Department of Children & Youth

Licensing Inspection Full Report

All licensed early care and education programs are inspected at least once each year. Non-compliances are documented and grouped by risk level. Documenting statements, technical assistance provided and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the Department of Children & Youth website at https://childcaresearch.ohio.gov/ . This includes complaint investigation reports with substantiated allegations. For any other early care and education records, please contact the Family and Customer Support Center at 1-844-234-5437.

Summary of Non-Compliances

If a program disagrees with a licensing finding, the program may request a review of the finding(s). Ohio Administrative Code 5180:2-12-03, 5180:2-13-03, 5180:2-19-10 and 5180:2-20-02 detail the process for submitting a request for review. The request for review must be submitted within ten business days from the receipt of the licensing report. In addition, if the program is Step Up To Quality rated, the rating may be impacted if a serious or moderate risk non-compliance is cited.

Serious Risk Non-Compliances

A serious risk non-compliance is a licensing rule violation that has the potential to lead to a great risk of harm to a child and is observable and/or based on facts.

No serious risk non-compliances were observed during this inspection

Moderate Risk Non-Compliances

A moderate risk non-compliance is a licensing rule violation that has the potential to lead to a great risk of harm to a child and is observable and/or based on facts.

Domain: **01 Ratio & Supervision**

Rule: 5180-37-04 Ratio

Requirement: The program must maintain the required staff to child ratio at all times for each group served.

Finding: During the inspection, a ratio of 1 child care staff member(s) for 17 children was determined to have occurred for the preschool group when one of two teachers left the room to go to the office. Provide staff training. Submit the program's corrective action plan, which includes a statement that training was provided, to the department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 10/30/2026

Domain: **02 Safe & Sanitary Environment**

Rule: 5180:2-20-05 Safe Environment

Requirement: The program is required to provide an environment that protects the children in care from any items and conditions that may threaten their health, safety, and well-being.

Finding: During the inspection, it was determined the program did not protect children from an unsafe item, condition or equipment. The following was observed: a mop with the cleaning pad and cleaning chemical attached was within reach of children in the classroom restroom. Any hazardous equipment must be removed, replaced, or repaired and any hazardous condition must be corrected and must be made inaccessible to children. Provide staff training. Submit the program's corrective action plan, which includes a statement that the item or condition has been removed and a statement that training was provided, to the department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 10/30/2026

Other Non-Compliances

This section includes other rule violations that are observable and/or based on facts.

Domain: **09 Children's Files**

Rule: 5180:2-20-08 Child Immunization Records

Requirement: The program is required to have complete child immunization records on file.

Finding: In review of 25% of the children's records, it was determined that complete child immunization records were not on file, as required, for children listed on the DCY Children's Record Review for Child Care, in that two of the children selected did not have immunization records on file. Submit the program's corrective action plan to the department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 10/30/2026

Domain: **09 Children's Files**

Rule: 5180:2-20-08 Child Health Records

Requirement: The program is required to secure and have on file required information by the first day of attendance for all children.

Finding: In review of 25% of the children's records, it was determined that child health record information was incomplete in that page 2 of the enrollment form was missing so information regarding health records was missing as well as permission for emergency medical care/transportation. Submit the program's corrective action plan to the department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 10/30/2026

Domain: **10 Written Policies & Procedures**

Rule: 5180:2-20-07 Emergency Preparedness and Response Plan

Requirement: The program is required to train staff on the emergency preparedness and response plan annually.

Finding: During the inspection, it was determined the program's emergency preparenedness and response plan (EPRP) did not meet the requirement for training preschool staff members and employees on the plan annually. Submit the program's corrective action plan to the department to verify compliance with the requirements of this rule

Corrective Action Plan Due: 10/30/2026

Technical Assistance Provided

This section documents technical assistance provided to the program when the program demonstrated an overall level of compliance with a rule requirement.

Domain: 05 Health & Safety

Rule: 5180:2-20-06 First Aid/Standard Precautions

Requirement: The program is to ensure first aid kits contain all required items and are readily available at all times.

Findings: During the inspection, it was determined the program's first aid kit did not contain appropriate materials as required (missing assorted gauze squares). Technical assistance was offered to support compliance. As discussed, please make the necessary corrections. A written response is not required at this time.

Domain: 09 Children's Files

Rule: 5180:2-20-08 Child Cumulative Records

Requirement: The program is required to secure and have on file required information by the first day of attendance for all children.

Findings: During the inspection, it was determined the child's cumulative record was missing required information. Technical assistance was offered to support compliance. As discussed, please make the necessary corrections. A written response is not required at this time.

Department of Children & Youth

Domain: 10 Written Policies & Procedures

Rule: 5180:2-20-03 Parent Notification and Participation Policies

Requirement: The program's parent handbook is required to include all topics outlined in rule.

Findings: During the inspection, it was determined the program's parent handbook did not contain all items as required. Technical assistance was offered to support compliance. As discussed, please make the necessary corrections. A written response is not required at this time.
