

Center Licensing Inspection Full Report

All licensed child care programs are inspected at least once each year. Non-compliances are documented and grouped as Serious, Moderate or Low risk violations. Documenting statements and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the child care website at <http://jfs.ohio.gov/CDC/childcare.stm>. This includes complaint investigation reports with substantiated allegations. For any other child care records, please contact the Child Care Help Desk at 1-877-302-2347, option 4.

Summary of Non-Compliances

If the program is star rated, the rating may be impacted if a serious or moderate risk non-compliance is cited. Ohio Administrative Code 5101: 2-12-03 details the process for submitting a request for a review if a program disagrees with a licensing finding. The request for review must be submitted within seven days from the receipt of the licensing report.

Serious Risk Non-Compliances

Domain: 00 License & Approvals

Rule: 5101:2-12-03 Inspection Requirements

Code: The program administrator and owner are required to provide true and accurate information.

Finding: During the inspection, it was determined that the program provided false information, in that the vehicle inspections were completed by an ASE mechanic that could not be identified. The rule requires the program to provide accurate and truthful information to the Department. Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 04/17/2022

Moderate Risk Non-Compliances

Domain: 01 Ratio & Supervision

Rule: 5101:2-12-18 Ratio

Code: The program is required to maintain the appropriate staff to child ratio for each group served.

Finding: During the inspection, a ratio of 1 child care staff member(s) for 17 children was determined to have occurred for the combined ps/toddler group when the situation in number(s) 1 below occurred:

1. A child care staff member stepped out of the room.
2. A child care staff member had not arrived at work on time.
3. Children were present who were not scheduled to be there.
4. A child care staff member was unable to work.
5. A child was injured in that group.
6. A child arrived in the group before a second staff member was scheduled to arrive with the group.
7. Two groups were combined, and the program did not follow the ratio for the youngest child in the group.
8. A child was transitioning to the next older age group, and the program did not follow the ratio for the youngest child in the group.
9. Ratio was doubled for more than two hours while children were napping.

10. Ratio was doubled while children were napping for a group that included at least one infant.
11. Ratio was doubled while children were napping and there were not enough staff members in the building to meet staff/child ratio.
12. Ratio was doubled in the school age group to allow access to the program, however, the program does not serve only school age children.
13. Both child care staff members did not have a working communication device when one staff member left the group to allow access to the school age only program.
14. The child care staff member did not return to the group after allowing access to the school age only program.
15. Other [].

Additional child care staff members must be hired or current child care staff members must be rescheduled to maintain compliance. Provide staff training. Submit the program's corrective action plan, which includes a statement that training was provided, to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 05/12/2022

Domain: 05 Health & Safety

Rule: 5101:2-12-22 Meal and Snack Requirements

Code: Meals and snacks provided or served by the program must include all required food groups and meet the recommended daily dietary allowances as specified by the USDA.

Finding: During the inspection, it was determined that a meal or snack at the program did not meet the requirements as noted in number(s) 9 below:

1. The breakfast served did not include foods from three of the four good groups.
2. Snack served did not include foods from two of the four food groups.
3. The meal did not provide 1/3 of the recommended daily dietary allowances as specified by the USDA.
4. Juice used to meet the fruit or snack component was not 100% undiluted fruit or vegetable juice.
5. The meal served did not include an item from the meat or meat alternative group.
6. The meal served did not include an item from the bread or grain group.
7. The meal served did not include two items from the fruit/vegetable group.
8. The meal served did not include a vegetable (two fruits were served).
9. The meal served did not include a serving of fluid milk.

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 05/12/2022

Low Risk Non-Compliances

Domain: 00 License & Approvals

Rule: 5101:2-12-04 Fire Inspection

Code: The program is required to obtain a fire inspection within 12 months from the date of the last fire inspection without any uncorrected violations.

Finding: During the inspection, it was determined the program had not been inspected by the local fire department or local fire safety inspector and secured documentation of a fire inspection without any uncorrected violations within 12 months from the date of the last fire inspection without any uncorrected violations, as required. The program had requested the new inspection at least 30 days prior to the expiration date of the previous fire inspection. Submit the program's corrective action plan, which includes an updated fire inspection without any uncorrected violations, to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 05/12/2022

Domain: 01 Ratio & Supervision

Rule: 5101:2-12-18 Attendance Records

Code: The program is required to maintain a record of the arrival and departure of each child. The program is also required to retain the original attendance record at the center for a period of one year.

Finding: During the inspection, it was determined the program did not meet the requirements for keeping an attendance record as listed in number(s) 2 below:

1. No attendance record was being maintained.
2. The attendance record was not being consistently completed.
3. The original attendance documentation was not kept at the program for a period of one year.

Submit the program's corrective action plan, which includes a statement that training was provided, to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 05/12/2022

Domain: 01 Ratio & Supervision

Rule: 5101:2-12-18 Attendance Records

Code: The program is required to have a method for tracking the children in each group. The tracking method must be updated throughout the day and kept with the group at all times.

Finding: During the inspection, it was determined that the method for tracking children in each group did not meet the requirements of the rule as noted in number(s) 4 below:

1. There was no method in place;
2. The method did not include each child's name;
3. The method did not include each child's date of birth;
4. The tracking method did not remain with the group at all times;
5. The tracking method was not updated throughout the day as children entered or left the group.

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 05/12/2022

Domain: 02 Safe & Sanitary Environment

Rule: 5101:2-12-12 Safe Environment

Code: The program is required to provide an environment that protects the children in care from any items and conditions that may threaten their health, safety, and well-being.

Finding: Children in care shall be protected from any items and conditions which threaten their health, safety, and well-being. During the inspection, it was determined that at least one area of the program or at least one piece of equipment had chipping or peeling paint (hole in wall in infant room). Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 05/12/2022
