

## Center Licensing Inspection Full Report

All licensed child care programs are inspected at least once each year. Non-compliances are documented and grouped as Serious, Moderate or Low risk violations. Documenting statements and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the child care website at <http://jfs.ohio.gov/CDC/childcare.stm>. This includes complaint investigation reports with substantiated allegations. For any other child care records, please contact the Child Care Help Desk at 1-877-302-2347, option 4.

### Summary of Non-Compliances

*If a program disagrees with a licensing finding, the program may request a review of the finding(s). Ohio Administrative Code 5101:2-12-03 and 5101:2-13-03 detail the process for submitting a request for review. The request for review must be submitted within seven business days from the receipt of the licensing report. In addition, if the program is star rated, the rating may be impacted if a serious or moderate risk non-compliance is cited.*

### Serious Risk Non-Compliances

**No Serious Risk Non-Compliances were observed during this inspection**

### Moderate Risk Non-Compliances

#### Domain: 00 License & Approvals

Rule: 5101:2-12-04 Fire Inspection

Code: The program is required to have all spaces used for child care inspected by the fire department or the state fire marshal's office prior to serving children. The program is required to obtain a fire inspection without any uncorrected violations within 12 months from the date of the last fire inspection. If violations are noted during the inspection, the program is required to have all violations corrected and have the program re-inspected to obtain a completed fire form.

Finding: During the inspection, it was determined the program did not meet the requirements for fire inspection as noted in number 1 below:

1. The program did not have documentation on file for a fire inspection without any uncorrected violations within 12 months from the date of the last fire inspection and the request for the new inspection was not made at least 30 days prior to the expiration of the previous fire inspection.

2. The documentation for the most recent fire inspection contained violations that had not been corrected.
3. The [ ] space was being used and had not been approved by the fire department or the state fire marshal's office for child care.

Submit the program's corrective action plan, which includes an updated fire inspection without any uncorrected violations, to the Department to verify compliance with the requirements of this rule.
