Licensing Inspection Full Report

All licensed early care and education programs are inspected at least once each year. Non-compliances are documented and grouped by risk level. Documenting statements, technical assistance provided and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the Department of Children & Youth website at https://childcaresearch.ohio.gov/ . This includes complaint investigation reports with substantiated allegations. For any other early care and education records, please contact the Family and Customer Support Center at 1-844-234-5437.

Summary of Non-Compliances

If a program disagrees with a licensing finding, the program may request a review of the finding(s). Ohio Administrative Code 5180:2-12-03, 5180:2-13-03, 5180:2-19-10 and 5180:2-20-02 detail the process for submitting a request for review. The request for review must be submitted within ten business days from the receipt of the licensing report. In addition, if the program is Step Up To Quality rated, the rating may be impacted if a serious or moderate risk non-compliance is cited.

Serious Risk Non-Compliances

A serious risk non-compliance is a licensing rule violation that has the potential to lead to a great risk of harm to a child and is observable and/or based on facts.

No serious risk non-compliances were observed during this inspection

Moderate Risk Non-Compliances

A moderate risk non-compliance is a licensing rule violation that has the potential to lead to a great risk of harm to a child and is observable and/or based on facts.

Domain: **04 Indoor/Outdoor Space**

Rule: 5180:2-12-11 Outdoor Play Equipment

Requirement: The program is required to anchor equipment to the ground as required, to close "S" hooks to prevent the chain from slipping off and prevent strangulation and provide equipment with openings that will not pose a safety risk.

Finding: During the inspection, it was determined that equipment on the outdoor play space posed an imminent risk of harm to a child.

The following was observed: the ladder leading to the twist slide had an opening that was greater than three and one-half inches, but less than nine inches. Equipment openings must be less than 3 1/2 inches or more than 9 inches to avoid the risk of entrapment.

Discontinue the use of this equipment until it has been removed, repaired or replaced. Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 12/24/2026

Other Non-Compliances

This section includes other rule violations that are observable and/or based on facts.

Domain: **08 Staff Files**

Rule: 5180:2-12-08 Staff TB Screening Requirements

Requirement: The program is required to have every employee provide evidence of tuberculosis (TB) screening prior to the first day of employment.

Finding: In review of the staff records, it was determined that the tuberculosis (TB) screening for 2 of 5employees, including child care staff members, did not meet the requirement.

The following was observed: a signed and dated self-attestation statement was not on file for employees who have both (a) resided in a country identified by the world health organization (WHO) as having a high burden of TB; and (b) arrived in the United States within the five years immediately preceding the date of application for employment

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 12/24/2026

Domain: **08 Staff Files**

Rule: 5180:2-12-10 Health Training Requirements

Requirement: The program is required to have all child care staff members complete training in child abuse and neglect recognition and prevention within sixty days of hire. Staff must complete training in first aid and CPR within the first ninety days of hire.

Finding: In review of the staff records, it was determined that at least one child care staff member had not completed required health and safety training.

The following was observed: first aid training was not completed within ninety days of hire; cardiopulmonary resuscitation (CPR) training was not completed within ninety days of hire

Refer to the Employee Record Chart for the name(s) of the child care staff member(s) who must complete the required health and safety training(s). Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 12/24/2026

Domain: **08 Staff Files**

Rule: 5180:2-12-10 Professional Development Requirements

Requirement: The program is required to ensure child care staff members, including substitutes used more than ninety days annually, obtain at least 6 hours of professional development each state fiscal year.

Finding: In review of the staff records, it was determined that at least one child care staff member did not meet the annual professional development requirement.

The following was observed: the child care staff member(s) had not completed at least six hours of professional development.

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 12/24/2026

Domain: **08 Staff Files**

Rule: 5180:2-12-08 Child Care Staff Member Educational Requirements

Requirement: The program staff is required to have educational verification on file at the program.

Finding: In review of the staff records, it was determined that verification of a high school education for the child care staff member(s) listed on the Employee Record Chart, did not meet the requirements.

The following was observed: verification of completion of a high school education was not on file.

Submit the program's corrective action plan, which includes a copy of the education verification, to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 12/24/2026

Domain: **08 Staff Files**

Rule: 5180:2-12-08 Staff Immunization Records

Requirement: The program is required to have every employee provide immunization records.

Finding: In review of the staff records, it was determined that the immunization records for 1 of 5 employees, including child care staff members, did not meet the requirement.

The following was observed: the immunization records were not on file within the first thirty days from start of employment

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 12/24/2026

Domain: **09 Children's Files**

Rule: 5180:2-12-15 Child Enrollment Records

Requirement: The program is required to have a completed and updated DCY 01234 "Child Enrollment and Health Information For Child Care" or equivalent form on file for each child enrolled.

Finding: In review of 25% of the children's records, it was determined that information had not been secured from the parent/guardian on the DCY 01234 "Child Enrollment Form for Early Care and Education Programs" or equivalent form as required.

The following was observed as missing: complete child information; complete parent information; complete emergency contact information; complete physician information; health information; emergency transportation information

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 12/24/2026

Domain: **10 Written Policies & Procedures**

Rule: 5180:2-12-16 Emergency Preparedness and Response Plan

Requirement: The program is required to have an emergency preparedness and response plan (EPRP).

Finding: During the inspection, it was determined the program's emergency preparedness and response plan (EPRP) did not meet the requirement or was missing the information.

The following was observed as missing: a designated safe site where staff and children can safely relocate and remain when evacuated; procedures for assisting infants, toddlers, and children with special needs and/or health conditions; emergency contact information for parents and the program; the location of supplies and procedures for gathering necessary supplies for staff and children if required to shelter in place; contact with local emergency management officials

Make the necessary revisions to the EPRP. Submit the program's corrective action plan, which includes the revised information, to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 12/24/2026

Domain: **10 Written Policies & Procedures**

Rule: 5180:2-12-07 Written Program Policies and Procedures

Requirement: The program's policies and procedures are required to include all topics outlined in rule.

Finding: During the inspection, it was determined the program's written policies and procedures provided to the parents/guardians and employees was missing an item(s).

The following was observed as missing: policy to prohibit center employees from exposing children to inappropriate language, media, or behavior; social media policy including, but not limited to, addressing publication of child photos or other identifying information, if applicable; usage of emergency medical devices and emergency medications, including but not limited to Automated External Defibrillators (AED) and Naloxone, if applicable

Revise the program's written policies and procedures to include the missing information. Submit the program's corrective action plan, which includes the revised written policies and procedures, to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 12/24/2026

Technical Assistance Provided

This section documents technical assistance provided to the program when the program demonstrated an overall level of compliance with a rule requirement.

Domain: 02 Safe & Sanitary Environment

Rule: 5180:2-12-12 Safe Environment

Requirement: The program is required to store chemicals in a place that is inaccessible to children.

Findings: Cleaning supplies were viewed stored out of the reach of children.

Requirement: The program is required to correct any floor hazard that may be unsafe.

Findings: All floor surfaces were maintained to not cause a slipping or tripping hazard.

Requirement: The program is required to provide an environment that protects the children in care from any items and conditions that may threaten their health, safety, and well-being.

Findings: A safe environment was observed during the inspection. Children were protected from items and conditions which threaten their health, safety and well-being.

Requirement: The program is required to maintain a temperature above 65 degrees and below 85 degrees.

Findings: The indoor temperature of the program during the inspection was comfortable and met rule compliance.

Requirement: The program is required to provide an environment that protects the children in care from any items and conditions that may threaten their health, safety, and well-being.

Findings: During the inspection, it was determined the program did not ensure applicable outlets (school age room) were covered as required. Technical assistance was offered to support compliance. As discussed, please make the necessary corrections. A written response is not required at this time.

Domain: 06 Program Information
