

Family Child Care Licensing Inspection Full Report

All licensed child care programs are inspected at least once each year. Non-compliances are documented and grouped as Serious, Moderate or Low risk violations. Documenting statements and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the child care website at <http://jfs.ohio.gov/CDC/childcare.stm>. This includes complaint investigation reports with substantiated allegations. For any other child care records, please contact the Child Care Help Desk at 1-877-302-2347, option 4.

Summary of Non-Compliances

If a program disagrees with a licensing finding, the program may request a review of the finding(s). Ohio Administrative Code 5101:2-12-03 and 5101:2-13-03 detail the process for submitting a request for review. The request for review must be submitted within seven business days from the receipt of the licensing report. In addition, if the program is star rated, the rating may be impacted if a serious or moderate risk non-compliance is cited.

Serious Risk Non-Compliances

No Serious Risk Non-Compliances were observed during this inspection

Moderate Risk Non-Compliances

Domain: 04 Indoor/Outdoor Space

Rule: 5101:2-13-11 Outdoor Space

Code: The program is required to have an outdoor play space free from immediate risk.

Findings: During the inspection, it was determined that an area was used which was not protected from traffic and other hazards by a continuous fence in good condition, or natural barrier, that ensured children were not able to leave the playground area. The fence or natural barrier was determined to present an immediate risk for a child to be able to leave the playground as noted in number 1, 2, 6 below:

1. The fence, natural barrier, or combination of fence and natural barrier was not continuous.
2. The fencing had missing slat boards through which children could leave the playground.
3. The gate was broken and did not close.
4. The latch on the gate was broken.
5. The gate had no latch.
6. The fencing was broken.
7. The latch was easily opened by children on the playground.
8. The latch was not engaged to prevent children from opening the gate.
9. The portable fencing approved for use by the Department was not being used.
10. Other [].

Discontinue use of the playground and provide a space for outdoor play which is well defined by a continuous fence or natural barrier and protected from other hazards. Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 07/14/2024

Domain: 04 Indoor/Outdoor Space

Rule: 5101:2-13-11 Fall Zone

Code: The program is required to have an adequate fall surface on the outdoor playground.

Findings: During the inspection, it was determined that the playground did not have adequate fall surface under and around equipment as noted in the following number(s) 3 below:

1. No fall surface
2. Adequate fall surface to soften the impact of a fall
3. Other fall surface has not been kept up . the play area has not been kept up for use in quite some time.

Any equipment designed for climbing, swinging, bouncing, or sliding needs a fall zone of protective material resilient under and around the equipment in order to protect children in the event of a fall. Submit the program's corrective action plan, which includes written verification of the discontinued use of this equipment until corrections are made along with a description of the resilient material added, to the Department to verify compliance with the requirements of this rule.

Domain: 06 Program Information

Rule: 5101:2-13-14 Requirements for Field and Routine Trips

Code: The program is required to have all required items on trips.

Findings: During the inspection, it was determined that the item noted in number(s) 1,2 below was not taken on all routine and/or field trips for children with special health conditions as indicated on the Children Record Review form:

1. The completed JFS 01236 "Child Medical/Physical Care Plan for Child Care".
2. The supplies needed to provide treatment for child(ren) with health care conditions and/or medications that may need to be administered as indicated on the JFS 01236 "Child Medical/Physical Care Plan for Child Care".

Provide staff training. Submit the program's corrective action plan, which includes a written statement that verifies completed medical/physical care plans and any supplies needed to implement the plan will be taken on all future field trips and routine trips, and a statement that training was provided, to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 07/14/2024

Domain: 08 Staff Files

Rule: 5101:2-13-09 Background Checks

Code: The program is required to receive a preliminary approval from ODJFS prior to allowing an individual to engage in assigned duties or be near children.

Findings: In review of the staff records, it was determined that background checks did not meet the requirements of the rule for the person(s) listed on the Employee Record Chart as noted in number(s) 4 below:

1. The request for a background check for child care was not submitted in the OPR.
2. The fingerprints were not submitted electronically according to the process established by BCI.
3. The individual(s) had engaged in assigned duties or were near children and preliminary approval from ODJFS was not on file.
4. Background checks were not updated every five years.

Submit the program's corrective action plan, which includes a copy of the JFS 01176, or a copy of the preliminary approval or a statement that the individual(s) are no longer engaged in assigned duties and are not near children until the preliminary approval has been received, to the Department to verify compliance with the requirements of this rule.
