

Center Licensing Inspection Full Report

All licensed child care programs are inspected at least once each year. Non-compliances are documented and grouped as Serious, Moderate or Low risk violations. Documenting statements and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the child care website at <http://jfs.ohio.gov/CDC/childcare.stm>. This includes complaint investigation reports with substantiated allegations. For any other child care records, please contact the Child Care Help Desk at 1-877-302-2347, option 4.

Summary of Non-Compliances

If a program disagrees with a licensing finding, the program may request a review of the finding(s). Ohio Administrative Code 5101:2-12-03 and 5101:2-13-03 detail the process for submitting a request for review. The request for review must be submitted within seven business days from the receipt of the licensing report. In addition, if the program is star rated, the rating may be impacted if a serious or moderate risk non-compliance is cited.

Serious Risk Non-Compliances

No Serious Risk Non-Compliances were observed during this inspection

Moderate Risk Non-Compliances

Domain: 01 Ratio & Supervision

Rule: 5101:2-12-19 Supervision

Code: The program staff is required to supervise children in their assigned group by sight and hearing. Supervision includes being near enough to respond and reach children immediately and protecting them from harm.

Finding: During the inspection, it was determined that children were left unattended while inside the program as noted in number 1 below:

1. Children were left unattended once- in the 3 year old classroom when a child went down the hallway to the restroom and the teacher stepped out of the classroom, into the hallway, to watch the child in the restroom
2. Child(ren) were left unattended more than once.
3. Child(ren) left the group and were unattended.

4. Child care staff were using a baby monitor to supervise children.
5. Child care staff were using a walkie talkie to supervise children.
6. Child care staff were using mirrors to view children in another room.
7. Child care staff were using a video camera instead of physically being present in the room.
8. Other [].

Children must be supervised and within sight and hearing of a child care staff member at all times. Provide staff training. Submit the program's corrective action plan, which includes a statement that training was provided, to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 04/27/2023

Domain: 04 Indoor/Outdoor Space

Rule: 5101:2-12-11 Outdoor Play Equipment

Code: The program is required to anchor equipment to the ground as required, to close "S" hooks to prevent the chain from slipping off and prevent strangulation and provide equipment with openings that will not pose a safety risk.

Finding: During the inspection, it was determined that equipment on the outdoor play space posed an imminent risk of harm to a child as noted in number 7 below:

1. The climber was not anchored.
2. The swings were not securely anchored.
3. The slide was not securely anchored.
4. The climbing rope was not securely anchored at both ends.
5. The "S" hooks on the climber were not closed in order to prevent the chain from slipping off the hook and prevent strangulation.
6. The "S" hooks on the swing(s) were not closed in order to prevent the chain from slipping off the hook and prevent strangulation.
7. The wood climber had an opening that was greater than three and one-half inches, but less than nine inches. Equipment openings must be less than 3 1/2 inches or more than 9 inches to avoid the risk of entrapment- an opening in between the wood slats on the top level, by the swings.

Discontinue the use of this equipment until it has been removed, repaired or replaced. Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 04/27/2023

Domain: 09 Children's Files

Rule: 5101:2-12-25 Medication Administration

Code: The program is required to store medication out of the reach of children.

Finding: During the inspection, it was determined that a medication, albuterol, was within the reach of children in the hallway on top of the child's cubby. All medications must be stored out of the reach of children. Create procedures that assure medications will always be inaccessible to children. Provide staff training. Submit the program's corrective action plan, which includes a statement that training was provided, to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 04/27/2023

Domain: 09 Children's Files

Rule: 5101:2-12-15 Medical/Physical Care Plans

Code: The program is required to have a completed JFS 01236 "Child Medical/Physical Care Plan for Child Care" on file at the program for any child having a health condition. The program is required to implement and/or follow instructions on the JFS 01236 for a child with a health condition.

Finding: A written, signed and dated JFS 01236 "Child Medical/Physical Care Plan for Child Care" must be on file for any child having health conditions which require monitoring for symptoms, or a medical procedure be performed, or ongoing administration of medication or medical foods at the program. In review of the children's records, it was determined that the required written information was either not on file, implemented or followed, for at least one child indicated on the Children Records Review, as noted in numbers 1,18,19,20,25 below:

1. No plan was on file.
2. Child's name was missing.
3. Child's date of birth was missing.
4. Name of the condition was missing.
5. Indication if medication is required was missing.
6. Symptoms to watch for were missing.
7. Directions for when should the medication or medical food be administered were missing.
8. Instructions for administration were missing.
9. Conditions that trigger the need for medication or medical foods were missing.
10. Expected results of the medication or medical food were missing.
11. Actions to be taken if the symptoms do not subside were missing.
12. Activities, foods, environmental conditions to avoid were missing.
13. Training instructions were missing.
14. Directions for action to be taken if expected result of medication or medical food does not occur were missing.
15. Instructions regarding emergency evacuation, if applicable, were missing.
16. Dated signature of parent was missing.
17. Dated signature of certified professional who trained the program staff was missing, if parent was not the trainer.

18. Printed name(s)/Dated signature(s) of child care staff member(s) trained to perform the procedure were missing.
19. Dated signature(s) of administrator was missing.
20. Name of any applicable medication was missing.
21. Date medication was administered was missing.
22. Time medication was administered was missing.
23. Dosage administered was missing.
24. Signature of staff member who administered the medication was missing.
25. Medication listed in the procedures to follow was not onsite available to administer as instructed and alternate instructions for this situation were not included on the plan.
26. The plan was not implemented.
27. The plan was not able to be implemented due to conflicting information.
28. The plan was not followed.

Submit the program's corrective action plan, which includes a copy of the completed JFS 01236, to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 04/27/2023

Low Risk Non-Compliances

Domain: 00 License & Approvals

Rule: 5101:2-12-03 Inspection Requirements

Code: The program is required to respond to noncompliances by the date noted in the inspection report.

Finding: During the inspection, it was determined the program had not responded to all of the non-compliances addressed in the inspection report dated 9//12/23. The rule requires the program to complete and submit a corrective action plan in OCLQS to address non-compliances detailed in written inspection reports within the timeframe outlined in the report. Submit the program's corrective action plan, which includes a statement that current and future corrective action plans will be submitted timely, to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 04/27/2023

Domain: 01 Ratio & Supervision

Rule: 5101:2-12-18 Attendance Records

Code: The program is required to have the information listed in rule on all attendance records.

Finding: During the inspection, it was determined that the attendance records did not include the required information listed in number 4 below:

1. The name of the child.
2. The birth date of the child.
3. The assigned group.
4. The child's weekly schedule- in all classrooms
5. The time (hours and minutes) of each child's arrival and departure to the program, including transportation by the program.

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 04/27/2023

Domain: 02 Safe & Sanitary Environment

Rule: 5101:2-12-12 Safe Environment

Code: The program is required to have all surge protectors and outlets covered.

Finding: During the inspection, it was determined that 1 outlets did not have childproof receptacle covers in the preschool room. The program must have safety covers on all electrical outlets, including power strips and surge protectors, which are within the reach of the children. Technical assistance was provided at the time of the inspection, and as discussed, please correct this rule noncompliance. A written response for this rule noncompliance is not required at this time.

Domain: 03 Postings & Equipment

Rule: 5101:2-12-16 Medical, Dental, and General Emergency Plan

Code: The program is required to post and implement the JFS 01242 "Medical, Dental, and General Emergency Plan" when necessary.

Finding: During the inspection, it was determined the requirements for the JFS 01242 “Medical, Dental, and General Emergency Plan for Child Care” were not followed as noted in number 8 below:

1. The plan was not posted in each classroom.
2. The plan was not posted in other spaces used by children.
3. The name, address and telephone number of the program were not complete.
4. The location of first aid kit, fire extinguishers and fire alarm system, fire alarm pull stations and electrical circuit box were not complete.
5. The telephone number for emergency squad, fire department, hospital, poison control program, public children services agency, local health department, local emergency management agency, and police department were not complete.
6. Location of children’s records was not complete.
7. Emergency information including any medications or supplies needed in the event of an evacuation was not complete.
8. The current version of the prescribed form was not used in the cafeteria.
9. The plan was not implemented when necessary in that [].

Submit the program’s corrective action plan to the Department to verify compliance with the requirements of this rule.
