

Licensing Inspection Full Report

All licensed early care and education programs are inspected at least once each year. Non-compliances are documented and grouped by risk level. Documenting statements, technical assistance provided and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the Department of Children & Youth website at <https://childcaresearch.ohio.gov/>. This includes complaint investigation reports with substantiated allegations. For any other early care and education records, please contact the Family and Customer Support Center at 1-844-234-5437.

Summary of Non-Compliances

If a program disagrees with a licensing finding, the program may request a review of the finding(s). Ohio Administrative Code 5180:2-12-03, 5180:2-13-03, 5180:2-19-10 and 5180:2-20-02 detail the process for submitting a request for review. The request for review must be submitted within ten business days from the receipt of the licensing report. In addition, if the program is Step Up To Quality rated, the rating may be impacted if a serious or moderate risk non-compliance is cited.

Serious Risk Non-Compliances

A serious risk non-compliance is a licensing rule violation that has the potential to lead to a great risk of harm to a child and is observable and/or based on facts.

No serious risk non-compliances were observed during this inspection

Moderate Risk Non-Compliances

A moderate risk non-compliance is a licensing rule violation that has the potential to lead to a great risk of harm to a child and is observable and/or based on facts.

No moderate risk non-compliances were observed during this inspection

Other Non-Compliances

This section includes other rule violations that are observable and/or based on facts.

Domain: 00 License & Approvals

Rule: 5180:2-13-02 Information in Ohio statewide licensing system

Requirement: The rule requires the program to keep their information current in the Ohio statewide licensing system.

Finding: During the inspection, it was determined that information was not up to date in the Ohio statewide licensing system.

The following information was not current: provider pay rates.

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 10/18/2026

Domain: 02 Safe & Sanitary Environment

Rule: 5180:2-13-12 Safe Environment

Requirement: The program is required to store cleaning and sanitizing supplies in a place that is inaccessible to children. Cleaning agents, aerosol cans and chemical substances must be stored in their original container or clearly labeled. School-age children may use cleaning supplies and equipment with adult supervision.

Finding: During the inspection, cleaning and sanitizing equipment and supplies were not used or stored properly.

The following was observed: calamine lotion was accessible in the living room, Fabuloso and dish soap were accessible in the kitchen.

Provide staff training. Submit the program's corrective action plan, which includes a statement that the potentially hazardous substance is no longer accessible to children and a statement that training was provided, to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 10/18/2026

Domain: 02 Safe & Sanitary Environment

Rule: 5180:2-13-12 Safe Environment

Requirement: The program is required to provide an environment that protects the children in care from any items and conditions that may threaten their health, safety, and well-being.

Finding: During the inspection, it was determined that children were not protected from item(s) or condition(s) which may threaten their health, safety, or well-being.

The following was observed: several cords were accessible to children in the living room.

Provide staff training. Submit the program's corrective action plan, which includes a statement that training was provided, to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 10/18/2026

Domain: 03 Postings & Equipment

Rule: 5180:2-13-16 Medical, Dental, and General Emergency Plan

Requirement: The program is required to post emergency phone numbers.

Finding: During the inspection, it was determined that emergency phone numbers were not posted, readily in view in spaces used by the children.

The following was observed: Phone numbers for the local emergency squad, hospital, Police Department, Fire Department, poison control, Public Children Services Agency, Health Department, and Emergency Management Agency were not posted in the sunroom, kitchen, dining, or living room.

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 10/18/2026

Domain: 03 Postings & Equipment

Rule: 5180:2-13-16 Medical, Dental, and General Emergency Plan

Requirement: The program is required to post the fire and weather alert plan with a diagram.

Finding: During the inspection, it was determined the posted weather and fire alert plan did not meet the requirements in rule.

The following was observed: the weather and fire alert plan were not posted in the sunroom, kitchen, dining, or living room.

Correct the violation and submit the program's corrective action plan to verify compliance with the requirement of the rule.

Corrective Action Plan Due: 10/18/2026

Domain: 05 Health & Safety

Rule: 5180:2-13-16 Emergency Preparedness and Response Plan

Requirement: The program is required to have a completed emergency preparedness and response plan.

Finding: During the inspection, it was determined the program's written emergency preparedness and response plan did not meet the requirement or was missing the information.

The following was observed missing:

- Procedures for medical or dental emergencies, including emergency transportation.
- Procedures in the event of an earthquake.
- Independent procedures in the event of an active shooter, bioterrorism, or terrorism.
- Procedures in the event of a gas leak or bomb threat. The procedures for hazardous materials and spills needs to include the emergency evacuation destination.
- Independent procedures in the event of an outbreak, epidemic, or other infectious disease emergency.
- The procedures for loss of power, water, or heat need to include the utility company's contact information that provides power/water/heat to the program. The procedures for loss of water and loss of heat need more information.
- Emergency numbers for medical, dental, and transport related emergencies in addition to 911.
- Procedures for assisting infants, toddlers, and children with special needs/health conditions.
- A designated safe site where staff and children can safely relocate and remain when evacuated. This must be the same as the evacuation destination provided in the Written Information.
- How the parents are provided with your emergency contact information, and how you obtain the parents' emergency contact information.
- Procedures for notifying/communicating with parents regarding the location of the children if evacuated.
- Procedures for communicating with parents during the loss of communication, when there is no phone or internet service available.

- In the section about making this plan available to all childcare staff members/employees, please remove mentions to childcare staff members/employees as you are the only staff member at this time. Describe how this plan is made available to you.
- In the section about training staff or reassignment of staff duties, please remove mentions of childcare staff members as you are the only staff member at this time. State how you are trained annually in these procedures. This section is not related to fire, weather, or lockdown drills.
- A section regarding how you will contact local emergency management officials.

Please refer to the DCY 01114 "Emergency Preparedness and Response Plan (EPRP) Instructions" found on the DCY Tips for Compliance page for guidance completing these requirements. When you respond to the corrective action plan, please upload the sections that have been added or corrected, and not the whole Emergency Preparedness and Response Plan.

Submit the program's corrective action plan, which includes the missing information, if applicable, to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 10/18/2026

Domain: 06 Program Information

Rule: 5180:2-13-24 On-site Pools

Requirement: The provider and program staff are required to make pools on the premises inaccessible to children.

Finding: During the inspection, it was determined a hot tub was located on the premises and was accessible to children as the hot tub cover was off and children could easily enter it from the side. Correct the violation and submit the program's corrective action plan to verify compliance with the requirement of the rule.

Corrective Action Plan Due: 10/18/2026

Domain: 06 Program Information

Rule: 5180:2-13-14 Requirements for Field and Routine Trips

Requirement: The program is required to obtain written parental permission before leaving the premises and retain the forms for at least one year from the date of the trip. Routine trip permission forms must be updated annually.

Finding: In review of the program's records, it was determined that requirements for written permission from the parent/guardian for a routine trip were not met.

The following was observed: a routine trip form did not have the parent or guardian's signature.

Submit the program's corrective action plan to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 10/18/2026

Domain: 08 Staff Files

Rule: 5180:2-13-07 Provider Responsibilities

Requirement: The provider is required to maintain the required liability insurance or have a completed DCY 01933 "Liability Insurance Statement for Family Child Care Providers" on file for each child in care.

Finding: During the inspection, it was determined the provider did not have a completed DCY 01933 "Liability Insurance Statement for Family Child Care Providers" completed for each child in care. Correct the violation and submit proof of insurance with the program's corrective action plan to verify compliance with the requirement of the rule.

Corrective Action Plan Due: 10/18/2026

Domain: 10 Written Policies & Procedures

Rule: 5180:2-13-07 Written Policies and Procedures

Requirement: The program is required to have policies and procedures for all items listed in this rule.

Finding: On the day of the inspection, the program's written policies and procedures provided to the parents/guardians and employees was missing item(s).

The following was observed as missing:

- The basic daily schedule did not include the hours from 9pm-6am. It was also missing the times when the provider picks up/drops off children.
- The staff/child ratios stated the maximum capacity was 6 instead of 7.
- The enrollment section stated that children who are not yet attending kindergarten or above are required to have medical files; this is no longer the case. Children not yet attending kindergarten or above are required to have a current immunization record on file within the first 30 days of attendance at the program.
- There was not a written security plan that ensures access to the home is limited to parents/guardians/authorized persons.
- There were no policies for suspension or expulsion of children.
- The section regarding compliance with the Americans with Disabilities Act (ADA) needs more information. How will the provider assess children with disabilities' needs and determine if the program is able to accommodate their needs or not?

- The food and dietary policy needs more information. Include the five basic food groups: protein, grains, fruits, vegetables, and dairy. Breakfast must include 3/5 of the basic food groups, meals must consist of 5/5 of the basic food groups, and snacks must consist of 2/5 of the basic food groups. Milk must be offered based on parental preference. Obtain a physician's written instructions if administering a medical food to any child or if an entire food group is eliminated. When special diets are required for cultural or religious reasons, obtain written, dated and signed instructions from the child's parent unless the special diet is part of the provider's program. Individual water bottles must be labeled with the child's name. Refer to rule 5180:2-13-22 for more information.
- In the section about procedures taken in the event of an emergency, serious illness, or injury, update the evacuation location. This must be the same location stated in the Emergency Preparedness and Response Plan.
- The section regarding usage of emergency medical devices and emergency medications must include any emergency devices/medications that the program has that could be applied to any person at any time. Include the AED, the anti-choking device, and any other emergency medical devices/medications kept on site at the program.
- In the section regarding transportation policies, include that a routine trip form is required for each child enrolled and the make and model of any/all vehicles the provider uses to transport children. In this section, please clarify whether or not you transport children during emergencies in your own personal vehicle.
- In the section regarding water activities, include that the program has a hot tub on premise, that children are not allowed to use it, and how it is kept inaccessible during your program's operating hours.
- The section about non-traditional care (between the hours of 7pm-6am) needs more information. How does your program handle children's personal items (toothbrush, pj's, washcloths, etc.). How does your program implement bed time routines and bath time, including how school-age boys and girls are kept separated. How does your program ensure the home is adequately lit to ensure the provider can always see the children, and that the outdoor walkways/entrances are safe for pick up/drop off? Refer to rule 5180:2-13-21 for more information.
- The social media policy needs to remove mentions of staff and substitutes as the provider is the only staff at this time.
- Add a policy explaining how you prohibit exposing children to inappropriate language, media, or behavior.

Please utilize the DCY 01312-I "Instructions on Written Information for Parents and Employees" found on the forms website for guidance completing these requirements. When you respond to the corrective action plan, please attach the sections that have been added/corrected and not the entire Written Information document.

Correct the violation and submit the program's corrective action plan to verify compliance with the requirement of the rule.
