

Licensing Inspection Full Report

All licensed early care and education programs are inspected at least once each year. Non-compliances are documented and grouped by risk level. Documenting statements, technical assistance provided and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the Department of Children & Youth website at <https://childcaresearch.ohio.gov/>. This includes complaint investigation reports with substantiated allegations. For any other early care and education records, please contact the Family and Customer Support Center at 1-844-234-5437.

Summary of Non-Compliances

If a program disagrees with a licensing finding, the program may request a review of the finding(s). Ohio Administrative Code 5180:2-12-03, 5180:2-13-03, 5180:2-19-10 and 5180:2-20-02 detail the process for submitting a request for review. The request for review must be submitted within ten business days from the receipt of the licensing report. In addition, if the program is Step Up To Quality rated, the rating may be impacted if a serious or moderate risk non-compliance is cited.

Serious Risk Non-Compliances

A serious risk non-compliance is a licensing rule violation that has the potential to lead to a great risk of harm to a child and is observable and/or based on facts.

No serious risk non-compliances were observed during this inspection

Moderate Risk Non-Compliances

A moderate risk non-compliance is a licensing rule violation that has the potential to lead to a great risk of harm to a child and is observable and/or based on facts.

Domain: 09 Children's Files

Rule: 5180:2-12-15 Child Health Care Plans

Requirement: The program is required to have a completed DCY 01236 or equivalent form on file at the program for any child having a health condition and must implement and/or follow instructions on the plan. The program is required to have staff trained to perform the procedures on the form present at the program when the child requiring the procedure is onsite. Only staff who have been trained shall be permitted to perform the procedures listed on the form.

Finding: In review of the children's records, it was determined the program did not meet the requirements for caring for at least one child, indicated on the Children's Records Review, with a condition that requires a DCY 01236 "Health Care Plan Documentation & Permission to Administer Medication" or equivalent form.

The following was observed: instructions regarding emergency evacuation, if applicable, were missing; printed name(s) of child care staff member(s) who received instructions or were trained to perform the procedure were missing; signature(s) of child care staff member(s) who received instructions or were trained to perform the procedure were missing; administrator/Provider signature was missing; a child care staff member who had not been trained on the form performed the procedure; medication listed in the procedures was not onsite and alternate instructions for this situation were not included on the plan

Provide staff training. Submit the program's corrective action plan, which includes a copy of the completed DCY 01236 or equivalent form, to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 11/18/2026

Other Non-Compliances

This section includes other rule violations that are observable and/or based on facts.

Domain: 00 License & Approvals

Rule: 5180:2-12-04 Food Service Requirements

Requirement: The program is required to maintain their food license and not allow it to expire.

Finding: During the inspection, it was determined that the posted food service license had expired. A current food service license must be obtained. Submit the program's corrective action plan, which includes a copy of the updated food service license, to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 11/18/2026

Domain: 02 Safe & Sanitary Environment

Rule: 5180:2-12-12 Safe Environment

Requirement: The program is required to provide an environment that protects the children in care from any items and conditions that may threaten their health, safety, and well-being.

Finding: During the inspection, it was determined that children were not protected from item(s) or condition(s) which may threaten their health, safety, or well-being.

The following was observed:

- A floor surface caused a slipping or tripping hazard

Provide staff training. Submit the program's corrective action plan, which includes a statement that training was provided, to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 11/18/2026

Domain: 02 Safe & Sanitary Environment

Rule: 5180:2-12-13 Handwashing Requirements

Requirement: The program is required to have all staff and children wash their hands as outlined in rule.

Finding: During the inspection, it was determined that handwashing requirements were not followed as required in rule.

The following was observed: at least one staff/child did not wash their hands after toileting or assisting a child with toileting before handling another child's water cup.

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 11/18/2026

Domain: 05 Health & Safety

Rule: 5180:2-12-22 Meal Preparation and Nutritional Requirements

Requirement: Meals and snacks provided or served by the program must include all required food groups and meet the recommended daily dietary allowances as specified by the USDA.

Finding: During the inspection, it was determined that a meal or snack served at the program did not meet the requirements.

The following was observed: (the meal offered did not include an item from grain group).

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 11/18/2026

Domain: 05 Health & Safety

Rule: 5180:2-12-22 Meal Preparation and Nutritional Requirements

Requirement: The program is required to post the current weekly menu in a noticeable location that is accessible to parents and note any substitutions at the time of the change.

Finding: During the inspection, it was determined that the program's weekly menu did not meet the requirement .

The following was observed: the posted menu was not in a visible place readily accessible to parents; the entire menu was substituted.

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 11/18/2026

Domain: 08 Staff Files

Rule: 5180:2-12-10 Health Training Requirements

Requirement: The program is required to have all child care staff members complete training in child abuse and neglect recognition and prevention within sixty days of hire. Staff must complete training in first aid and CPR within the first ninety days of hire.

Finding: In review of the staff records, it was determined that at least one child care staff member had not completed required health and safety training.

The following was observed: child abuse and neglect recognition and prevention training was not completed within sixty days of hire; first aid training was not completed within ninety days of hire; the child abuse and neglect recognition and prevention training was expired; the first aid training was expired

Refer to the Employee Record Chart for the name(s) of the child care staff member(s) who must complete the required health and safety training(s). Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 11/18/2026

Domain: 09 Children's Files

Rule: 5180:2-12-25 2026 Medication Documentation

Requirement: The program is required to use the appropriate form and retain current documentation to administer medications, medical foods and topical products. The program is also required to obtain separate documentation for each medication/product and child.

Finding: During the inspection, it was determined the program did not meet the requirements for administering medication to a child.

The following was observed: the signature date on the documentation of physician permission exceeded more than 12 months

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 11/18/2026

Domain: 09 Children's Files

Rule: 5180:2-12-15 Child Health Care Plans

Requirement: The program is required to use a health care plan form that is equivalent to content to the DCY 01236

Finding: In review of the children's records, it was determined that the DCY 01236 "Health Care Plan Documentation & Permission to Administer Medication" or equivalent form did not meet the requirements of the rule.

The following was observed: the form had not been updated as needed and at least annually; a separate form had not been used for each condition

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 11/18/2026

Domain: 09 Children's Files

Rule: 5180:2-12-15 Child Immunization Records

Requirement: The program is required to have complete child immunization records on file.

Finding: In review of 25% of the children's records, it was determined that complete child immunization records were not on file, as required, for children listed on the DCY Children's Record Review for Child Care.

The following was observed: immunization record(s) were not updated no more than every thirteen months

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.
