

## Center Complaint Inspection Summary Report

All licensed child care programs are inspected at least once each year. Non-compliances are documented and grouped as Serious, Moderate or Low risk violations. Documenting statements and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the child care website at <http://jfs.ohio.gov/CDC/childcare.stm>. This includes complaint investigation reports with substantiated allegations. For any other child care records, please contact the Child Care Help Desk at 1-877-302-2347, option 4.

### Complaint Allegations

If a program disagrees with a licensing finding, the program may request a review of the finding(s). Ohio Administrative Code 5101:2-12-03 and 5101:2-13-03 detail the process for submitting a request for review. The request for review must be submitted within seven business days from the receipt of the licensing report. In addition, if the program is star rated, the rating may be impacted if a serious or moderate risk non-compliance is cited.

#### Domain:02 Safe & Sanitary Environment

Rule: 5101:2-12-12 Safe Environment

Code: The program is required to provide an environment that protects the children in care from any items and conditions that may threaten their health, safety, and well-being.

Allegation: It was alleged that a potentially hazardous substance was determined to be at the program.

Determination: Substantiated

Findings: During the inspection, it was determined the program did not protect children from an item or condition which threatened their health, safety, and wellbeing as noted in number(s) 5 below:

1. Children were exposed to a lead hazard in or near at least one area or at least one piece of equipment.
2. Children were exposed to lead hazards that were introduced into the environment during renovation or remodeling.
3. Children were exposed to an unsafe level of lead contained in paint, soil, dust, or other substance.
4. Children were exposed to drinking water containing an unsafe level of lead.
5. Illegal drugs were on the premises.

Submit the program's corrective action plan, which includes a statement that the item or condition has been removed or how the condition was remedied, to the Department to verify compliance with the requirements of this rule.

Risk Level: Moderate

Corrective Action Plan Due: 06/13/2024
