

Family Child Care Licensing Inspection Full Report

All licensed child care programs are inspected at least once each year. Non-compliances are documented and grouped as Serious, Moderate or Low risk violations. Documenting statements and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the child care website at <http://jfs.ohio.gov/CDC/childcare.stm>. This includes complaint investigation reports with substantiated allegations. For any other child care records, please contact the Child Care Help Desk at 1-877-302-2347, option 4.

Summary of Non-Compliances

If a program disagrees with a licensing finding, the program may request a review of the finding(s). Ohio Administrative Code 5101:2-12-03 and 5101:2-13-03 detail the process for submitting a request for review. The request for review must be submitted within seven business days from the receipt of the licensing report. In addition, if the program is star rated, the rating may be impacted if a serious or moderate risk non-compliance is cited.

Serious Risk Non-Compliances

No Serious Risk Non-Compliances were observed during this inspection

Moderate Risk Non-Compliances

Domain: 09 Children's Files

Rule: 5101:2-13-25 Medication Requirements

Code: The program is required to use the appropriate form and retain current documentation to administer medications. The program is also required to obtain separate documentation for each medication and child, and retain on file each JFS 01217 "Request for Administration of Medication for Child Care" for at least one year. The program is required to administer medication only if it has the prescription label attached or had written instructions from a licensed physician. The program is also required to have each medication to be administered stored in its original container.

Findings: During the inspection, it was determined the program did not meet the requirement for administering a medication, medical food or a prescription topical product to a child as noted in number 1 below:

1. The JFS 01217 "Request for Administration of Medication for Child Care" was not on file for a medication, medical food, or prescription topical product that was not required by a JFS 01236 "Child Medical/Physical Care Plan for Child Care".
2. The child's name was missing on the JFS 01217.
3. The child's date of birth was missing on the JFS 01217 and was needed to determine the correct dosage.
4. The child's weight was missing on the JFS 01217 and was needed to determine the correct dosage.
5. The name of the medication was missing on the JFS 01217.
6. The exact dose was missing on the JFS 01217.
7. The time to administer was missing on the JFS 01217.
8. The time period to administer was missing on the JFS 01217.
9. The medication's expiration date was missing on the JFS 01217.
10. The Parent/Guardian's dated signature was missing on the JFS 01217.

11. Physician instructions were missing on the JFS 01217.
12. Possible side effects were missing on the JFS 01217.
13. Physician's dated signature was missing on the JFS 01217.
14. Physician's phone number was missing on the JFS 01217.
15. Date medication was administered was missing on the JFS 01217.
16. Time medication was administered was missing on the JFS 01217.
17. Dosage administered was missing on the JFS 01217.
18. Staff member's signature was missing on the JFS 01217.
19. A prescription label was not attached to the prescription medication.
20. The medication or product, [], was not brought to the program in its original container.
21. Parent instructions conflict with either the manufacturer or physician instructions.

Submit the program's corrective action plan, which includes the completed JFS 01217 for each child needed, verification that the prescription label is now attached, and/or verification that the medication or product is now in its original container, and a statement that training was provided, to the Department to verify compliance with the requirements of this rule.

Low Risk Non-Compliances

Domain: 01 Ratio & Supervision

Rule: 5101:2-13-18 Attendance

Code: The program is required to maintain a record of the arrival and departure of each child. The program is also required to retain the original attendance record at the program for a period of one year.

Findings: During the inspection, it was determined the program did not meet the requirements for keeping an attendance record as listed in number 2 below:

1. No attendance record was being maintained.
2. The attendance record was not being consistently completed.
3. The record did not include the name of at least one child.
4. The record did not include the birth date of at least one child.
5. The record did not include the assigned group.
6. The record did not include the child's weekly schedule.
7. The record did not include the time (hours and minutes) of each child's arrival and departure to the program, including transportation by the program.
8. The original attendance record was not kept at the program for a period of one year.

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 07/25/2024

Domain: 02 Safe & Sanitary Environment

Rule: 5101:2-13-12 Safe Environment

Code: The program is required to store cleaning and sanitizing supplies in a place that is inaccessible to children. Cleaning agents, aerosol cans and chemical substances must be stored in their original container or clearly labeled. School-age children may use cleaning supplies and equipment with adult supervision.

Findings: During the inspection, cleaning and sanitizing equipment and supplies were not used or stored properly as noted in numbers 1 and 15 below:

1. Cosmetics were accessible to children in the bathroom area.
2. Disinfecting wipes were accessible to children in the [] area.
3. Fish food was accessible to children in the [] area.
4. Hand lotion was accessible to children in the [] area.
5. Hand sanitizer (for children under 24 months) was accessible to children in the [] area.
6. Laundry detergent was accessible to children in the [] area.
7. Powder dish washing soap was accessible to children in the [] area.
8. Paint cans were accessible to children in the [] area.
9. White out was accessible to children in the [] area.
10. Potting Soil was accessible to children in the [] area.
11. Other potentially hazardous substance [] was accessible to children in the [] area.
12. Cleaning/sanitizing supplies had not been clearly labeled.
13. School-age children were using cleaning supplies, agents and/or equipment without adult supervision.
14. A spray aerosol was used in the [] group while children were in attendance.
15. Other: wax warmer accessible in bathroom.

Provide staff training. Submit the program's corrective action plan, which includes a statement that the potentially hazardous substance is no longer accessible to children and a statement that training was provided, to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 07/25/2024

Domain: 06 Program Information

Rule: 5101:2-13-14 Requirements for Field and Routine Trips

Code: The program is required to obtain written parental permission before leaving the premises and retain the forms for at least one year from the date of the trip. Routine trip permission forms must be updated annually.

Findings: In review of the program's records, it was determined that requirements for written permission from the parent/guardian for a field trip or routine trip were not met as listed in number 3 below:

1. Written parental permission was not secured for field trips and/or routine trips off the premises.
2. The written permission was missing the child's name.
3. The written permission was missing the date(s) of the trip(s) (field trips only).
4. The written permission was missing the destination(s) of the trip(s).
5. The written permission was missing the departure and return time(s) of the trip(s) (field trips only).
6. The written permission was missing the signature of the parent.
7. The written permission was missing the date on which the permission was signed.
8. The written permission was missing a statement notifying parents how their child will be transported.
9. Permission forms for routine trips were not being updated annually.
10. Written parental permission forms for field trips and/or routine trips were not being maintained on file for at least one year from the date of the trip.
11. Other: [].

Submit the program's corrective action plan to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 07/25/2024

Domain: 08 Staff Files

Rule: 5101:2-13-09 Background Checks

Code: The program is required to have the applicable JFS 01176 "Program Notification of Background Check Review for Child Care" on file.

Findings: In review of the staff records, it was determined that background check requirements had not been followed, for the individual(s) listed on the Employee Record Chart, as noted in number 1 below:

1. The JFS 01176 "Program Notification of Background Check Review for Child Care" the program received from the Department was not on file and the individual was not left alone with children.
2. The JFS 01177 "Individual Notification of Background Check Review for Child Care" was on file instead of the JFS 01176.
3. The JFS 01176 on file was for a different program.

Submit the program's corrective action plan, which includes a statement that the correct form is now on file, to verify compliance with the requirements of this rule.
