

Center Complaint Inspection Summary Report

All licensed child care programs are inspected at least once each year. Non-compliances are documented and grouped as Serious, Moderate or Low risk violations. Documenting statements and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the child care website at <http://jfs.ohio.gov/CDC/childcare.stm>. This includes complaint investigation reports with substantiated allegations. For any other child care records, please contact the Child Care Help Desk at 1-877-302-2347, option 4.

Complaint Allegations

If a program disagrees with a licensing finding, the program may request a review of the finding(s). Ohio Administrative Code 5101:2-12-03 and 5101:2-13-03 detail the process for submitting a request for review. The request for review must be submitted within seven business days from the receipt of the licensing report. In addition, if the program is star rated, the rating may be impacted if a serious or moderate risk non-compliance is cited.

Domain:01 Ratio & Supervision

Rule: 5101:2-12-19 Child Guidance

Code: The program staff shall use developmentally appropriate techniques when managing children's behavior. Corporal punishment is prohibited, as well as any cruel, harsh, unusual or extreme techniques.

Allegation: The program staff does not developmentally appropriate techniques when managing children's behavior. Corporal punishment is prohibited, as well as any cruel, harsh, unusual or extreme techniques.

Determination: Substantiated

Findings: During the inspection, it was determined that a child care staff member used a discipline technique to guide or discipline child(ren) that was not developmentally appropriate, consistent, or occurred at the time of the incident. Provide staff training. Submit the program's corrective action plan, which includes a statement that training was provided, to the Department to verify compliance with the requirements of this rule. (CCSM admitted to CCLS that she used her foot to stop a crawling child from getting to the gate. (Sliding her foot against the child and pushing them out of the way.) This incident was also investigated by the program. It was recommended that the CCSM obtain additional training)

Risk Level: Low

Summary of Additional Non-Compliances

Serious Risk Non-Compliances

No Additional Serious Risk Non-Compliances were observed during this inspection

Moderate Risk Non-Compliances

Domain:01 Ratio & Supervision

Rule: 5101:2-12-19 Supervision

Code: The program staff is required to supervise children in their assigned group by sight and hearing. Supervision includes being near enough to respond and reach children immediately and protecting them from harm.

Findings: During the inspection, it was determined that children were left unattended while inside the program as noted in number(s) 3,8 below:

1. Child(ren) were left unattended once.
2. Child(ren) were left unattended more than once.
3. Child(ren) left the group and were unattended. (Child left the PS group on day 2 and was in the office hiding behind the door. This was after the CCLS advised the administrator to keep the older toddler in the Toddler classroom at that time as the PS/PK group was out of ratio and it was not safe for him to be in that room. Children were getting shuffled from room to room by the administrator so they could stay in ratio.)
4. Child care staff were using a baby monitor to supervise children.
5. Child care staff were using a walkie talkie to supervise children.
6. Child care staff were using mirrors to view children in another room.
7. Child care staff were using a video camera instead of physically being present in the room.
8. Other (Day 2- Administrator, child and CCLS in office and child ran from the office into the SA classroom. Administrator had to leave office and go into SA classroom to get child.)

Children must be supervised and within sight and hearing of a child care staff member at all times. Provide staff training. Submit the program's corrective action plan, which includes a statement that training was provided, to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 06/15/2024

Domain:01 Ratio & Supervision

Rule: 5101:2-12-18 Ratio

Code: The program is required to maintain the appropriate staff to child ratio for each group served.

Findings: During the inspection, required staff/child ratios were not maintained for the same group on multiple occasions (two separate days), as noted below:

The ratio determined for the PS/PK group was 1 Child Care Staff Member(s) for 14 children (Day 1). Additionally, a ratio of 1 Child Care Staff Member(s) for 21 children was determined for the PS/PK group (Day 2).

Additional staff members must be hired or current Child Care Staff Members must be rescheduled to maintain compliance. Provide staff training. Submit the program's corrective action plan, which includes a statement that training was provided, to the Department to verify compliance with the requirements of this rule.

Low Risk Non-Compliances

Domain:01 Ratio & Supervision

Rule: 5101:2-12-19 Supervision

Code: The program staff is required to supervise children in their assigned group by sight and hearing. Supervision includes being near enough to respond and reach children immediately including responding to the child's basic needs and protecting them from harm.

Findings: During the inspection, it was determined that children were not being properly supervised as noted in number(s) 4,5 below:

1. Child(ren) were not within both sight and hearing of a child care staff member during indoor play.
2. Child(ren) were not within both sight and hearing of a child care staff member during outdoor play.
3. Child(ren) were not within both sight and hearing of a child care staff member more than once.
4. Staff were not physically present in the space and near enough to respond and reach the child(ren) immediately. (Child ran through front door of program. Administrator ran after him. He ran through the parking lot, around busses and into street. Administrator provided details of incident to Specialist and video of the incident was also viewed by Specialist.) (day 2-Administrator on the phone with a parent in the office (with a child and CCLS) she walked to the threshold of office and SA room to check on another child.)
5. Other: (Toddler child was standing on top of stacked cots. CCLS had to go into room to remove child from the top of stacked cots and explain to CCSM that the diapers next to the cots (that the child was using as a step stool to get on cots) needed moved. She explained that the child would still climb on top of cots. CCLS recommended to move the cots outside of classroom.) (Toddler CCSM was on phone.)

Children must be supervised according to rule and within both sight and hearing of a child care staff member at all times. Provide staff training. Submit the program's corrective action plan, which includes a statement that training was provided, to the Department to verify compliance with the requirements of this rule.
