

Family Child Care Licensing Inspection Full Report

All licensed child care programs are inspected at least once each year. Non-compliances are documented and grouped as Serious, Moderate or Low risk violations. Documenting statements and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the child care website at <http://jfs.ohio.gov/CDC/childcare.stm>. This includes complaint investigation reports with substantiated allegations. For any other child care records, please contact the Child Care Help Desk at 1-877-302-2347, option 4.

Summary of Non-Compliances

If a program disagrees with a licensing finding, the program may request a review of the finding(s). Ohio Administrative Code 5101:2-12-03 and 5101:2-13-03 detail the process for submitting a request for review. The request for review must be submitted within seven business days from the receipt of the licensing report. In addition, if the program is star rated, the rating may be impacted if a serious or moderate risk non-compliance is cited.

Serious Risk Non-Compliances

No Serious Risk Non-Compliances were observed during this inspection

Moderate Risk Non-Compliances

Domain: 04 Indoor/Outdoor Space

Rule: 5180:2-13-11 Fall Zone

Code: The program is required to have an adequate fall surface on the outdoor playground.

Findings: During the inspection, it was determined that the playground did not have adequate fall surface under and around equipment as noted in the following number 1 below:

1. No fall surface under the outdoor slide
2. Adequate fall surface to soften the impact of a fall
3. Other []

Any equipment designed for climbing, swinging, bouncing, or sliding needs a fall zone of protective material resilient under and around the equipment in order to protect children in the event of a fall. Submit the program's corrective action plan, which includes written verification of the discontinued use of this equipment until corrections are made along with a description of the resilient material added, to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 05/20/2026

Domain: 09 Children's Files

Rule: 5180:2-13-25 Medication Requirements

Code: The program staff is required to administer the correct dosage of the medication.

Findings: During the inspection, it was determined the program had administered medication to a child and the written instructions on the JFS 01217 "Request for Administration of Medication for Child Care" form or attached prescription label were not followed as noted in number 1 below:

1. Medication had been administered to a child at the center at a different time than directed.
2. Medication was administered to a child for a shorter period of time than directed.
3. The dose administered did not match the dosage required by the manufacturer's directions.
4. The dose administered did not match the dosage required by the written physician's instructions or the prescription label.
5. A child was administered the wrong medication provided to the program for that child. Provide training to the staff designated to administer medication that the parent's and physician's instructions on the prescribed form, as well as instructions on the prescription label, must be followed to avoid over or under medicating a child. Submit the program's corrective action plan, which includes a statement that training was provided, to the Department to verify compliance with the requirements of this rule.

Low Risk Non-Compliances

Domain: 01 Ratio & Supervision

Rule: 5180:2-13-18 Attendance

Code: The program is required to maintain a record of the arrival and departure of each child. The program is also required to retain the original attendance record at the program for a period of one year.

Findings: During the inspection, it was determined the program did not meet the requirements for keeping an attendance record as listed in numbers 2 and 7 and below:

1. No attendance record was being maintained.
2. The attendance record was not being consistently completed.
3. The record did not include the name of at least one child.
4. The record did not include the birth date of at least one child.
5. The record did not include the assigned group.
6. The record did not include the child's weekly schedule.
7. The record did not include the time (hours and minutes) of each child's arrival and departure to the program, including transportation by the program.
8. The original attendance record was not kept at the program for a period of one year.

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 05/20/2026

Domain: 02 Safe & Sanitary Environment

Rule: 5180:2-13-12 Safe Environment

Code: The program is required to provide an environment that protects the children in care from any items and conditions that may threaten their health, safety, and well-being.

Findings: Children in care shall be protected from any items and conditions which threaten their health, safety, and well being. During the inspection, it was determined that children were not protected from the following item(s) or condition(s) which may threaten their health, safety, or well being as noted in the following number 13 and 22 below:

1. Surge protectors/outlets did not have childproof receptacle covers.
2. Open pull cords that are not closed loop.
3. Toys or other items small enough to be swallowed were present in the space where infants and/or toddlers were in care.
4. Electrical/extension cords attached to an object that would not likely result in a severe injury if pulled.
5. Stacked chairs.
6. Telephone cords.
7. Employee(s) purse(s).
8. Diaper bags.
9. Television not securely anchored.

14. An area rug presented a tripping hazard.
15. A floor surface was unsafe in that [].
16. No platform was provided for the sink or toilet.
17. The platform provided for the sink or toilet was not sturdy.
18. The platform provided for the sink or toilet posed a safety hazard in that [].
19. Emergency exits were blocked by the following furniture in that [].
20. A mercury thermometer was being used to take a child's temperature.
21. Methods of ventilation used did not provide protection from rodents, insects, or other hazards.
22. Other: plastic grocery bags in the bathroom, other plastic bags in the playroom and trash bags in the outdoor play area

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 05/20/2026

Domain: 05 Health & Safety

Rule: 5180:2-13-16 Communicable Diseases

Code: The program is required to post the Ohio Communicable Disease Chart in a noticeable area.

Findings: During the inspection, it was determined that the Ohio Communicable Disease Chart was not posted as required, as indicated in the number 3 below:

1. In a location readily available to provider, child care staff members, employees, and residents;
2. The chart was not posted.
3. The posted chart was not the current version.
4. The posted chart was not displayed in the size available in the ODJFS forms central to be easily read.

Submit the program's corrective action plan to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 05/20/2026

Domain: 05 Health & Safety

Rule: 5180:2-13-22 Meals and Snacks

Code: The program is required to post the current menu in a noticeable location that is accessible to parents and note any substitutions at the time of the change.

Findings: During the inspection, it was determined that the program's weekly menu did not meet the requirement as noted in number 3 below.

1. The menu was not posted.
2. The posted menu was not in a visible place readily accessible to parents.
3. The menu was not currently dated.
4. The entire menu was substituted.
5. At least one item on menu did not match what was served.
6. The meal or snack served did not match the posted menu.

Submit the program's corrective action plan to verify compliance with the requirement of the rule.

Corrective Action Plan Due: 05/20/2026

Domain: 06 Program Information

Rule: 5180:2-13-14 Requirements for Field and Routine Trips

Code: The program is required to obtain written parental permission before leaving the premises and retain the forms for at least one year from the date of the trip. Routine trip permission forms must be updated annually.

Findings: In review of the program's records, it was determined that requirements for written permission from the parent/guardian for a field trip or routine trip were not met as listed in number 11 below:

1. Written parental permission was not secured for field trips and/or routine trips off the premises.

2. The written permission was missing the child's name.
3. The written permission was missing the date(s) of the trip(s) (field trips only).
4. The written permission was missing the destination(s) of the trip(s).
5. The written permission was missing the departure and return time(s) of the trip(s) (field trips only).
6. The written permission was missing the signature of the parent.
7. The written permission was missing the date on which the permission was signed.
8. The written permission was missing a statement notifying parents how their child will be transported.
9. Permission forms for routine trips were not being updated annually.
10. Written parental permission forms for field trips and/or routine trips were not being maintained on file for at least one year from the date of the trip.
11. Other: permission forms with only a parental signature with not other information completed are being kept on file

Submit the program's corrective action plan to verify compliance with the requirements of this rule.
