

Family Child Care Licensing Inspection Full Report

All licensed child care programs are inspected at least once each year. Non-compliances are documented and grouped as Serious, Moderate or Low risk violations. Documenting statements and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the child care website at <http://jfs.ohio.gov/CDC/childcare.stm>. This includes complaint investigation reports with substantiated allegations. For any other child care records, please contact the Child Care Help Desk at 1-877-302-2347, option 4.

Summary of Non-Compliances

If a program disagrees with a licensing finding, the program may request a review of the finding(s). Ohio Administrative Code 5101:2-12-03 and 5101:2-13-03 detail the process for submitting a request for review. The request for review must be submitted within seven business days from the receipt of the licensing report. In addition, if the program is star rated, the rating may be impacted if a serious or moderate risk non-compliance is cited.

Serious Risk Non-Compliances

No Serious Risk Non-Compliances were observed during this inspection

Moderate Risk Non-Compliances

Domain: 02 Safe & Sanitary Environment

Rule: 5101:2-13-12 Safe Environment

Code: The program is required to refrain from using and storing potentially hazardous items, toxic substances, and outdoor machinery around children.

Findings: During the inspection, a potentially hazardous item or toxic substance was used or stored where children present had access to it as noted in numbers 2 and 6 below. The potentially hazardous substance or item that posed a risk to children was determined to be accessible to children in the kitchen cabinet near the sink.

1. Bleach.
2. Cleaning agent.
3. Fish tank chemicals.
4. Gasoline.
5. Pesticide.
6. Poison, including insect/rodent poison.

11. Outdoor equipment, [], was not developmentally appropriate.
12. Outdoor equipment, [], was placed in the main traffic pattern.
13. Outdoor play equipment, [], was positioned too closely together, posing a risk of injury if a child were to fall from one piece of equipment into another.
14. Outdoor equipment, [], was not securely anchored but did not present a risk of imminent danger of the structure collapsing when children are using the equipment
15. Outdoor equipment, [], was 30 inches or more from the ground and did not have a protective barrier that would prevent a child from falling off this piece of equipment.
16. The manufacturer's guidelines for assembly and installation were not followed for the [].
17. Other [].

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 04/07/2024

Domain: 05 Health & Safety

Rule: 5101:2-13-16 Emergency Preparedness and Response Plan

Code: The program is required to have a completed emergency preparedness and response plan.

Findings: During the inspection, it was determined the program's written emergency and preparedness and response plan did not meet the requirement or was missing the information in number 14 below:

Procedures:

1. The written emergency and preparedness and response plan had not been completed
2. The plan was not provided to all child care staff and employees
3. Weather emergencies and natural disasters which include severe thunderstorms, tornadoes, flash flooding, major snowfall, blizzards, ice storms or earthquakes
4. Emergency outdoor and indoor lockdown or evacuation due to threats of violence which includes active shooter, bioterrorism or terrorism including a designated safe site where staff and children can safely remain when evacuated
5. Emergency or disaster evacuations due to hazardous materials and spills, gas leaks or bomb threats including a designated safe site where staff and children can safely remain when evacuated
6. Outbreaks, epidemics or other infectious disease emergencies
7. Loss of power, water, or heat
8. Other threatening situations that may pose a health or safety hazard to the children in the program

Details:

9. Shelter in place or evacuation, how the program will care for and account for the children until they can be reunited with the parent
10. Assisting infants, toddlers and children with special needs and/or health conditions
11. Emergency contact information for parents and the program
12. Procedures for notifying and communicating with parents regarding the location of the children if evacuated
13. Procedures for communicating with parents during loss of communications, no phone or internet service available
14. The location of supplies and procedures for gathering necessary supplies for staff and children if required to shelter in place
15. What to do if a disaster occurs during the transport of children or when on a field trip or routine trip
16. Making the plan available to all child care staff members and employees
17. Training of staff or reassignment of staff duties as appropriate
18. Updating the plan on a yearly basis
19. Contact with local emergency management officials

Add the missing information to the emergency preparedness and response plan. Submit the program's corrective action plan, which includes the missing information, to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 04/07/2024

Domain: 08 Staff Files

Rule: 5101:2-13-07 Staff Records

Code: The provider is required to maintain current employee, child care staff members and resident records in the Ohio Professional Registry.

Findings: During the inspection, it was determined that employment records in the Ohio Professional Registry (OPR) were not created or maintained as noted in number 11 below:

1. The provider had not created or updated their individual profile in the OPR.
2. The provider had not created or updated the program's organizational dashboard in the OPR.
3. At least one employee, child care staff member, or substitute child care staff member had not created or updated their individual profile in the OPR.
4. At least one employee, child care staff member, or substitute child care staff member had not created an employment record in the OPR for the program on or before the first day of employment, including date of hire.
5. At least one employee, child care staff member, or substitute child care staff member had not updated changes to positions or roles in the OPR within five calendar days of the change.
6. The program's organizational dashboard in the OPR was not updated within five business days when at least one employee, child care staff member, or substitute child care staff member's scheduled days and hours changed.
7. The program's organizational dashboard in the OPR was not updated within five business days when at least one employee, child care staff member, or substitute child care staff member's group assignments changed, if applicable.
8. The program's organizational dashboard in the OPR was not updated with the employment end date within five business days when at least one employee, child care staff member, or substitute child care staff member ended employment.
9. At least one resident over the age of eighteen had not created a profile and employment record for the family child care provider within five days of becoming a resident or turning eighteen.
10. The program's organizational dashboard in the OPR was not updated within five calendar days of a change in residency for at least one resident over the age of eighteen.
11. Other: Resident was not listed on program's OPR

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.
