The request for review must be submitted within seven business days from the receipt of the licensing report. Rule: 5101:2-13-14 Driver Requirements

Code: The program is required to have all drivers be an employee or child care staff member of the program, a public transportation driver, or employed by a contracted transportation service company and retain a copy of

all licenses for drivers employed by the program. Only a child care staff member or employee may transport children without the provider present, except parents may transport children for field trips.

Findings: During the inspection, it was determined that Ms. Braden had not completed the "ODJFS Childcare transportation training" course.

Remove this individual from transporting children until the requirements are met. Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.
