Department of Children & Youth

Licensing Inspection Full Report

All licensed early care and education programs are inspected at least once each year. Non-compliances are documented and grouped by risk level. Documenting statements, technical assistance provided and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the Department of Children & Youth website at https://childcaresearch.ohio.gov/ . This includes complaint investigation reports with substantiated allegations. For any other early care and education records, please contact the Family and Customer Support Center at 1-844-234-5437.

Summary of Non-Compliances

If a program disagrees with a licensing finding, the program may request a review of the finding(s). Ohio Administrative Code 5180:2-12-03, 5180:2-13-03, 5180:2-19-10 and 5180:2-20-02 detail the process for submitting a request for review. The request for review must be submitted within ten business days from the receipt of the licensing report. In addition, if the program is Step Up To Quality rated, the rating may be impacted if a serious or moderate risk non-compliance is cited.

Serious Risk Non-Compliances

A serious risk non-compliance is a licensing rule violation that has the potential to lead to a great risk of harm to a child and is observable and/or based on facts.

No serious risk non-compliances were observed during this inspection

Moderate Risk Non-Compliances

A moderate risk non-compliance is a licensing rule violation that has the potential to lead to a great risk of harm to a child and is observable and/or based on facts.

Domain: **02 Safe & Sanitary Environment**

Rule: 5180:2-13-12 Safe Environment

Requirement: The program is required to refrain from using and storing potentially hazardous items, toxic substances, and outdoor machinery around children.

Finding: During the inspection, toxic substances were used or stored where children present had access. The potentially hazardous substances that posed a risk to children was determined to be accessible to children.

The following potentially hazardous substances were accessible to children: other potentially hazardous substance, equipment or machinery: superglue and poly grip denture adhesive accessible in the kitchen, wood finish outside on the way to the back door and cat litter in a litter box in the upstairs hallway outside of the bathroom.

Provide staff training. Submit the program's corrective action plan, which includes a statement that the potentially hazardous substance or item is no longer accessible to children and/or children will not be outside when machinery is in use and a statement that training was provided, to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 12/10/2026

Other Non-Compliances

This section includes other rule violations that are observable and/or based on facts.

Domain: **00 License & Approvals**

Rule: 5180:2-13-03 Inspection Requirements

Requirement: The program is required to respond to all non-compliances by the date noted in the inspection report.

Finding: During the inspection, it was determined the program had not responded to the non-compliances addressed in the inspection report dated 3/20/2026. The rule requires the program complete and submit a corrective action plan in the Ohio statewide licensing system to address non-compliances detailed in written inspection reports within the timeframe outlined in the report. Submit the program's corrective action plan, which includes a statement that current and future corrective action plans will be submitted timely, to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 12/10/2026

Domain: **00 License & Approvals**

Rule: 5180:2-13-02 Information in Ohio statewide licensing system

Requirement: The rule requires the program to keep their information current in the Ohio statewide licensing system.

Finding: During the inspection, it was determined that information was not up to date in the Ohio statewide licensing system.

The following information was not current: days and hours of operation.

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 12/10/2026

Domain: **01 Ratio & Supervision**

Rule: 5180:2-13-18 Attendance

Requirement: The program is required to maintain a record of the arrival and departure of each child. The program is also required to retain the original attendance record at the program for a period of one year.

Finding: During the inspection, it was determined the program did not meet the requirements for keeping an attendance record.

The following was observed: no attendance record was maintained.

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 12/10/2026

Domain: **02 Safe & Sanitary Environment**

Rule: 5180:2-13-12 Safe Environment

Requirement: The program is required to provide an environment that protects the children in care from any items and conditions that may threaten their health, safety, and well-being.

Finding: During the inspection, it was determined that children were not protected from items which may threaten their health, safety, or well-being.

The following was observed: stacked chairs.

Provide staff training. Submit the program's corrective action plan, which includes a statement that training was provided, to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 12/10/2026

Domain: **03 Postings & Equipment**

Rule: 5180:2-13-17 Programming

Requirement: The program is required to have a daily schedule posted in a visible place.

Finding: During the inspection, it was determined the daily schedule was not posted in the program. Correct the violation and submit the program's corrective action plan to verify compliance with the requirement of the rule.

Corrective Action Plan Due: 12/10/2026

Domain: **04 Indoor/Outdoor Space**

Rule: 5180:2-13-11 Fall Zone

Requirement: The program is required to place equipment over the proper surfaces.

Finding: During the inspection, it was determined the equipment designated for climbing, swinging, balancing and sliding did not meet the requirements as it was place over or next to hard surfaces.

The following was observed: The fall surface material had not been properly distributed, turned over or raked as needed.

The program is required to provide adequate fall zones under and around outdoor play equipment at all times. Submit the program’s corrective action plan to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 12/10/2026

Domain: **05 Health & Safety**

Rule: 5180:2-13-22 Meals and Snacks

Requirement: The program is required to post the current menu in a noticeable location that is accessible to parents and note any substitutions at the time of the change.

Finding: During the inspection, it was determined that the program's weekly menu did not meet the requirement .

The following was observed: the menu was not currently dated.

Submit the program’s corrective action plan to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 12/10/2026

Domain: **05 Health & Safety**

Rule: 5180:2-13-16 Emergency Preparedness and Response Plan

Requirement: The program is required to have a completed emergency preparedness and response plan.

Finding: During the inspection, it was determined the program's written emergency preparedness and response plan did not meet the requirement or was missing the information.

The following was observed missing: procedures for medical or dental emergencies, including emergency transportation; procedures for weather emergencies and natural disasters, including severe thunderstorms, tornadoes, flash flooding, major snowfall, blizzards, ice storms, or earthquakes.; procedures for emergency outdoor and indoor lockdown due to threats of violence, including active shooter, bioterrorism, or terrorism.; procedures for emergency or disaster evacuations due to hazardous materials and spills, gas leaks, or bomb threats..; procedures for outbreaks, epidemics, or other infectious disease emergencies.; procedures for loss of power, water, or heat.; other threatening situations that may pose a health or safety hazard to the children in the program.; emergency numbers for medical, dental, and transport-related emergencies in addition to 9-1-1.; shelter-in-place or evacuation procedures, including how the program will care for and account for children until they can be reunited with a parent.; a designated safe site where staff and children can safely remain when evacuated.; procedures for assisting infants, toddlers, and children with special needs and/or health conditions.; emergency contact information for parents and the program.; a designated safe site where staff and children can safely relocate and remain evacuated.; Procedures for notifying and communicating with parents regarding the location of children if evacuated.; procedures for communicating with parents during loss of communications when no phone or internet service is available.; the location of supplies and procedures for gathering necessary supplies for staff and children if required to shelter in place.; procedures for what to do if a disaster occurs during the transport of children or when on a field trip or routine trip.; making the plan available to all child care staff members and employees.; training of staff or reassignment of staff duties as appropriate.; updating the plan on a yearly basis.

Submit the program's corrective action plan, which includes the missing information, if applicable, to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 12/10/2026

Domain: **06 Program Information**

Rule: 5180:2-13-14 Vehicle Inspections

Requirement: The program is required to complete and document weekly vehicle inspections.

Finding: During the inspection, it was determined that the program had not performed or documented weekly inspections of vehicles used for transporting children.

The following was observed as missing: a visual inspection of the tires for wear and tire pressure.; a visual inspection of headlights, taillights, signals, mirrors, wiper blades, and dash gauges.; an inspection for properly functioning child

and driver restraints.; an inspection for properly functioning doors and windows.; an inspection for, and cleaning of, debris from the inside of the vehicle.

Submit the program's corrective action plan to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 12/10/2026

Domain: **08 Staff Files**

Rule: 5180:2-13-07 Staff Records

Requirement: The provider is required to maintain current employee, child care staff members and resident records in the Ohio Professional Registry.

Finding: During the inspection, it was determined employment records in the Ohio Professional Registry (OPR) were not created or maintained.

The following was observed: the provider had not updated the program's organizational dashboard in the OPR.; at least one resident over the age of eighteen had not updated their profile and employment record for the family child care provider.

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.
