

Center Licensing Inspection Full Report

All licensed child care programs are inspected at least once each year. Non-compliances are documented and grouped as Serious, Moderate or Low risk violations. Documenting statements and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the child care website at <http://jfs.ohio.gov/CDC/childcare.stm>. This includes complaint investigation reports with substantiated allegations. For any other child care records, please contact the Child Care Help Desk at 1-877-302-2347, option 4.

Summary of Non-Compliances

If the program is star rated, the rating may be impacted if a serious or moderate risk non-compliance is cited. Ohio Administrative Code 5101: 2-12-03 details the process for submitting a request for a review if a program disagrees with a licensing finding. The request for review must be submitted within seven days from the receipt of the licensing report.

Serious Risk Non-Compliances

No Serious Risk Non-Compliances were observed during this inspection

Moderate Risk Non-Compliances

Domain: 08 Staff Files

Rule: 5101:2-12-09 Background Check Requirements

Code: The program is required to have staff update their background checks every five years as required.

Finding: In review of the staff records, it was determined that background checks were not updated every five years for the individual(s) listed on the Employee Record Chart as noted in number 3 below:

1. Owner;
2. Administrator;
3. Child Care Staff Member, employee.

Submit the program's corrective action plan, which includes a statement the background check update has been requested, to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 02/26/2022

Domain: 08 Staff Files

Rule: 5101:2-12-09 Background Check Requirements

Code: The program is required to receive a preliminary approval from ODJFS prior to allowing an individual to engage in assigned duties or be near children.

Finding: During the inspection, it was determined that an individual had engaged in assigned duties or were near children and preliminary approval from ODJFS was not on file as required. Submit the program's corrective action plan, which includes a statement that the approval is now on file or the individual are no longer engaged in assigned duties and are not near children, to the Department to verify compliance with the requirements of this rule.

28. The plan was not followed.

Submit the program's corrective action plan, which includes a copy of the completed JFS 01236, to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 02/26/2022

Low Risk Non-Compliances

Domain: 01 Ratio & Supervision

Rule: 5101:2-12-19 Supervision

Code: The program staff is required to supervise children in their assigned group by sight and hearing. Supervision includes being near enough to respond and reach children immediately including responding to the child's basic needs and protecting them from harm.

Finding: During the inspection, it was determined that children were not being properly supervised as noted in number 5 below:

1. Child(ren) were not within both sight and hearing of a child care staff member during indoor play.
2. Child(ren) were not within both sight and hearing of a child care staff member during outdoor play.
3. Child(ren) were not within both sight and hearing of a child care staff member more than once.
4. Staff were not physically present in the space and near enough to respond and reach the child(ren) immediately.
5. Other: Children were not within both sight and hearing of a child care staff member during nap time (Mountains room- children's faces covered with their blanket).

Children must be supervised according to rule and within both sight and hearing of a child care staff member at all times. Provide staff training. Submit the program's corrective action plan, which includes a statement that training was provided, to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 02/26/2022

Domain: 03 Postings & Equipment

Rule: 5101:2-12-17 Materials and Equipment

Code: The program is required to have play materials accessible and orderly.

Finding: During the inspection, it was determined that play materials were not accessible/orderly for the following reason(s) as noted in number 1 below:

1. Play materials were not readily accessible to the children in the Ocean classroom;
2. Play materials were not arranged in an orderly manner so that children have opportunities to select, remove and replace play materials with minimal assistance during the day in the [] classroom.

Technical assistance was provided at the time of the inspection, and as discussed, please correct this rule noncompliance. A written response for this rule noncompliance is not required at this time.

Domain: 03 Postings & Equipment

Rule: 5101:2-12-16 Medical, Dental, and General Emergency Plan

Code: The program is required to post the fire and weather plans.

Finding: During the inspection, it was determined that the following information was not posted for item numbers 1 & 2 below:

1. Fire alert plan, including a diagram indicating evacuation routes (missing the written plan).
2. Weather alert plan was missing.
3. Weather alert plan was missing a diagram indicating evacuation routes.

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Domain: 08 Staff Files

Rule: 5101:2-12-10 Health Training Requirements

Code: The program is required to have staff complete training in child abuse and neglect recognition and prevention within sixty days of hire.

Finding: In review of the staff records, it was determined that at least one child care staff member had not completed training in child abuse and neglect recognition and prevention as noted in number 2 below:

1. The training was not completed within sixty days of hire.
2. The training was expired, as it is only valid for two years.

Refer to the Employee Record Chart for the name(s) of the child care staff member(s) who must complete training in child abuse and neglect recognition and prevention. Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 02/26/2022

Domain: 09 Children's Files

Rule: 5101:2-12-25 Medication Administration

Code: The program is required to removed all medication, medical foods and topical products that are no longer being administered or have expired.

Finding: During the inspection, it was determined that medication, medical foods and/or topical products had not been removed from the program and were no longer needed or had expired. Technical assistance was provided at the time of the inspection, and as discussed, please correct this rule noncompliance. A written response for this rule noncompliance is not required at this time.

Domain: 09 Children's Files

Rule: 5101:2-12-25 Medication Administration

Code: The program is required to use the appropriate form and retain current documentation to administer medications, medical foods and topical products. The program is also required to obtain separate documentation for each medication/product and child.

Finding: During the inspection, it was determined the program did not meet the requirements for the JFS 01217 "Request for Administration of Medication for Child Care" as noted in number 6 below:

1. The program used an old version of the JFS 01217.
2. The signature date on the JFS 01217 exceeded more than 12 months.
3. The time period to administer the medication or medical food on the JFS 01217 was exceeded.
4. The JFS 01217 included more than one medication or medical food.
5. The JFS 01217 included more than one child's name.
6. The prescription label was not current.

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.
