Department of Children & Youth

Licensing Inspection Full Report

All licensed early care and education programs are inspected at least once each year. Non-compliances are documented and grouped by risk level. Documenting statements, technical assistance provided and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the Department of Children & Youth website at https://childcaresearch.ohio.gov/ . This includes complaint investigation reports with substantiated allegations. For any other early care and education records, please contact the Family and Customer Support Center at 1-844-234-5437.

Summary of Non-Compliances

If a program disagrees with a licensing finding, the program may request a review of the finding(s). Ohio Administrative Code 5180:2-12-03, 5180:2-13-03, 5180:2-19-10 and 5180:2-20-02 detail the process for submitting a request for review. The request for review must be submitted within ten business days from the receipt of the licensing report. In addition, if the program is Step Up To Quality rated, the rating may be impacted if a serious or moderate risk non-compliance is cited.

Serious Risk Non-Compliances

A serious risk non-compliance is a licensing rule violation that has the potential to lead to a great risk of harm to a child and is observable and/or based on facts.

No serious risk non-compliances were observed during this inspection

Moderate Risk Non-Compliances

A moderate risk non-compliance is a licensing rule violation that has the potential to lead to a great risk of harm to a child and is observable and/or based on facts.

Domain: **02 Safe & Sanitary Environment**

Rule: 5180:2-20-05 Safe Environment

Requirement: The program is required to provide an environment that protects the children in care from any items and conditions that may threaten their health, safety, and well-being.

Finding: During the inspection, it was determined the program did not protect children from an unsafe item, condition or equipment. The following was observed: chemicals were observed in a low, unlocked cabinet and not kept inaccessible as required. Any hazardous equipment must be removed, replaced, or repaired and any hazardous condition must be corrected and must be made inaccessible to children. Noncompliance was corrected during the inspection. Provide staff training. Submit the program's corrective action plan, which includes a statement that the item or condition has been removed and a statement that training was provided, to the department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 11/29/2026

Other Non-Compliances

This section includes other rule violations that are observable and/or based on facts.

Domain: **02 Safe & Sanitary Environment**

Rule: 5180:2-20-05 Safe Environment

Requirement: The program is required to provide an environment that protects the children in care from any items and conditions that may threaten their health, safety, and well-being.

Finding: During the inspection, it was determined that children were not protected from item(s) or condition(s) which may threaten their health, safety, or well-being. The following was observed: employee purses. Noncompliance was corrected during the inspection. Provide staff training. Submit the program's corrective action plan, which includes a statement that training was provided, to the department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 11/29/2026

Domain: **08 Staff Files**

Rule: 5180-37-04 Preschool Staff Member Medical Statement

Requirement: This rule requires any individual who may have an assigned schedule with a preschool child (or group) or may be used to count in ratio to have evidence of a signed medical statement on file on or before the first day of employment.

Finding: During the inspection and review of staff files, it was determined medical statements for the individuals used to count in ratio listed on the Employee Record Chart did not meet the requirements in that a medical statement was not on file . Submit the program's corrective action plan, which includes a copy of the medical statement, to the department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 11/29/2026

Domain: **08 Staff Files**

Rule: 5180-37-04 Preschool Staff Member Orientation Training

Requirement: The program is required to have individuals who have an assigned schedule with a child or group of children or may be used in ratio complete the online staff orientation training within 30 days of the individual's start date.

Finding: In review of the staff records, it was determined that 6 of 18 individuals used in ratio or who have an assigned schedule with a preschool child or group did not meet the requirements for completing the online orientation training in that the training was not completed within 30 days of the individual's start date. Submit the program's corrective action plan to the department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 11/29/2026

Domain: **08 Staff Files**

Rule: ORC 3301.531 Preschool Staff Member TB Screening

Requirement: The program is required to have every director, staff member and nonteaching employee provide evidence of tuberculosis (TB) screening prior to the first day of employment. Additional TB testing may be required if the individual meets the screening criteria.

Finding: In review of the staff records, it was determined that the tuberculosis (TB) screening for 4 of 18 employees, did not meet the requirement in that a TB screening was not on file prior to the first day of employment. Submit the program's corrective action plan, which includes a copy of the completed TB results/documentation, to the department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 11/29/2026

Domain: **09 Children's Files**

Rule: 5180:2-20-08 Child Immunization Records

Requirement: The program is required to have complete child immunization records on file.

Finding: In review of 25% of the children's records, it was determined that complete child immunization records were not on file, as required, for children listed on the DCY Children's Record Review for Child Care, in that immunization record(s) were not on file at the center within thirty days of the child's first day of attendance. Submit the program's corrective action plan to the department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 11/29/2026

Technical Assistance Provided

This section documents technical assistance provided to the program when the program demonstrated an overall level of compliance with a rule requirement.
