting a request for a review if a program disagrees with a licensing finding. The request for review must be submitted within seven days from the receipt of the licensing report.

Serious Risk Non-Compliances
No Serious Risk Non-Compliances were observed during this inspection

Moderate Risk Non-Compliances
Domain: 00 License & Approvals
<u>Rule:</u> 5101:2-12-04 Building Department Inspection
<u>Code:</u> The program is required to refrain from using space that did not receive building approval and from caring for children in spaces not approved for that age group. The program is required to refrain from using a

remodeled or modified space before obtaining building approval. The program is required to maintain building occupancy limitations.

Finding: During the inspection, it was determined the program was using space for child care in a manner that was not approved by the Ohio Department of Commerce or local certified building authority as noted in number 6 below:

1. The [] room or space was not approved.
2. Children under school age were being cared for in a building only approved for school age.
3. The space had been modified and not yet re-inspected and approved.
4. The [] floor, which had not been approved by the building department for child care, was being used.
5. The building limitation had been exceeded. [] children were being cared for and the building had been approved for [] children.
6. The toddler room(s) occupancy had been exceeded. 6 children were being cared for in this space that had been approved for 5 children.
7. Care was provided to [] children less than two and one-half years of age. This violated the program's building code limitation in that, [].

Submit the program's corrective action plan, which includes building approval for use of this space, a written statement that the building occupancy limitations are being maintained, or a written statement that it is no longer being used, to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 09/11/2022

Domain: 04 Indoor/Outdoor Space

Rule: 5101:2-12-11 Outdoor Space Requirements

Code: The program is required to have an outdoor play space free from immediate risk.

Finding: During the inspection, it was determined that an area was used which was not protected from traffic and other hazards by a continuous fence in good condition, or natural barrier, that ensured children were not able to leave the playground area. The fence or natural barrier was determined to present an immediate risk for a child to be able to leave the playground as noted in number 1 below:

1. The fence, natural barrier, or combination of fence and natural barrier was not continuous.
2. The fencing had missing slat boards through which children could leave the playground.
3. The gate was broken and did not close.
4. The latch on the gate was broken.
5. The gate had no latch.
6. The fencing was broken.
7. The latch was easily opened by children on the playground.
8. The portable fencing approved for use by the Department was not being used.
9. Other [].

Discontinue use of the playground and provide a space for outdoor play which is well defined by a continuous fence or natural barrier and protected from other hazards. Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Domain: 09 Children's Files

Rule: 5101:2-12-25 Medication Administration

Code: The program is required to use the appropriate form and retain current documentation to administer medications. The program is also required to obtain separate documentation for each medication and child, and retain on file each JFS 01217 "Request for Administration of Medication for Child Care" for at least one year. The program is required to administer medication only if it has the prescription label attached or has written instructions from a licensed physician. The program is also required to have each medication to be administered stored in its original container.

Finding: During the inspection, it was determined the program did not meet the requirement(s) for administering a medication or medical food that is not required by a JFS 01236 "Child Medical/Physical Care Plan for Child Care" or a prescription topical product to a child as noted in numbers 15, 16, 17 and 18 below:

1. No JFS 01217 "Request for Administration of Medication for Child Care" was on file.
2. The child's name was missing on the JFS 01217.
3. The child's date of birth was missing on the JFS 01217 and was needed to determine the correct dosage.
4. The child's weight was missing on the JFS 01217 and was needed to determine the correct dosage.
5. The name of the medication was missing on the JFS 01217.
6. The exact dose was missing on the JFS 01217.
7. The time to administer was missing on the JFS 01217.
8. The time period to administer was missing on the JFS 01217.
9. The medication's expiration date was missing on the JFS 01217.
10. The Parent/Guardian's dated signature was missing on the JFS 01217.
11. Physician instructions were missing on the JFS 01217.
12. Possible side effects were missing on the JFS 01217.
13. Physician's dated signature was missing on the JFS 01217.
14. Physician's phone number was missing on the JFS 01217.
15. Date medication was administered was missing on the JFS 01217.
16. Time medication was administered was missing on the JFS 01217.
17. Dosage administered was missing on the JFS 01217.
18. Staff member's signature was missing on the JFS 01217.
19. A prescription label was not attached to the prescription medication.
20. The medication or product, [], was not brought to the program in its original container.
21. Parent instructions conflict with either the manufacturer or physician instructions.

Submit the program's corrective action plan, which includes the completed JFS 01217 for each child needed, verification that the prescription label is now attached, and/or verification that the medication or product is now

in its original container, and a statement that training was provided, to the Department to verify compliance with the requirements of this rule.
