

Center Licensing Inspection Full Report

All licensed child care programs are inspected at least once each year. Non-compliances are documented and grouped as Serious, Moderate or Low risk violations. Documenting statements and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the child care website at http://jfs.ohio.gov/CDC/childcare.stm. This includes complaint investigation reports with substantiated allegations. For any other child care records, please contact the Child Care Help Desk at 1-877-302-2347, option 4.

Summary of Non-Compliances

If a program disagrees with a licensing finding, the program may request a review of the finding(s). Ohio Administrative Code 5180:2-12-03 and 5180:2-13-03 detail the process for submitting a request for review. The request for review must be submitted within seven business days from the receipt of the licensing report. In addition, if the program is star rated, the rating may be impacted if a serious or moderate risk non-compliance is cited.

Domain: 08 Staff Files

Rule: 5180:2-12-09 Background Check Requirements

<u>Code</u>: The program is required to have all staff request background checks as required and receive a JFS 01176 or preliminary approval from ODJFS prior to allowing an individual to engage in assigned duties or be near children.

<u>Finding</u>: In review of the staff records, it was determined that background checks did not meet the requirements of the rule for the person(s) listed; (JC, CB, CO, JH) as noted in number(s) 1 below:

- 1. The request for a background check for child care was not submitted in the OPR.
- 2. The fingerprints were not submitted electronically according to the process established by BCI.
- 3. The individual(s) had engaged in assigned duties or were near children and preliminary approval from ODJFS was not on file.
- 4. Background checks were not updated every five years.

Submit the program's corrective action plan, which includes a copy of the JFS 01176, or a copy of the preliminary approval or a statement that the individual(s) are no longer engaged in assigned duties and are not near children until the preliminary approval has been received, to the Department to verify compliance with the requirements of this rule.

Low Risk Non-Compliances

Domain: 01 Ratio & Supervision

Rule: 5180:2-12-19 Supervision

<u>Code</u>: The program staff is required to supervise children in their assigned group by sight and hearing. Supervision includes being near enough to respond and reach children immediately including responding to the child's basic needs and protecting them from harm.

<u>Finding</u>: During the inspection, it was determined that children were not being properly supervised as noted in number(s) 1 below:

- 1. Child(ren) were not within both sight and hearing of a child care staff member during indoor play.
- 2. Child(ren) were not within both sight and hearing of a child care staff member during outdoor play.
- 3. Child(ren) were not within both sight and hearing of a child care staff member more than once.
- 4. Staff were not physically present in the space and near enough to respond and reach the child(ren) immediately.
- 5. Other: [].

Children must be supervised according to rule and within both sight and hearing of a child care staff member at all times. Provide staff training. Submit the program's corrective action plan, which includes a statement that training was provided, to the Department to verify compliance with the requirements of this rule.
