

## Family Child Care Licensing Inspection Full Report

All licensed child care programs are inspected at least once each year. Non-compliances are documented and grouped as Serious, Moderate or Low risk violations. Documenting statements and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the child care website at <http://jfs.ohio.gov/CDC/childcare.stm>. This includes complaint investigation reports with substantiated allegations. For any other child care records, please contact the Child Care Help Desk at 1-877-302-2347, option 4.

### Summary of Non-Compliances

If a program disagrees with a licensing finding, the program may request a review of the finding(s). Ohio Administrative Code 5101:2-12-03 and 5101:2-13-03 detail the process for submitting a request for review. The request for review must be submitted within seven business days from the receipt of the licensing report. In addition, if the program is star rated, the rating may be impacted if a serious or moderate risk non-compliance is cited.

#### Serious Risk Non-Compliances

**Domain: 06 Program Information**

Rule: 5101:2-13-24 Swimming Sites

Code: The program is required to have a certified lifeguard present when a depth of a swimming activity is more than 18 inches.

Findings: During the inspection, it was determined children were not properly supervised during a swimming activity as the depth of the water was more than eighteen inches and there was no certified lifeguard or water safety instructor present. Submit the program's corrective action plan to verify compliance with the requirement of the rule.

Corrective Action Plan Due: 09/11/2023

#### Moderate Risk Non-Compliances

**No Moderate Risk Non-Compliances were observed during this inspection**

#### Low Risk Non-Compliances

**Domain: 01 Ratio & Supervision**

**Rule: 5101:2-13-18 Attendance**

Code: The program is required to maintain a record of the arrival and departure of each child. The program is also required to retain the original attendance record at the center for a period of one year.

Findings: During the inspection, it was determined the program did not meet the requirements for keeping an attendance record as listed in number 3 below:

1. No attendance record was being maintained.
2. The attendance record was not being consistently completed.
3. The record did not include the biological name of at least one child.
4. The record did not include the birth date of at least one child.
5. The record did not include the assigned group.
6. The record did not include the child's weekly schedule.
7. The record did not include the time (hours and minutes) of each child's arrival and departure to the program, including transportation by the program.
8. The original attendance record was not kept at the program for a period of one year.

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

**Domain: 06 Program Information**

**Rule: 5101:2-13-24 Parent Permission for Swimming**

Code: The program is required to obtain written parental permission before children participate in water and swimming activities.

Findings: In the review of the program's records, it was determined that the written parental permission requirement for swimming/water activities was not met as noted in number 8 below:

1. The child's name and date of birth was missing.
2. Statement indicating whether the child is a non-swimmer or capable of swimming was missing.
3. Location of the water activities or swimming site by water of eighteen or more inches in depth was missing.
4. A statement of whether or not the program is providing additional adults or child care staff members above the licensing ratio requirements for this activity was missing.
5. A signature and date from the parent indicating permission for the activity was missing.
6. Permission was not obtained when water was directly accessible to children.
7. Permission was not obtained prior to a child swimming or playing in water eighteen inches or more in depth.
8. Permission was not obtained prior to a child participating in activities in or on water eighteen inches or more in depth.
9. Permission was not obtained prior to infants and toddlers using wading pools.
10. Written permission was not updated annually for on-going activities.

Correct the violation and submit the program's corrective action plan to verify compliance with the requirement of the rule.

**Domain: 06 Program Information**

Rule: 5101:2-13-14 Requirements for Field and Routine Trips

Code: The program is required to obtain written parental permission before leaving the premises and retain the forms for at least one year from the date of the trip. Routine trip permission forms must be updated annually.

Findings: In review of the program's records, it was determined that requirements for written permission from the parent/guardian for a field trip or routine trip were not met as listed in number 1 below:

1. Written parental permission was not secured for field trips and/or routine trips off the premises. (unable to verify since forms were not onsite)
2. The written permission was missing the child's name.
3. The written permission was missing the date(s) of the trip(s) (field trips only).
4. The written permission was missing the destination(s) of the trip(s).
5. The written permission was missing the departure and return time(s) of the trip(s) (field trips only).
6. The written permission was missing the signature of the parent.
7. The written permission was missing the date on which the permission was signed.
8. The written permission was missing a statement notifying parents how their child will be transported.
9. Permission forms for routine trips were not being updated annually.
10. Written parental permission forms for field trips and/or routine trips were not being maintained on file for at least one year from the date of the trip.
