

Center Licensing Inspection Full Report

All licensed child care programs are inspected at least once each year. Non-compliances are documented and grouped as Serious, Moderate or Low risk violations. Documenting statements and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the child care website at <http://jfs.ohio.gov/CDC/childcare.stm>. This includes complaint investigation reports with substantiated allegations. For any other child care records, please contact the Child Care Help Desk at 1-877-302-2347, option 4.

Summary of Non-Compliances

If a program disagrees with a licensing finding, the program may request a review of the finding(s). Ohio Administrative Code 5101:2-12-03 and 5101:2-13-03 detail the process for submitting a request for review. The request for review must be submitted within seven business days from the receipt of the licensing report. In addition, if the program is star rated, the rating may be impacted if a serious or moderate risk non-compliance is cited.

Serious Risk Non-Compliances

No Serious Risk Non-Compliances were observed during this inspection

Moderate Risk Non-Compliances

Domain: 08 Staff Files

Rule: 5101:2-12-09 Background Check Requirements
Code: The program is required to have all staff request background checks as required.

Finding: In review of the staff records, it was determined that background checks were not requested for the person(s) listed on the Employee Record Chart as noted in number 1 below:

1. Submitting the request for a background check for child care in the OPR.
2. Submitting fingerprints electronically according to the process established by BCI.

Submit the program’s corrective action plan, which includes a copy of the JFS 01176, to the Department to verify compliance with the requirements of this rule.

Rule: 5101:2-12-15 Medical/Physical Care Plans

Code: The program is required to have staff trained to perform the procedures on the JFS 01236 "Child Medical/Physical Care Plan" for Child Care" present at the program when the child requiring the procedure is onsite. The program staff that are trained to perform the procedures listed on the JFS 01236 are to be the only staff permitted to perform the procedures.

Finding: During the inspection, it was determined a child with a condition that required a JFS 01236 "Child Medical/Physical Care Plan" had been present and the program did not meet the requirement(s) noted in number 2 below:

1. None of the child care staff members trained in the procedures on the JFS 01236 were onsite when a child requiring the plan was present.
2. Child care staff members trained in the procedures on the JFS 01236 were not scheduled to be present the entire the time the child requiring the plan was onsite.
3. None of the child care staff members trained in the procedures on the JFS 01236 accompanied the child requiring the plan during a trip.
4. A child care staff member who had not been trained in the procedures on the JFS 01236 performed the procedure.
5. Other: [].

Provide staff training. Submit the program's corrective action plan, which includes a statement that training was provided, to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 02/26/2023

Domain: 09 Children's Files

Rule: 5101:2-12-15 Medical/Physical Care Plans

Code: The program is required to have a completed JFS 01236 "Child Medical/Physical Care Plan for Child Care" on file at the program for any child having a health condition. The program is required to implement and/or follow instructions on the JFS 01236 for a child with a health condition.

Finding: A written, signed and dated JFS 01236 "Child Medical/Physical Care Plan for Child Care" must be on file for any child having health conditions which require monitoring for symptoms, or a medical procedure be performed, or ongoing administration of medication or medical foods at the program. In review of the children's records, it was determined that the required written information was either not on file, implemented or followed, for at least one child indicated on the Children Records Review, as noted in number 8 below:

1. No plan was on file.
2. Child's name was missing.

3. Child's date of birth was missing.
4. Name of the condition was missing.

6. Symptoms to watch for were missing.
7. Directions for when should the medication or medical food be administered were missing.
8. Instructions for administration were missing.
9. Conditions that trigger the need for medication or medical foods were missing.
10. Expected results of the medication or medical food were missing.
11. Actions to be taken if the symptoms do not subside were missing.
12. Activities, foods, environmental conditions to avoid were missing.
13. Training instructions were missing.
14. Directions for action to be taken if expected result of medication or medical food does not occur were missing.
15. Instructions regarding emergency evacuation, if applicable, were missing.
16. Dated signature of parent was missing.
17. Dated signature of certified professional who trained the program staff was missing, if parent was not the trainer.
18. Printed name(s)/Dated signature(s) of child care staff member(s) trained to perform the procedure were missing.
19. Dated signature(s) of administrator was missing.
20. Name of any applicable medication was missing.
21. Date medication was administered was missing.
22. Time medication was administered was missing.
23. Dosage administered was missing.
24. Signature of staff member who administered the medication was missing.
25. Medication listed in the procedures to follow was not onsite available to administer as instructed and alternate instructions for this situation were not included on the plan.
26. The plan was not implemented.
27. The plan was not able to be implemented due to conflicting information.
28. The plan was not followed.

Submit the program's corrective action plan, which includes a copy of the completed JFS 01236, to the Department to verify compliance with the requirements of this rule.

Low Risk Non-Compliances

Domain: 00 License & Approvals

Rule: 5101:2-12-04 Food Service Requirements

Code: The program is required to obtain written permission from the food service license holder if operating under the food service license of another entity at the same location.

Finding: During the inspection, it was determined the program was operating under a food service license held by another entity at the same location and did not have written documentation granting permission from that entity. Submit the program's corrective action plan, which includes a copy of the written documentation granting permission, to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 02/26/2023

Domain: 08 Staff Files

Rule: 5101:2-12-08 Medical Statement

Code: The program staff medicals are required to include all information.

Finding: In review of the staff records, it was determined that the medical statements for those employees listed on the Employee Record Chart did not include the required information listed below in number 3c.

1. Date of examination;
2. Signature, business address, and telephone number of the licensed physician, physician assistant, advanced practice nurse, certified midwife, or certified nurse practitioner who completed the examination;
3. A statement that verifies that the employee is:
 - a. Physically fit for employment in a program caring for children;
 - b. Immunized against Tetanus, Diphtheria, Pertussis (Tdap);
 - c. Immunized against Measles, Mumps, and Rubella (MMR);
4. Tuberculosis (TB) screening/test
 - a. Documentation of the screening process to determine if the employee resided in a country identified by the World Health Organization as having a high burden of TB and arrived in the United States within the five years preceding the date of application for employment;
 - b. Results of a TB test for employees meeting both criteria in 4a;
 - c. Results of additional testing for employees with a positive TB test;
 - d. Written statement, signed by a representative of the TB control unit, that the employee's TB is no longer infectious or the individual is receiving a TB treatment regimen for employees with a positive TB test.

Submit the program's corrective action plan, which includes a copy of the completed employee medical statement, or TB results/documentation, to the Department to verify compliance with the requirements of this rule.

Rule: 5101:2-12-10 Health Training Requirements

Code: The program is required to have all child care staff members complete training in child abuse and neglect recognition and prevention within sixty days of hire. Staff must complete training in first aid and CPR within the first ninety days of hire.

Finding: In review of the staff records, it was determined that at least one child care staff member had not completed required health and safety training as noted in number 3 below:

1. Child abuse and neglect recognition and prevention training was not completed within sixty days of hire.
2. First aid training was not completed within ninety days of hire.
3. Cardiopulmonary resuscitation (CPR) training was not completed within ninety days of hire.
4. The child abuse and neglect recognition and prevention training was expired.
5. The first aid training was expired.
6. The CPR training was expired.

Refer to the Employee Record Chart for the name(s) of the child care staff member(s) who must complete the required health and safety training(s). Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

6. Complete physician information
7. Information regarding the parent list
8. Health information
9. Additional information for all boxes checked "yes"

10. Emergency transportation information
11. Parent/guardian's signature
12. Diapering Statement
13. Acknowledgement of Policies and Procedures
14. Enrollment form for at least one child was not updated by either the parent or the administrator
15. Enrollment form for at least one child was not signed by the administrator
16. Other []

Technical assistance was provided at the time of the inspection, and as discussed, please correct this rule noncompliance. A written response for this rule noncompliance is not required at this time.

Domain: 10 Written Policies & Procedures

Rule: 5101:2-12-07 Written Program Policies and Procedures

Code: The program's policies and procedures are required to include all topics outlined in rule.

Finding: During the inspection, it was determined the program's written policies and procedures provided to the parents/guardians and employees was missing item numbers 3, 6, 10, 21, 24, 28 & 30 below:

General Information

1. Program name, address, email address and telephone number.
2. Description of the program's program philosophy.
3. Days and hours of operation, scheduled closings and basic daily schedule (scheduled closings are not listed- there is a statement that you follow Dublin City School's calendar, so please attach a copy to the handbook).
4. Staff/child ratios and group size.
5. Opportunities for parent involvement in program activities.
6. Opportunities for parents to meet with teachers regarding their child (the handbook just states that unscheduled conferences cannot take place, but it does not list what they would do to schedule a conference).
7. Payment schedule, overtime charges and registration fees as applicable.
8. Supports for onsite breastfeeding or pumping for mothers who wish to do so (if the program serves infants or toddlers).

Program Policies and Procedures

9. Enrollment including required enrollment information.
10. Care of children without immunizations (the handbook says you will enroll children who are not immunized, but it doesn't state how you will care for them during an outbreak of a disease).
11. Attendance including procedures for arrival and departure, the program's absent day policy, releasing child to persons other than the parent, releasing a child according to a custody agreement and follow up when a child scheduled to arrive from another program or activity does not arrive.
12. Supervision of children, including a separate supervision policy for school-age children, if applicable.
13. Child guidance.
14. Suspension and expulsion.

15. Compliance with the Americans with Disabilities Act (ADA), including administering medication to children with disabilities and administering care procedures to children with disabilities.
16. Outdoor play, including limitations placed on outdoor play due to weather or safety issues (considerations may include but are not limited to temperature, humidity, wind chill, ozone levels, pollen count, lightning, rain or ice.)
17. Food and dietary policy, including, information regarding meeting one-third of the child's recommended daily dietary allowance, policy regarding formula, breast milk, meals and snacks, and a policy on providing supplemental food.
18. Management of illness including isolation precautions, symptoms for discharge and return and notification of parent of ill child.
19. Summary of procedures taken in the event of an emergency, serious illness or injury.
20. Administration of medication and topical products including medical foods, modified diets and whether school age children are permitted to carry their own medication and ointments.
21. Transportation for fieldtrips, routine trips (if applicable) and emergencies, including if the center will provide child care services to children whose parents refuse to grant consent for transportation to the source of emergency treatment (the policy on page 14 says that the program refuses the right to admittance for families who do not grant permission for emergency transportation, but this should specifically state whether or not you will allow them to enroll).
22. Water activities/swimming.
23. Infant care, if applicable, including feeding, frequency of diaper checks and information about daily activities.
24. Sleeping, Napping and Resting.
25. Evening and overnight care, if applicable.
26. Policy on hours of operation including closing due to weather, school delays or closings and any other factors.
27. Situations that may require disenrollment of a child, if applicable.
28. Problem or issue resolution for parents or employees to follow when needing assistance in resolving problems related to the child care program (missing the policy for employee's to follow).
29. Formal screenings and assessments on enrolled children and if the program reports child level data to ODJFS pursuant to 5101:2-17-02 of the Administrative Code.
30. Other: the ODJFS phone # on page 12 should be (877) 302-2347.

Revise the program's written policies and procedures to include the missing information. Submit the program's corrective action plan, which includes the revised written policies and procedures, to the Department to verify compliance with the requirements of this rule.
