

Family Child Care Licensing Inspection Full Report

All licensed child care programs are inspected at least once each year. Non-compliances are documented and grouped as Serious, Moderate or Low risk violations. Documenting statements and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the child care website at <http://jfs.ohio.gov/CDC/childcare.stm>. This includes complaint investigation reports with substantiated allegations. For any other child care records, please contact the Child Care Help Desk at 1-877-302-2347, option 4.

Summary of Non-Compliances

If a program disagrees with a licensing finding, the program may request a review of the finding(s). Ohio Administrative Code 5101:2-12-03 and 5101:2-13-03 detail the process for submitting a request for review. The request for review must be submitted within seven business days from the receipt of the licensing report. In addition, if the program is star rated, the rating may be impacted if a serious or moderate risk non-compliance is cited.

Serious Risk Non-Compliances

No Serious Risk Non-Compliances were observed during this inspection

Moderate Risk Non-Compliances

No Moderate Risk Non-Compliances were observed during this inspection

Low Risk Non-Compliances

Domain: 00 License & Approvals

Rule: 5101:2-13-03 Inspection Requirements

Code: The program is required to respond to all non-compliances by the date noted in the inspection report.

Findings: During the inspection, it was determined the program had not responded to the non-compliances addressed in the inspection report dated 7/6/2023. The rule requires the program complete and submit a corrective action plan in OCLQS to address non-compliances detailed in written inspection reports within the timeframe outlined in the report. Submit the program's corrective action plan, which includes a statement that current and future corrective action plans will be submitted timely, to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 01/05/2024

Domain: 02 Safe & Sanitary Environment

Rule: 5101:2-13-12 Safe Environment

Code: The program is required to refrain from using and storing outdoor machinery around children.

Findings: During the inspection, a potentially hazardous item or toxic substance was used or stored in a space used for child care during the program's hours of operation, but no children were present, as noted in number 5 below:

1. A lawn mower.
2. A weed trimmer.
3. Hedge trimmers.
4. A snow blower.
5. Other potentially hazardous substance, equipment or machinery: Slide extending from second story deck provides substantial risk due to height. While the top entrance is blocked, it is still possible to climb up through the bottom to the top of the slide.

Submit the program's corrective action plan, which includes a statement that the potentially hazardous substance or item is no longer accessible to children and/or children will not be outside when machinery is in use to the Department to verify compliance with the requirements of this rule. Slide must either be removed or made inaccessible by extended fence to make continuous.

Corrective Action Plan Due: 01/05/2024

Domain: 06 Program Information

Rule: 5101:2-13-24 Parent Permission for Swimming

Code: The program is required to obtain written parental permission before children participate in water and swimming activities.

Findings: In the review of the program's records, it was determined that the written parental permission requirement for swimming/water activities was not met as noted in numbers 3 & 4 below:

1. The child's name and date of birth was missing.
2. Statement indicating whether the child is a non-swimmer or capable of swimming was missing.

3. Location of the water activities or swimming site by water of eighteen or more inches in depth was missing. Adilyn, Grace, Jacob
4. A statement of whether or not the program is providing additional adults or child care staff members above the licensing ratio requirements for this activity was missing. Adilyn, Grace, Jacob
5. A signature and date from the parent indicating permission for the activity was missing.
6. Permission was not obtained when water was directly accessible to children.
7. Permission was not obtained prior to a child swimming or playing in water eighteen inches or more in depth.
8. Permission was not obtained prior to a child participating in activities in or on water eighteen inches or more in depth.
9. Permission was not obtained prior to infants and toddlers using wading pools.
10. Written permission was not updated annually for on-going activities.

Correct the violation and submit the program's corrective action plan to verify compliance with the requirement of the rule. Sample form JFS 01227 can be used to meet this requirement.

Corrective Action Plan Due: 01/05/2024

Domain: 08 Staff Files

Rule: 5101:2-13-07 Staff Records

Code: The provider is required to maintain current employee, child care staff members and resident records in the Ohio Professional Registry.

Findings: During the inspection, it was determined that employment records in the Ohio Professional Registry (OPR) were not created or maintained as noted in number 11 below:

1. The provider had not created or updated their individual profile in the OPR.
2. The provider had not created or updated the program's organizational dashboard in the OPR.
3. At least one employee, child care staff member, or substitute child care staff member had not created or updated their individual profile in the OPR.
4. At least one employee, child care staff member, or substitute child care staff member had not created an employment record in the OPR for the program on or before the first day of employment, including date of hire.
5. At least one employee, child care staff member, or substitute child care staff member had not updated changes to positions or roles in the OPR within five calendar days of the change.
6. The program's organizational dashboard in the OPR was not updated within five business days when at least one employee, child care staff member, or substitute child care staff member's scheduled days and hours changed.
7. The program's organizational dashboard in the OPR was not updated within five business days when at least one employee, child care staff member, or substitute child care staff member's group assignments changed, if applicable.
8. The program's organizational dashboard in the OPR was not updated with the employment end date within five business days when at least one employee, child care staff member, or substitute child care staff member ended employment.
9. At least one resident over the age of eighteen had not created a profile and employment record for the family child care provider within five days of becoming a resident or turning eighteen.
10. The program's organizational dashboard in the OPR was not updated within five calendar days of a change in residency for at least one resident over the age of eighteen.

11. Other: Resident Timothy must be added to program.

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 01/05/2024

Domain: 09 Children's Files

Rule: 5101:2-13-15 Child Medical and Enrollment Records

Code: The program is required to have a completed JFS 01234 "Child Enrollment and Health Information for Child Care" on file on the premises for each child.

Findings: In review of the children's records, it was determined that information had not been secured from the parent/guardian on the JFS 01234 "Child Enrollment and Health Information For Child Care", as required, for the items in numbers 10 & 14 below:

1. No enrollment form was completed for at least one child
2. The current JFS 01234 was not completed for at least one child
3. Complete child information
4. Complete parent information
5. Complete emergency contact information
6. Complete physician information
