

Center Licensing Inspection Full Report

All licensed child care programs are inspected at least once each year. Non-compliances are documented and grouped as Serious, Moderate or Low risk violations. Documenting statements and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the child care website at <http://jfs.ohio.gov/CDC/childcare.stm>. This includes complaint investigation reports with substantiated allegations. For any other child care records, please contact the Child Care Help Desk at 1-877-302-2347, option 4.

Summary of Non-Compliances

If a program disagrees with a licensing finding, the program may request a review of the finding(s). Ohio Administrative Code 5101:2-12-03 and 5101:2-13-03 detail the process for submitting a request for review. The request for review must be submitted within seven business days from the receipt of the licensing report. In addition, if the program is star rated, the rating may be impacted if a serious or moderate risk non-compliance is cited.

Serious Risk Non-Compliances

No Serious Risk Non-Compliances were observed during this inspection

Moderate Risk Non-Compliances

No Moderate Risk Non-Compliances were observed during this inspection

Low Risk Non-Compliances

Domain: 01 Ratio & Supervision

Rule: 5101:2-12-19 Supervision

Code: That program staff is required to implement the program's procedure for determining where a child is who did not arrive at the program as scheduled.

Finding: During the inspection, it was determined that staff did not implement the program's written procedure for determining the whereabouts of a child who did not arrive at the program as scheduled. It was observed that a child had attempted to enter the program from a different door to the program and the child care staff member asked the child to go around to enter the program from the correct location. Instead of coming to the program, the child left the school premises and arrived at the program 25 minutes later. The child care staff member responsible for the child did not follow up on the child's whereabouts prior to the child arriving back at the program. The written procedure needs to be implemented when this situation occurs. Provide staff training. Submit the program's corrective action plan, which includes a statement that training was provided, to the Department to verify compliance with the requirements of this rule.
