Department of Children & Youth

Licensing Inspection Full Report

All licensed early care and education programs are inspected at least once each year. Non-compliances are documented and grouped by risk level. Documenting statements, technical assistance provided and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the Department of Children & Youth website at https://childcaresearch.ohio.gov/ . This includes complaint investigation reports with substantiated allegations. For any other early care and education records, please contact the Family and Customer Support Center at 1-844-234-5437.

Summary of Non-Compliances

If a program disagrees with a licensing finding, the program may request a review of the finding(s). Ohio Administrative Code 5180:2-12-03, 5180:2-13-03, 5180:2-19-10 and 5180:2-20-02 detail the process for submitting a request for review. The request for review must be submitted within ten business days from the receipt of the licensing report. In addition, if the program is Step Up To Quality rated, the rating may be impacted if a serious or moderate risk non-compliance is cited.

Serious Risk Non-Compliances

A serious risk non-compliance is a licensing rule violation that has the potential to lead to a great risk of harm to a child and is observable and/or based on facts.

No serious risk non-compliances were observed during this inspection

Moderate Risk Non-Compliances

A moderate risk non-compliance is a licensing rule violation that has the potential to lead to a great risk of harm to a child and is observable and/or based on facts.

No moderate risk non-compliances were observed during this inspection

Ohio Department of Children & Youth

Other Non-Compliances

This section includes other rule violations that are observable and/or based on facts.

Domain: **02 Safe & Sanitary Environment**

Rule: 5180:2-20-05 Safe Environment

Requirement: The program is required to provide an environment that protects the children in care from any items and conditions that may threaten their health, safety, and well-being.

Finding: During the inspection, it was determined that children were not protected from item(s) or condition(s) which may threaten their health, safety, or well-being. The following was observed: employee purse in Room 1 was sitting on the floor in front of a teacher's desk within reach of children. Provide staff training. Submit the program's corrective action plan, which includes a statement that training was provided, to the department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 12/02/2026

Domain: **05 Health & Safety**

Rule: 5180:2-20-08 Parent Notification of Incidents/Injuries

Requirement: The program is required to complete the DCY 01299 "Incident/Injury Report" for injuries and incidents at the program, provide a copy to the person who picks the child up on the day of the incident, and retain a copy of the form onsite at the program for one year. An electronic equivalent of the form may be used.

Finding: In review of the records, it was determined the program did not meet the requirements for completing a DCY 01299 "Incident/Injury Report" in that program information (program name, number, address) was incomplete; the child's birthdate was incomplete; the number of children present in the group at the time of the incident was incomplete. Submit the program's corrective action plan to the department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 12/02/2026

Technical Assistance Provided

This section documents technical assistance provided to the program when the program demonstrated an overall level of compliance with a rule requirement.

Domain: 01 Ratio & Supervision

Rule: 5180:2-20-03 Sleeping and Napping

Requirement: The program is required to provide a quiet activity for children who do not fall asleep after an appropriate length of time.

Findings: During the inspection, it was determined the program did not provide quiet activities for a child not sleeping, as required. Technical assistance was offered to support compliance. As discussed, please make the necessary corrections. A written response is not required at this time.

Domain: 05 Health & Safety

Rule: 5180-37-04 Emergency Drills

Requirement: The program director is required to provide procedures for emergency situations, including fire drills, rapid dismissals, tornado drills, and school safety drills, and keeping record of drills and dismissals.

Findings: During the inspection, it was determined the program's policies did not require keeping records of emergency drills or dismissals. Technical assistance was offered to support compliance. As discussed, please make the necessary corrections. A written response is not required at this time.

Domain: 08 Staff Files

Rule: 5180-37-04 Preschool Staff Member Education

Requirement: This rule requires each class/group in a preschool program to have a lead teacher assigned that meets the requirements outlined in the rule.

Findings: During the inspection, it was determined the preschool staff member's education document verifying completion of high school education is not complete or on file as required. Technical assistance was offered to support compliance. As discussed, please make the necessary corrections. A written response is not required at this time.
