Domain: 07 Diapering & Infant Care

Rule: 5180-37:12 Diapering requirements

Code: This rule requires if diapers are to be changed in a crib or at a central changing station, there shall be some separation material between the child and the changing surface. The material shall be discarded and replaced after each change. If the crib bedding becomes wet or soiled during the diaper change, it is to be replaced with clean bedding.

Findings: During the inspection, it was observed separation material was not used.

Domain: 09 Children's Files

Rule: 5180-37:08 Child medical statement

Code: This rule requires that the parent provide, prior to the date of admission or not later than thirty days after date of admission, and every thirteen months from the date of examination thereafter, a medical statement affirming that the child is in suitable condition for enrollment in the program. "Prior to the date of admission" means: For children three years old or older at the time of admission, the examination shall occur within twelve months prior to the date of admission.

Findings: During the inspection, and a review of children's files, it was determined that a medical was not provided for a child three years old or older within 30 days of admission and/or the examination did not occur within twelve months prior to the date of admission.
