

Center Licensing Inspection Full Report

All licensed child care programs are inspected at least once each year. Non-compliances are documented and grouped as Serious, Moderate or Low risk violations. Documenting statements and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the child care website at <http://jfs.ohio.gov/CDC/childcare.stm>. This includes complaint investigation reports with substantiated allegations. For any other child care records, please contact the Child Care Help Desk at 1-877-302-2347, option 4.

Summary of Non-Compliances

If a program disagrees with a licensing finding, the program may request a review of the finding(s). Ohio Administrative Code 5101:2-12-03 and 5101:2-13-03 detail the process for submitting a request for review. The request for review must be submitted within seven business days from the receipt of the licensing report. In addition, if the program is star rated, the rating may be impacted if a serious or moderate risk non-compliance is cited.

Serious Risk Non-Compliances

No Serious Risk Non-Compliances were observed during this inspection

Moderate Risk Non-Compliances

Domain: 00 License & Approvals

Rule: 5101:2-12-04 Fire Inspection

Code: The program is required to have all spaces used for child care inspected by the fire department or the state fire marshal's office prior to serving children. The program is required to obtain a fire inspection without any uncorrected violations within 12 months from the date of the last fire inspection. If violations are noted during the inspection, the program is required to have all violations corrected and have the program re-inspected to obtain a completed fire form.

Finding: During the inspection, it was determined the program did not meet the requirements for fire inspection as noted in number 2 below:

1. The program did not have documentation on file for a fire inspection without any uncorrected violations within 12 months from the date of the last fire inspection and the request for the new inspection was not made at least 30 days prior to the expiration of the previous fire inspection.

2. The documentation for the most recent fire inspection contained violations that had not been corrected.
3. The [] space was being used and had not been approved by the fire department or the state fire marshal's office for child care.

Submit the program's corrective action plan, which includes an updated fire inspection without any uncorrected violations, to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 08/25/2023

Low Risk Non-Compliances

Domain: 03 Postings & Equipment

Rule: 5101:2-12-17 Daily Schedule

Code: The program is required to have the daily program schedule posted in all required areas.

Finding: During the inspection, it was determined that a copy of the daily program schedule was not posted in the ECE area as required. Technical assistance was provided at the time of the inspection, and as discussed, please correct this rule noncompliance. A written response for this rule noncompliance is not required at this time.

Domain: 04 Indoor/Outdoor Space

Rule: 5101:2-12-17 Daily Outdoor Play

Code: The program is required to provide daily outdoor play for all children.

Finding: During the inspection, it was determined that daily outdoor play was not provided for the preschool/school age groups. Technical assistance was provided at the time of the inspection, and as discussed, please correct this rule noncompliance. A written response for this rule noncompliance is not required at this time.

Domain: 07 Diapering & Infant Care

Rule: 5101:2-12-20 Cribs

Code: The program is required to obtain written permission from parents of children who are over 12 months old and will use a cot/mat instead of a crib.

Finding: During the inspection, it was determined that an infant who was 12 months or older was assigned to a cot without written permission from the parent, as required by this rule. Technical assistance was provided at the time of the inspection, and as discussed, please correct this rule noncompliance. A written response for this rule noncompliance is not required at this time.

Domain: 08 Staff Files

Rule: 5101:2-12-07 Administrator Responsibilities/Requirements

Code: The program administrator is required to maintain current employee records in the Ohio Professional Registry.

Finding: During the inspection, it was determined employment records in the Ohio Professional Registry (OPR) were not created or maintained as noted in number 4 below:

1. At least one administrator, employee or child care staff member (including substitutes) had not created a profile.
2. At least one administrator, employee or child care staff member had not created an employment record for the program on or before their first day of employment.
3. At least one administrator, employee or child care staff member had not updated changes to positions or roles within five calendar days of the change.
4. The administrator had not assigned at least one employee or child care staff member to the program's organization dashboard.
5. At least one individual's schedule was not current.
6. At least one individual's position or role did not include an applicable group assignment.
7. At least one individual's employment had not been end dated.
